Council Response

I had received a petition in relation to alleyway gating request by the Residents of Grampian Way.

There was an initial proposal by myself to the Decent Homes to include this work in the Environmental Improvement scheme for Slough Borough Council estates. Decent Homes have agreed to the gating of the alleyway subject to receiving further information regarding the effect it would have on the present and future public access points near the M4 motor way.

However, there has been Highway Improvement Schemes for M4 Junction 5 and A4 - which is to impact on Housing Land and also affect the initial alleyway gating project that was proposed.

I am in talks with the Department that mentioned the Highway improvement to see which alleyway gating I can still put forward; if any. Once I get this information I shall update further.
