1 **Purpose of Report**

2 **Recommendation(s)/Proposed Action**

The Council is requested to resolve:

- (a) That the report be noted; and
- (b) That the Significant Decisions taken by Silver as set out in the Appendices be ratified insofar as they relate to Council functions.

3. **The Slough Joint Wellbeing Strategy, the JSNA and the Five Year Plan**

The decisions taken by officers and set out in this Report have sought to support, as far as reasonably practicable at the present time, the objectives of the [Slough Joint Wellbeing Strategy](#) (SJWS) and the Five Year Plan

3a. **Slough Joint Wellbeing Strategy Priorities –**

The decisions set out in this Report have been taken with the over arching objective of protecting public health and the well being of residents and ensuring that the Council is able to achieve this objective lawfully, and as effectively as possible, in the prevailing circumstances. The recommendations contained in this report seek to ensure that the Council are able to continue to try to meet this objective and thereby be in a position to continue to address the priorities of the SJWS and the JSNA appropriately.

3b **Five Year Plan Outcomes**

The recommendations contained in this Report, namely the noting and ratification of the further significant decisions taken by officers at the first available opportunity, will enable the Council to be in a position to be able to go forwards to try and continue to meet the following objectives of the Five Year Plan.

- *Our children and young people will have the best start in life and opportunities to give them positive lives.*
- *Our people will become healthier and will manage their own health, care and support needs.*
- *Slough will be an attractive place where people choose to live, work and visit.*
- *Our residents will have access to good quality homes.*
- *Slough will attract, retain and grow businesses and investment to provide jobs and opportunities for our residents*

4 **Other Implications**

(a) Financial

Any financial implications of significant decisions taken by officers in connection with the need to deal with the consequences of the Covid-19 pandemic are monitored weekly by a special finance group and will be reported to cabinet as part of the usual financial reports to cabinet.

Risk Management

Recommendation from section 2 above	Risks/Threats/ Opportunities	Current Controls	Using the Risk Management Matrix Score the risk	Future Controls
That the Cabinet/Council note and ratify the significant decisions taken by officers since the “lockdown” came into force.	Failure by Members to note and ratify these actions and decisions increases the risk of challenge and disruption. Ratification provides the opportunity for the Council to build upon the good results already achieved and to move forward strongly by building upon these results with greater engagement across the Council	The significant decisions and actions have been taken in accordance with governance arrangements put into place in consultation with the Council’s statutory officers and in accordance with all applicable guidance issued by and best practice recommended by all relevant bodies.	Likelihood – Very Low – 2 Legal/ Regulatory – Critical - 3 Score: 6	Increasing return to usual decision making structures and processes as circumstances permit.

(b) Human Rights Act and Other Legal Implications

Any decisions taken by officers pursuant to the statutory regulations enacted by the Government to deal with the Coronavirus pandemic, to enforce business closures and restrict assembly, could potentially be challenged under the Human Rights Act 1998 as being a breach of article 11, relating to the freedom of assembly and association, and of Article 1 of the

First Protocol to that convention, relating to the right to peaceful enjoyment of possessions. It is considered, however, that risks of successful challenge are low as, in the latter case, derogations are permitted to control use of property in the general interest and, in the former case, for the protection of public health.

Under the Council's Constitution, the Chief Executive has delegated power to act in case of emergency and urgency to exercise all council functions. Additionally, under the constitution, all matters not specifically reserved are deemed to be within the delegated authority of the Chief Executive and Directors for all purposes which fall within their directorate or budget area or area of responsibility to which they may be nominated from time to time

The Cabinet may ratify any decisions of officers falling within their functions.

(c) Equalities Impact Assessment

All the significant decisions set out in this Report were taken having regard, so far as was practicable in the circumstances, to the public sector equality duties and the protected characteristics set out in the Equality Act 2010.

(d) Workforce

The decisions taken by Officers which have affected the workforce are set out in the schedule to this Report.

(e) Property

The restrictions imposed by the Coronavirus Act 2020 on the ability of the Council as a landowner to take action to enforce payments of rents will have had an effect on the Council's asset management position. Any long term effects on the Council's property portfolio and asset management strategy evaluated and reported to the cabinet as part of the Council's normal financial reporting to the cabinet.

(f) Carbon Emissions and Energy Costs

The Council have not at present carried out any systematic analysis of the effect on carbon emissions and energy costs of the decisions taken by officers since the "lockdown" took effect. It is considered that it is self-evident, however, that the restrictions on travel and the reduction in the use and occupation of Council premises and other council activities means that it is unlikely that there was an increase in emissions and energy costs during this period.
