## Petition to Stop Social Gathering on Alexandra Road

We the people who reside and work in Alexandra Road are suffering from the social gathering that is happening every day.

- We are signing this petition hoping that someone would really address this problem.
- We are suffering from the loitering that would also bring loud noises litter and bad reputation to our neighbourhood, besides loss of businesses that is affecting our daily life.
- There have been efforts in the past but not enough we would like a real solution from the officials as enough is enough, or we would take this matter further.

### Council Response

Further to your paper petition regarding the above and our meeting of 30<sup>th</sup> September, 2016. I am writing to confirm the following actions which were discussed and agreed:

- The Anti-Social Behaviour Co-ordinator will send out Anti-social Behaviour (ASB) incident diaries to all signatories on the petition to get more detailed information, over the course of next six weeks, about exactly what is happening and when
- Once in receipt of the completed ASB incident diaries, a residents meeting will be organised to decide the next course of action
- A separate meeting will be held with the elders/church leaders of the Roma community to seek their views and a way forward. Representatives of Slough Borough Council and Thames Valley Police will attend this meeting
- The Police will continue to patrol Alexandra Road (resources permitting) to prevent large groups congregating

As mentioned above, ASB incident diaries have been sent out today and I have enclosed one for you to complete and return.

Once the ASB diaries have been completed and returned by residents and yourself, I will contact you again in 6-7 weeks giving details of the residents meeting.

In the meantime, if you require any further information please do not hesitate to contact me.
