Foreword

This document sets out Slough Borough Council's Council Tax Support Scheme and shall have effect from 1st April 2019.

The scheme set out in this document replaces the Council Tax Support Scheme that came into effect on 1st April 2013, which replaced Council Tax Benefit following its abolition by Section 33 of the Welfare Reform Act 2012.

Paragraph 2 of Schedule 1A to the 1992 Act, as amended by Schedule 4 of the Local Government Finance Act 2012, sets out matters that must be included in a scheme and gives the Secretary of State power to prescribe by regulations additional requirements, including classes of persons, which must or must not be included in a scheme

This Scheme complies with the requirements of Section 13A of the Local Government Finance Act 1992 substituted by Section 10 of the Local Government Finance Act 2012 and Schedule 1A of the Local Government Finance Act 2009 as amended by Schedule 4 of the Local Government Finance Act 2012.

This scheme incorporates the statutory requirements prescribed in the Council Tax Support Schemes (Prescribed Requirements) (England) Regulations 2012.

This scheme is set out in 2 sections.

W31.—(1) In determining the income of an applicant—

- (a) who has, or

The elements to be taken into consideration are determined in sub paragraph 4 (b).

(2) The authority must adjust the amount of the income referred to in sub-paragraph (1) by multiplying the amount of the award by 12 and dividing the product by 52.

(3) The authority may only adjust the amount of the income as adjusted in accordance with subparagraph (2) so far as necessary to take into account—

- (a) the amount of the award of universal credit, determined in accordance with subparagraph (4);

(6) Paragraph W30 (circumstances in which income and capital of non-dependant to be treated as applicant's) applies for the purpose of determining any adjustments which fall to be made to the figure for income under sub-paragraph (3).

(7) In determining the capital of an applicant—

(a) who has, or

(b) who (jointly with his partner) has,

an award of universal credit, the authority must use the calculation or estimate of the capital of the applicant, or the applicant and his partner jointly (as the case may be), made by the Secretary of State for the purpose of determining the award of universal credit..

CHAPTER 3

(i) 5 weeks, if he is paid weekly; or

(ii) 2 months, if he is paid monthly; or

(b) whether or not paragraph (a)(i) or (ii) applies, where an applicant's earnings fluctuate, over such other period preceding the support week in which the application is made or treated as made as may, in any particular case, enable his average weekly earnings to be estimated more accurately.

(2) Where the applicant has been in his employment for less than the period specified in subparagraph (1)(a)(i) or (ii)—

(a) if he has received any earnings for the period that he has been in that employment and those earnings are likely to represent his average weekly earnings from that employment his average weekly earnings must be estimated by reference to those earnings;

(b) in any other case, the authority must estimate the applicant's average weekly earnings(121).

(3) Where the amount of an applicant's earnings changes the authority must estimate his average weekly earnings by reference to his likely earnings from the employment over such period as is appropriate in order that his average weekly earnings may be estimated accurately but the length of the period must not in any case exceed 52 weeks.

(4) For the purposes of this paragraph the applicant's earnings are to be calculated in accordance with paragraphs W36 and W37 (earnings of employed earners).

Average weekly earnings of self-employed earners

(2) The period over which any benefit under the benefit Acts is to be taken into account is to be the period in respect of which that benefit is payable.

(3) For the purposes of this paragraph income other than earnings is to be calculated in accordance with paragraph W39 (calculation of income other than earnings).

(a) does not exceed a week, the weekly amount is to be the amount of that payment;

(b) exceeds a week, the weekly amount is to be determined—

(i) in a case where that period is a month, by multiplying the amount of the payment by 12 and dividing the product by 52;

(ii) in any other case, by dividing the amount of the payment by the number equal to the number of days in the period to which it relates and multiplying the product by 7.

(2) For the purposes of paragraph W33 (average weekly earnings of self-employed earners) the weekly amount of earnings of an applicant is to be determined by dividing his earnings over the assessment period by the number equal to the number of days in that period and multiplying the product by 7.

W37.—(1) For the purposes of paragraph W32 (average weekly earnings of employed earners), the earnings of an applicant derived or likely to be derived from employment as an employed earner to be taken into account must, subject to sub-paragraph (2), be his net earnings.

(2) There is to be disregarded from an applicant's net earnings, any sum, where applicable, specified in paragraphs 1 to 15 of Schedule W3 (sums disregarded in the calculation of earnings).

(3) For the purposes of sub-paragraph (1) net earnings must, except where sub-paragraph (6) applies, be calculated by taking into account the gross earnings of the applicant from that employment over the assessment period, less—

(a) any amount deducted from those earnings by way of—

(i) income tax;

(ii) primary Class 1 contributions under the SSCBA;

(b) one-half of any sum paid by the applicant by way of a contribution towards an occupational pension scheme;

(4) In this paragraph "qualifying contribution" means any sum which is payable periodically as a contribution towards a personal pension scheme.

(5) The amount in respect of any qualifying contribution is to be calculated by multiplying the daily amount of the qualifying contribution by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying contribution is to be determined—

(a) where the qualifying contribution is payable monthly, by multiplying the amount of the qualifying contribution by 12 and dividing the product by 365;

(b) in any other case, by dividing the amount of the qualifying contribution by the number equal to the number of days in the period to which the qualifying contribution relates.

(6) Where the earnings of an applicant are estimated under paragraph W32(2)(b) (average weekly earnings of employed earners), his net earnings is to be calculated by taking into account those earnings over the assessment period, less—

(a) an amount in respect of income tax equivalent to an amount calculated by applying to those earnings the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under sections 35 to 37 of the Income Tax Act 2007 (personal allowances) as is appropriate to his circumstances but, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal relief deductible under this sub-paragraph is to be calculated on a pro rata basis;

(b) an amount equivalent to the amount of the primary Class 1 contributions that would be payable by him under the SSCBA in respect of those earnings if such contributions were payable; and

(c) one-half of any sum which would be payable by the applicant by way of a contribution towards an occupational or personal pension scheme, if the earnings so estimated were actual earnings.

Earnings of self-employed earners

W38.—(1) Subject to sub-paragraph (2), “earnings”, in the case of employment as a self-employed earner, means the gross income of the employment.

(2) “Earnings” does not include any payment to which paragraph 31 or 32 of Schedule W4 refers (payments in respect of a person accommodated with the applicant under arrangements made by a local authority or voluntary organisation and payments made to the applicant by a health authority, local authority or voluntary organisation in respect of persons temporarily in the applicant’s care) nor does it include any sports award.

(3) This paragraph applies to—

(a) royalties or other sums paid as a consideration for the use of, or the right to use, any copyright, design, patent or trade mark; or

(b) any payment in respect of any—

(i) book registered under the Public Lending Right Scheme 1982; or

(ii) work made under any international public lending right scheme that is analogous to the Public Lending Right Scheme 1982, where the applicant is the first owner of the copyright, design, patent or trade mark, or an original contributor to the book or work concerned.

(4) Where the applicant's earnings consist of any items to which sub-paragraph (3) applies, those earnings must be taken into account over a period equal to such number of weeks as is equal to the number obtained (and any fraction is to be treated as a corresponding fraction of a week) by dividing the earnings by—

(a) the amount of support under this scheme to which the applicant would have been entitled had the payment not been made, plus

(b) an amount equal to the total of the sums which would fall to be disregarded from the payment under Schedule W3 (sums disregarded in the calculation of earnings) as appropriate in the applicant's case.

Calculation of income other than earnings

W39.—(1) For the purposes of paragraph W34 (average weekly income other than earnings), the income of an applicant which does not consist of earnings to be taken into account must, subject to sub-paragraphs (2) to (8), be his gross income and any capital treated as income under paragraph W40 (capital treated as income).

(2) There is to be disregarded from the calculation of an applicant's gross income under sub-paragraph (1), any sum, where applicable, specified in Schedule W4.

(3) Where the payment of any benefit under the benefit Acts is subject to any deduction by way of recovery the amount to be taken into account under sub-paragraph (1) must be the gross amount payable.

(4) Where the applicant or, where he is a member of a couple, his partner is receiving a contributory employment and support allowance and that benefit has been reduced under regulation 63 of the Employment and Support Allowance Regulations 2008(122), the amount of that benefit to be taken into account is the amount as if it had not been reduced.

(5) Where an award of any working tax credit or child tax credit under the Tax Credits Act 2002 is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under sub-paragraph (1) is to be the amount of working tax credit or child tax credit awarded less the amount of that deduction.

(6) Sub-paragraphs 7 and 8 apply where —

(a) a relevant payment has been made to a person in an academic year; and

(b) that person abandons, or is dismissed from, his course of study before the payment to him of the final instalment of the relevant payment.

(7) Where a relevant payment is made quarterly, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula—
 $(A - (B \times C)) / D$
where—

A = the total amount of the relevant payment which that person would have received had he remained a student until the last day of the academic term in which he abandoned, or was dismissed from, his course, less any deduction under paragraph W63(5) (costs of travel, books and equipment);

B = the number of support weeks from the support week immediately following that which includes the first day of that academic year to the support week which includes the day on which the person abandoned, or was dismissed from, his course;

C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under paragraph W63(2) (treatment of student loans) had the person not abandoned or been dismissed from, his course and, in the case of a person who was not entitled to support under this scheme immediately before he abandoned or was dismissed from his course, had that person, at that time, been entitled to housing benefit;

D = the number of support weeks in the assessment period.

(8) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula in sub-paragraph (8) but as if—

A = the total amount of relevant payments which that person received, or would have received, from the first day of the academic year to the day the person abandoned the course, or was dismissed from it, less any deduction under paragraph W63(5).

(9) In this paragraph—

“academic year” and “student loan” have the same meanings as in Part 9 (students);

“assessment period” means—

(a) in a case where a relevant payment is made quarterly, the period beginning with the support week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the support week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that person;

(b) in a case where the relevant payment is made by two or more instalments in a quarter, the period beginning with the support week which includes the day on which the

person abandoned, or was dismissed from, his course and ending with the support week which includes—

(i) the day immediately before the day on which the next instalment of the relevant payment would have been due had the payments continued; or

(ii) the last day of the last quarter for which an instalment of the relevant payment was payable to that person,

(c) 1st January and ending on 31st March;

(d) 1st April and ending on 30th June;

(e) 1st July and ending on 31st August; or

W40.—(1) Any capital payable by instalments which are outstanding at the date on which the application is made or treated as made, or, at the date of any subsequent revision or supersession, must, if the aggregate of the instalments outstanding and the amount of the applicant’s capital otherwise calculated in accordance with Chapter 5 of this Part exceeds £6,000, be treated as income.

Income: further provisions

Calculation of income on a weekly basis

W42.—(1) Subject to paragraph W45 (disregard of changes in tax, etc.), the income of an applicant is to be calculated on a weekly basis—

(a) by estimating the amount which is likely to be his average weekly income in accordance with this Part;

(b) by deducting from that amount any relevant child care charges to which paragraph W43 (treatment of child care charges) applies from any earnings which form part of the average weekly income or, in a case where the conditions in sub-paragraph (2) are met, from those earnings plus whichever credit specified in paragraph (b) of that sub-paragraph is appropriate, up to a maximum deduction in respect of the applicant's family of whichever of the sums specified in sub-paragraph (3) applies in his case.

Diminishing notional capital rule

W53.—(1) Where an applicant is treated as possessing capital under paragraph W52(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(b) but for paragraph W52(1), he would have received a greater support in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the support in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—

(a) an amount equal to the additional amount of the support in council tax to which subparagraph (2)(b) refers;

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect

of the whole or part of the support week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the Support week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant would have been entitled to support in council tax in the relevant week but for paragraph W52(1).

(5) In such a case the amount of the support in the amount of capital he is treated as possessing must be equal to the aggregate of—

(a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph W52(1);

(b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;

(c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

(a) dividing the relevant amount by the number equal to the number of days in that part-week, and

(b) multiplying the result of that calculation by 7.

(iii) the date on which he last ceased to be entitled to support under this scheme, whichever last occurred; and

(b) the applicant would have been entitled to support in council tax under this scheme but for paragraph W52(1).

(9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

and where more than one support week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such support week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the support week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held

W54. Except where an applicant possesses capital which is disregarded under paragraph W52(5) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

(5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—

(a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the support week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the support week, the last day of which coincides with, or immediately precedes, the last day of the period of study;

(b) in any other case, equally between the weeks in the period beginning with the support week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the support week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.

(6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 support weeks (including part-weeks) in the year, 53.

(7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph W62(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.

(8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the support week, the first day of which immediately follows the last day of the period of experience and ending with the support week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

Calculation of covenant income where a contribution is assessed

W59.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.

(2) The weekly amount of the student's covenant must be determined—

(a) by dividing the amount of income which falls to be taken into account under subparagraph (1) by 52 or 53, whichever is reasonable in the circumstances; and

(b) by disregarding £5 from the resulting amount.

(3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph W58(2)(g) (calculation of grant income) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

(c) there should be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph W58(2)(f) and (3) (calculation of grant income) had the student been in receipt of the standard maintenance grant; and

(d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.

(ii) the support week, the first day of which coincides with, or immediately follows the first day of the autumn term,

and ending with the support week, the last day of which coincides with, or immediately precedes, the last day of June,

and, in all cases, from the weekly amount so apportioned £10 is to be disregarded.

(3) A student is to be treated as possessing a student loan in respect of an academic year where—

(a) a student loan has been made to him in respect of that year; or

(b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.

(4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—

(i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and

(ii) no deduction in that loan was made by virtue of the application of a means test.

(5) There must be deducted from the amount of income taken into account under sub-paragraph (4)—

(b) the sum specified in the Housing Benefit Regulations 2006, regulation 59(3) per academic year towards the costs of books and equipment

whether or not any such costs are incurred.

(6) A loan for fees, known as a fee loan or a fee contribution loan, made pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, section 22 of the Teaching and Higher Education Act 1998 or section 73(f) of the Education (Scotland) Act 1980, shall be disregarded as income.

Treatment of payments from access funds

W64.—(1) This paragraph applies to payments from access funds that are not payments to which paragraph W67(2) or (3) (income treated as capital) applies.

(2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.

(3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule W4 (disregards in the calculation of income other than earnings)—

(a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and

(b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable,

must be disregarded as income to the extent of £20 per week.

(4) Where a payment from access funds is made—

(a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or

(b) before the first day of the course to a person in anticipation of that person becoming a student,

that payment must be disregarded as income.

Disregard of contribution

W65. Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

Further disregard of student's income

W66. Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

Income treated as capital

W67.—(1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.

(2) An amount paid from access funds as a single lump sum must be treated as capital.

(3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.

Disregard of changes occurring during summer vacation

W68. In calculating a student's income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

PART 10

Extended support

CHAPTER 1

Extended support

W69.—(1) An applicant who is entitled to support under this scheme is entitled to an extended support where—

(a) the applicant or the applicant's partner was entitled to a qualifying income-related benefit;

(b) entitlement to a qualifying income-related benefit ceased because the applicant or the applicant's partner—

(i) commenced employment as an employed or self-employed earner;

(ii) increased their earnings from such employment; or

(iii) increased the number of hours worked in such employment, and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more; and

(c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying income-related benefit, jobseeker's allowance or a combination of those benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying income-related benefit ceased.

(2) For the purpose of sub-paragraph (1)(c), an applicant or an applicant's partner is to be treated as having been entitled to and in receipt of a qualifying income-related benefit or jobseeker's allowance during any period of less than five weeks in respect of which the applicant or the applicant's partner was not entitled to any of those benefits because the applicant or the applicant's partner was engaged in remunerative work as a consequence of their participation in an employment zone programme.

(3) For the purpose of this paragraph, where an applicant or an applicant's partner is entitled to and in receipt of joint-claim jobseeker's allowance they must be treated as being entitled to and in receipt of jobseeker's allowance.

(4) An applicant must be treated as entitled to support under this scheme where—

(a) the applicant ceased to be entitled to support under this scheme because the applicant vacated the dwelling in which the applicant was resident;

(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying income-related benefit ceased, or in the preceding week; and

(c) entitlement to the qualifying income-related benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

(5) This paragraph does not apply where, on the day before an applicant's entitlement to income support ceased, regulation 6(5) of the Income Support (General) Regulations 1987 (remunerative work: housing costs) applied to that applicant.

Duration of extended support period

W70.—(1) Where an applicant is entitled to extended support, the extended support period starts on the first day of the support week immediately following the support week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying income-related benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying income-related benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended support period ends—

(a) at the end of a period of four weeks; or

(b) on the date on which the applicant to whom the extended support is payable has no liability for council tax, if that occurs first.

Amount of extended support

W71.—(1) For any week during the extended support period the amount of the extended support to which an applicant is entitled is to be the higher of—

(a) the amount of the support under this scheme to which the applicant was entitled in the last support week before the applicant or the applicant's partner ceased to be entitled to a qualifying income-related benefit;

(b) the amount of support under this scheme to which the applicant would be entitled for any support week during the extended support period, if paragraph W69 (extended support) did not apply to the applicant; or

(c) the amount of support under this scheme to which the applicant's partner would be entitled, if paragraph W69 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended support under this paragraph and the applicant's partner makes an application for support under this scheme, no amount of support under this scheme is to be awarded by the authority during the extended support period.

Extended support —movers

W72.—(1) This paragraph applies—

(a) to a mover; and

(b) from the Monday following the day of the move.

(2) The amount of the extended support awarded from the Monday from which this paragraph applies until the end of the extended support period is to be the amount of support under this scheme to which the mover would have been entitled had they, or their partner, not, ceased to be entitled to a qualifying income-related benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority other than this one, the extended support (qualifying contributory benefits) may take the form of a payment from this authority to—

(a) the second authority; or

(b) the mover directly.

Relationship between extended support and entitlement to support

W73.—(1) Where an applicant's entitlement to support under this scheme would have ended when the applicant ceased to be entitled to a qualifying income-related benefit in the circumstances listed in paragraph W69(1)(b), that entitlement does not cease until the end of the extended support period.

(2) Paragraphs W80 and W81 do not apply to any extended support payable in accordance with paragraph W69(1)(a) or W72(2) (amount of extended support —movers).

Extended support s (qualifying contributory benefits)

W74.—(1) An applicant who is entitled to support under this scheme is entitled to an extended support (qualifying contributory benefits) where—

(a) the applicant or the applicant's partner was entitled to a qualifying contributory benefit;

(b) entitlement to a qualifying contributory benefit ceased because the applicant or the applicant's partner—

(i) commenced employment as an employed or self-employed earner;

(ii) increased their earnings from such employment; or

(iii) increased the number of hours worked in such employment, and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more;

(c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying contributory benefit or a combination of qualifying contributory benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying contributory benefit ceased; and

(d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last support week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to support under this scheme where—

(a) the applicant ceased to be entitled to support under this scheme because the applicant vacated the dwelling in which the applicant was resident;

(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and

(c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended support period (qualifying contributory benefits)

W75.—(1) Where an applicant is entitled to an extended support (qualifying contributory benefits), the extended support period starts on the first day of the support week immediately following the support week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying contributory benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended support period ends—

(a) at the end of a period of four weeks; or

(b) on the date on which the applicant entitled to the extended support (qualifying contributory benefits) has no liability for council tax, if that occurs first.

Amount of extended support (qualifying contributory benefits)

W76.—(1) For any week during the extended support period the amount of the extended support (qualifying contributory benefits) payable to an applicant is to be the greater of—

(a) the amount of support under this scheme to which the applicant was entitled in the last support week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;

(b) the amount of support under this scheme to which the applicant would be entitled for any support week during the extended support period, if paragraph W74 (extended support (qualifying contributory benefits)) did not apply to the applicant; or

(c) the amount of support under this scheme to which the applicant's partner would be entitled, if paragraph W74 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended support (qualifying contributory benefits) under this paragraph and the applicant's partner makes an application for support under this scheme, no amount of support shall be allowed by the appropriate authority during the extended support period.

Extended support (qualifying contributory benefits)—movers

W77.—(1) This paragraph applies—

(a) to a mover; and

(b) from the Monday following the day of the move.

(2) The amount of the extended support (qualifying contributory benefit) payable from the Monday from which this paragraph applies until the end of the extended support period is to be the amount of support under this scheme which was awarded to the mover for the last support week before the mover, or the mover's partner, ceased to be entitled to a qualifying contributory benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended support (qualifying contributory benefits) may take the form of a payment from this authority to—

(a) The second authority; or

(b) the mover directly.

Relationship between extended support (qualifying contributory benefits) and entitlement to support

W78.—(1) Where an applicant's support under this scheme would have ended when the applicant ceased to be entitled to a qualifying contributory benefit in the circumstances listed in paragraph W74(1)(b), that support does not cease until the end of the extended support period.

(2) Paragraphs W80 and W81 (dates on which entitlement begins and change of circumstances take effect) do not apply to any extended support (qualifying contributory benefits) payable in accordance with paragraph W76(1)(a) or W77(2) (amount of extended support —movers).

CHAPTER 2

Extended support : movers in the authority's area

Extended support : applicant moving into the authority's area

W79. Where—

(a) an application is made to the authority (“the current authority”) for support under this scheme, and

(b) the applicant, or the partner of the applicant, is in receipt of an extended support from—

(i) another billing authority in England; or

(ii) a billing authority in Wales;

The current authority must reduce any support to which the applicant is entitled under this scheme by the amount of that extended support .

PART 11

When entitlement begins and change of circumstances

Date on which entitlement begins

W80.— (1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for support under this scheme is made and who is otherwise entitled to that support is so entitled from the support week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to support under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the support week in which his application is made or is treated as made, he is so entitled from that support week.

Date on which change of circumstances is to take effect

W81.—(1) Except in cases where paragraph W45 (disregard of changes in tax, contributions, etc.) applies or paragraph W81A (late notification of an advantageous change) and subject to the following provisions of this paragraph, a change of circumstances which affects entitlement to, or the amount of, support under this scheme ("change of circumstances"), takes effect from the first day of the support week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act (discounts), it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same support week would, but for this paragraph, take effect in different support weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(10) For the absence of doubt, where the change is a change in employed earnings, the date on which that change actually occurs shall be the first day of the period in respect of which the payment is earned, not the date that the payment was made, was due to be made or is due to be made.

Effective date for late notification of advantageous change of circumstances

W81A.—(1) In a case where—

(a) the change of circumstances is a change of circumstances that is required by this scheme to be notified under paragraph W87 (duty to notify a change of circumstances), and

(b) that change of circumstances is notified more than one month after it occurs, or such longer period as may be allowed under sub paragraph (2); and

(c) the superseding decision is advantageous to the claimant,

the date of notification of the change of circumstances may be treated as the date on which the change of circumstances occurred.

(2) Subject to sub-paragraph (3), a longer period of time may be allowed for the notification of a change of circumstances in so far as it affects the effective date of the change where special circumstances are relevant and as a result of those special circumstances it was not practicable for the applicant to notify the change of circumstances within one month of the change occurring.

(3) In determining whether it is reasonable to allow a longer period of time under sub paragraph (2) regard shall be given to the principle that the greater the amount of time that has elapsed between the date one month after the change of circumstances occurred and the date the application for a superseding decision is made, the more compelling should be the special circumstances on which the application is based.

PART 12

Applications (including duties to notify authority of change of circumstances)

Making an application

W82.—(1) In the case of—

(a) a couple or (subject to paragraph (b) members of a polygamous marriage an application is to be made by whichever one of them they agree should so apply or, in default of agreement, by such one of them as the authority determines: or

(b) in the case of members of a polygamous marriage to whom paragraph W31 (income and capital: award of universal credit) applies, an application is to be made by whichever one of the parties to the earliest marriage that still subsists they agree should so apply or, in default of agreement, by such one of them as the authority determines.

(1A) Where a claim is made for Housing Benefit, and the applicant or his partner is liable for council tax in respect of that dwelling, the claim for Housing Benefit may be deemed to be a claim for council tax support .

(2) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act, and—

(a) a deputy has been appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(b) in Scotland, his estate is being administered by a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000(135) who has power to apply or, as the case may be, receive benefit on his behalf; or

(c) an attorney with a general power or a power to apply or, as the case may be, receive benefit, has been appointed by that person under the Powers of Attorney Act 1971, the Enduring Powers of Attorney Act 1985 or the Mental Capacity Act 2005 or otherwise,

that deputy, judicial factor, guardian or attorney, as the case may be, may make an application on behalf of that person.

(3) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act and sub-paragraph (2) does not apply to him, the authority may, upon written application made to them by a person who, if a natural person, is over the age of 18, appoint that person to exercise on behalf of the person who is unable to act, any right to which that person might be entitled under this scheme and to receive and deal on his behalf with any sums payable to him.

(4) Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

(5) Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4)—

(a) it may at any time revoke the appointment;

(b) the person appointed may resign his office after having given 4 weeks notice in writing to the authority of his intention to do so;

(c) any such appointment must terminate when the authority is notified of the appointment of a person mentioned in sub-paragraph (2).

(6) Anything required by this scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in sub-paragraph (2) above or by or to the person appointed or treated as appointed under this paragraph and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

(7) The authority must—

(a) inform any person making an application of the duty imposed by paragraph W87(1)(a);

(b) explain the possible consequences (including prosecution) of failing to comply with that duty; and

(c) set out the circumstances a change in which might affect entitlement to the support or its amount.

Date on which an application is made

W83.—(1) Subject to sub-paragraph (7), the date on which an application is made is

(a) in a case where—

(i) an award of income support, an income-based jobseeker's allowance or an income-related employment and support allowance or an award of universal credit has been made to the applicant or his partner, and

(ii) the application is made within one month of the date on which the claim for that income support, jobseeker's allowance, employment and support allowance or universal credit was received,

the first day of entitlement to income support, an income-based jobseeker's allowance, an income-related employment and support allowance or universal credit arising from that claim;

(b) in a case where—

(i) an applicant or his partner is a person on income support, an income-based jobseeker's allowance or an income-related employment and support allowance or Housing Benefit or has an award of universal credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the designated office or appropriate DWP office within one month of the date of the change,

the date on which the change takes place;

(bb) in a case where—

(i) the applicant or his partner has made a claim for Housing Benefit, and

(ii) at the time the Housing Benefit claim was made, the applicant or his partner was liable for council tax in respect of that dwelling,

the date of the claim for Housing Benefit.

(c) in a case where—

(i) the applicant is the former partner of a person who was, at the date of his death or their separation, entitled to support under this scheme, and

(ii) where the applicant makes an application for support under this scheme within one month of the date of the death or the separation,

the date of the death or separation;

(d) except where paragraph (c) is satisfied, in a case where a properly completed application is received within one month (or such longer period as the authority considers reasonable) of the date on which an application form was issued to the applicant following the applicant first notifying, by whatever means, the authority of an intention to make an application, the date of first notification;

(e) in any other case, the date on which the application is received at the designated office or appropriate DWP office.

(2) For the purposes only of sub-paragraph (1)(a) a person who has been awarded an income based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—

(a) in the case of income-based jobseeker's allowance, paragraph 4 of Schedule 1 to the Jobseekers Act 1995 (waiting days); or

(b) in the case of income-related employment and support allowance, paragraph 2 of Schedule 2 to the Welfare Reform Act 2007 (waiting days),

have been entitled to that allowance.

(3) Where the defect referred to in paragraph 7 of Schedule W1 to this scheme (application by telephone)—

(a) is corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority is to treat the application as if it had been duly made in the first instance;

(b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority is to treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide on the application.

(4) The authority is to treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—

(a) where paragraph 4(a) of Schedule W1 (incomplete form) applies, the authority receives at its designated office the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or

(b) where paragraph 4(b) of Schedule W1 (application not on approved form or further information requested by authority) applies—

(i) the approved form sent to the applicant is received at the designated office properly completed within one month of it having been sent to him; or, as the case may be,

(ii) the applicant supplies whatever information or evidence was requested under paragraph 4 of that Schedule within one month of the request,

or, in either case, within such longer period as the authority may consider reasonable; or

(c) where the authority has requested further information, the authority receives at its designated office the properly completed application or the information requested to complete it within one month of the request or within such longer period as the authority considers reasonable.

(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that

he will become so liable within the period of 8 weeks (the relevant period), he may apply for support under this scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority is to treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to support under this scheme in the support week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to support under this scheme for a period beginning not later than—

(a) in the case of an application made by a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit, the seventeenth support week following the date on which the application is made, or

(b) in the case of an application made by a person who is working age, the thirteenth support week following the date on which the application is made, the authority may treat the application as made on a date in the support week immediately preceding the first support week of that period of entitlement and award support accordingly.

(8) In this paragraph “appropriate DWP office” means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims for income support, a jobseeker’s allowance or an employment and support allowance.

Back-dating of applications

W84.—(1) Where an applicant—

(a) makes an application under this scheme which includes (or which he subsequently requests should include) a period before the application is made; and

(b) from a day in that period, up to the date he made the application (or subsequently requested that the application should include a past period), the applicant had continuous good cause for failing to make an application (or request that the application should include that period),

the application is to be treated as made on the date determined in accordance with subparagraph (2).

(2) That date is the latest of—

(a) the first day from which the applicant had continuous good cause;

(b) the day 1 month before the date the application was made;

(c) the day 1 month before the date when the applicant requested that the application should include a past period.

Information and evidence

W85.—(1) Subject to sub-paragraph (3), a person who makes an application for support under this scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

(2) This sub-paragraph is satisfied in relation to a person if—

(a) the application is accompanied by—

(i) a statement of the person's national insurance number and information or evidence establishing that that number has been allocated to the person; or

(ii) information or evidence enabling the authority to ascertain the national insurance number that has been allocated to the person; or

(b) the person has made an application for a national insurance number to be allocated to him and the application for the support is accompanied by—

(i) evidence of the application for a national insurance number to be so allocated;

and

(ii) the information or evidence enabling it to be so allocated.

(3) Sub-paragraph (2) does not apply—

(a) in the case of a child or young person in respect of whom an application for support is made;

(b) to a person who—

(i) is a person treated as not being in Great Britain for the purposes of this scheme(136);

(ii) is subject to immigration control within the meaning of section 11 5(9)(a) of the Immigration and Asylum Act 1999; and

(iii) has not previously been allocated a national insurance number.

(4) Subject to sub-paragraph (5), a person who makes an application, or a person to whom support under this scheme has been awarded, must furnish such certificates, documents, information and evidence in connection with the application or the award, or any question arising out of the application or the award, as may reasonably be required by the authority in order to determine that person's entitlement to, or continuing entitlement to support under this

scheme and must do so within one month of the authority requiring him to do so or such longer period as the authority may consider reasonable.

(5) Nothing in this paragraph requires a person to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

(6) Where a request is made under sub-paragraph (4), the authority must—

(a) inform the applicant or the person to whom support under this scheme has been awarded of his duty under paragraph W87 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and

(b) without prejudice to the extent of the duty owed under paragraph W87, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which is to be notified.

(7) This sub-paragraph applies to any of the following payments—

(a) a payment which is—

(i) disregarded under paragraph 28 of Schedule W4 (sums disregarded in the calculation of income other than earnings) or paragraph 38 of Schedule W5 (capital disregards); or

(ii) a payment which is made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation or the London Bombings Relief Charitable Fund;

(b) a payment which is disregarded under paragraph W27(9)(b) or (c) (payment made under certain trusts etc.) other than a payment under the Independent Living Fund (2006).

Amendment and withdrawal of application

W86.—(1) A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.

(2) Where the application was made by telephone in accordance with Part 1 of Schedule W1, the amendment may also be made by telephone.

(3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.

(4) A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.

(5) Where the application was made by telephone in accordance with Part 1 of Schedule W1, the withdrawal may also be made by telephone.
