- Outcome 3: Slough will be an attractive place where people choose to live, work and stay.
- Outcome 4: Our residents will live in good quality homes.

5. **Supporting Information**

5.1 This work programme outlines some of the work the Wellbeing Board will be involved in over the next year.

5.2 In particular, some of the statutory responsibilities of the Board have been scheduled into the work programme, in order to make sure these pieces of work are addressed at the most suitable time of year. This scheduling has taken place by drawing on conversations with officers from the appropriate organisations, as well as conversations with the Chair and Vice-Chair of the Wellbeing Board.

5.3 In addition to these items, regular updates on the work being done to address the priorities of the Wellbeing Strategy have been scheduled across the year. This aims to allow the Board to maintain a close overview of the work being done in these areas by the Children and Young People's Partnership Board, the Health and Social Care Partnership Board, the Strong, Healthy and Attractive Neighbourhoods Task and Finish group, and the Workplace Health Task and Finish group.

- 5.4 The work programme is a flexible document which will be continually open to review throughout the municipal year.
- 5.5 The forward work programme will be developed at the end of March 22, and may be influenced by the outcomes of the LGA training currently being delivered to the Slough Wellbeing Board.

6. **Conclusion**

This report is intended to provide the Slough Wellbeing Board with the opportunity to review its upcoming work programme and make any amendments it feels are required.
