Council Response

I am contacting you with reference to the petition that you issued to the Council, from the residents of Brammas Close.

The property concerned is rented privately, we have contacted the Leaseholder and the Managing Agent of 34 Brammas Close. We have listed the allegations raised in the petition and requested that they ensure the issues are resolved.

With regards to the incidents of anti-social behaviour that you have stated on the petition, we would ask that you keep a record of the incidents that yourself and the other residents have witnessed and return them to the Leasehold department. Some of the incidents as raised maybe police matters and these should be reported directly to the police at the time the incidents take place.

I would like to take this opportunity to advise you of the importance of keeping an Evidence Log, particularly if legal action becomes necessary. We may need to prove to the courts that the alleged perpetrator(s) have been behaving in an anti-social manner and that an order is necessary for the protection of person/persons from further anti-social behaviour.

I would therefore ask that you return any completed sheets within four weeks and return to Leasehold Services at the address as below, or via e-mail to Leaseholdservices@slough.gov.uk.

If I can be of any further assistance, please do not hesitate to contact me again.
