Cippenham Lane Parking – 30 Minute Limit

We the undersigned are Customers, Residents and Retailers who regularly use and run businesses located at 3, 22, 24 and 26 Cippenham Lane, Slough.

We wish to make a request to Slough Borough Council to change the current ONE HOUR parking restrictions in place from Monday to Saturday 07.00 hrs to 20.00 hrs to: Maximum 30 MINUTES parking restrictions from 06.00 hrs to 22.00 hrs Monday to Sunday (seven days), as these are now our trading hours.

The main reason for the change being that the lay-by is always occupied with vehicles, hence the customers are not able to stop/park and use the local shops, causing loss of business for us.

Council Response

Thank you for your petition in which you have requested for the time limit within the limited waiting parking bays on Cippenham Lane to be reduced from one hour to 30 minutes.

I have added this location to our waiting list for your request to be considered. We will review the current scheme to try to address the issues you have highlighted, and then put the proposal out to a formal public consultation. If the result of the consultation is positive, we can take the scheme forward to implementation stage.

Due to lack of resourcing, we will be looking to review the current scheme within the coming months and hope to have it implemented by the end of the year.

I hope this information helps and please do not hesitate to contact me with any further enquiries.
