Topic / Issue	Comments
Adult Social Care (ASC) Assurance Programme/New CQC regime	<p>The ASC assurance programme touches a number of key improvement and recovery areas.</p> <p>CQC will place a lot of emphasis on the importance of good Leadership and Culture as well as on Customer Service and experience.</p> <p>The initial assessment suggests opportunity for value to be added through scrutiny/T&F. Timely scrutiny engagement, through this Task and Finish Group will help assure that the service is focussing on the right priorities and making required improvements. This will also offer critical friend challenge around assurance programme and delivery of the outcomes through an action plan. Starting in September 2023.</p>
Resident Engagement and Building Trust	Building and maintaining public trust through resident engagement is an important component for SBC. Agreement in principle with the service.
Journey to Good – Slough Children First	<p>Participation/engagement is identified as an area of development by Ofsted so a T&F can add real value.</p> <p>A Task and Finish Group focussing on developing community and faith groups involvement in improving children services. This will ensure that enhanced partnerships bring different skillsets and experiences. Agreement in principle with the service.</p>
