Parking Restriction on High Street after 7pm - Friday to Sunday

We the undersigned, write in relation to the above matter. As you know that the parking restriction in this area is pay and display between Monday to Friday up to 5pm. However, from Friday to Sunday only Taxis are allowed to park after 7pm and private parking is fully restricted. From the experience of last couple of years there has been hardly any taxis parked during the hours mentioned above, whereas many customers of the local businesses have been issued with penalty notices.

As you appreciate the business activities in Slough have already been towards the downfall in last few years and High Street businesses have been struggling, this parking restriction is another hurdle for businesses to attract customers in this local parade.

We, therefore, kindly request you to waive the current parking restrictions (Friday to Sunday Taxis only after 7pm) and allow the spaces to be used for private parking to give a little boost to the local businesses and overall economy of Slough High Street.

In anticipation, we appreciate your consideration and look forward to hearing from you soon.
