Press and Public

You are welcome to attend this meeting which is open to the press and public, as an observer. You will however be asked to leave before the Committee considers any items in the Part II agenda. Please contact the Democratic Services Officer shown above for further details.

The Council allows the filming, recording and photographing at its meetings that are open to the public. Anyone proposing to film, record or take photographs of a meeting is requested to advise the Democratic Services Officer before the start of the meeting. Filming or recording must be overt and persons filming should not move around the meeting room whilst filming nor should they obstruct proceedings or the public from viewing the meeting. The use of flash photography, additional lighting or any non hand held devices, including tripods, will not be allowed unless this has been discussed with the Democratic Services Officer.

PREDETERMINATION/PREDISPOSITION - GUIDANCE

The Council often has to make controversial decisions that affect people adversely and this can place individual members in a difficult position. They are expected to represent the interests of their constituents and political party and have strong views but it is also a well established legal principle that members who make these decisions must not be biased nor must they have pre-determined the outcome of the decision. This is especially so in “quasi judicial” decisions in planning and licensing committees. This Note seeks to provide guidance on what is legally permissible and when members may participate in decisions. It should be read alongside the Code of Conduct.

Predisposition

Predisposition is lawful. Members may have strong views on a proposed decision, and may have expressed those views in public, and still participate in a decision. This will include political views and manifesto commitments. The key issue is that the member ensures that their predisposition does not prevent them from consideration of all the other factors that are relevant to a decision, such as committee reports, supporting documents and the views of objectors. In other words, the member retains an “open mind”.

Section 25 of the Localism Act 2011 confirms this position by providing that a decision will not be unlawful because of an allegation of bias or pre-determination “just because” a member has done anything that would indicate what view they may take in relation to a matter relevant to a decision. However, if a member has done something more than indicate a view on a decision, this may be unlawful bias or predetermination so it is important that advice is sought where this may be the case.

Pre-determination / Bias

Pre-determination and bias are unlawful and can make a decision unlawful. Predetermination means having a “closed mind”. In other words, a member has made his/her mind up on a decision before considering or hearing all the relevant evidence. Bias can also arise from a member’s relationships or interests, as well as their state of mind. The Code of Conduct’s requirement to declare interests and withdraw from meetings prevents most obvious forms of bias, e.g. not deciding your own planning application. However, members may also consider that a “non-pecuniary interest” under the Code also gives rise to a risk of what is called apparent bias. The legal test is: “whether the fair-minded and informed observer, having considered the facts, would conclude that there was a real possibility that the Committee was biased”. A fair minded observer takes an objective and balanced view of the situation but Members who think that they have a relationship or interest that may raise a possibility of bias, should seek advice.

This is a complex area and this note should be read as general guidance only. Members who need advice on individual decisions, should contact the Monitoring Officer.

8. Guidance on Predetermination/ Predisposition - To Note

Members confirmed that they had read and understood the guidance on predetermination and predisposition.

9. Minutes of the Last Meeting held on 10th October, 2016

Resolved- That the minutes of the last meeting held on 10th October, 2016 be approved as a correct record.

10. Exclusion of the Press and Public

Resolved – That the press and public be excluded from the remainder of the meeting as the items to be considered contained exempt information relating to individuals as defined in Paragraph 1 of Part I of Schedule 12A to the Local Government Act 1972 (as amended).

11. Private Hire Driver Conduct Hearing- (Reference 02-16)

The Following is a Part 1 summary of the case:

The Licensing Sub-Committee was asked to consider whether Private Hire Driver (Reference 02-16) was a fit and proper person to continue to hold a Private Hire licence in Slough.

The Licensing Officer summarised the background to the case and discussed the relevant Policy and Legislative considerations. She advised Members that the Sub-Committee could only allow an Applicant to hold a Licence if it was satisfied that the applicant was a 'fit and proper' person to do so.

In February, 2016, the Licensing Team received official notification that the Driver (whilst working as a Private Hire Taxi Driver), was arrested by Thames Valley Police for using threatening, abusive, insulting words or behaviour with

Licensing Sub-Committee - 07.11.16

intent to cause fear of/provoke unlawful violence, and that he accepted a Fixed Penalty Notice (“FPN”).

The Driver addressed the Sub-Committee, and presented evidence in mitigation.

The Sub-Committee carefully considered all the evidence at its disposal, and concluded that the Driver was not fit and proper to continue to hold a Private Hire Drivers Licence.

Resolved- That the Private Hire Driver’s (ref 02-16) Licence be revoked.

Purpose of Report	Regulatory/Determination of Application for Street Trading Consent

1. Recommendations

- 1.1 That Licensing Sub Committee determine the Application.
- 1.2 The Sub Committee may:
 - (a) Grant the Application subject to Conditions, variations, or restrictions the Council thinks reasonably necessary; or
 - (b) Refuse the Application.

2. Principles for making decisions

2.1 Context

- 2.1.1 As a quasi-judicial body the Sub Committee is required to consider the application on its merits and must act reasonably and rationally. The Sub Committee can only take into account relevant factors and must ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of the relevant facts, or the likelihood or the unlikelihood of some future event, the occurrence of which would be relevant. The Sub Committee must give fair consideration to the contentions of all persons entitled to make representation to them.
- 2.1.2 The Sub Committee can only consider matters within the application that have been raised through representations.
- 2.1.3 Members should note that the Sub Committee is meeting on this occasion solely to perform the role of licensing authority. As such Members should disregard the Council’s broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the Council’s related policies and guidance.

2.1.4 Members will be aware of the Council's Code of Conduct which requires them to declare interests. The Code applies to Members when considering licensing applications. In addition as a quasi-judicial body, Members are required to avoid both actual bias and the appearance of bias.

2.2 Human Rights & Equality Act Duties

2.2.1 In determining the application the Sub Committee should be aware of and take into account any implications that may arise from the Human Rights Act 1998 and S149 Equality Act 2010. The Act makes it unlawful for a public authority to act in a manner which is incompatible with the European Convention of Human Rights.

2.2.2 When determining the application and considering imposition of conditions the Sub Committee must be satisfied that any decision which interferes with the rights of the applicant or of others only does so insofar as it is necessary to protect the rights of others and that no alternative decisions would be appropriate.

2.2.3 The Sub Committee is specifically referred to the following Convention rights:

- (a) Article 6 (the right to a fair trial);
- (b) Article 8 (the right to respect for private and family life); and
- (c) Article 1 of the First Protocol (the protection of property).

Dear Sir / Madam

Consultation – Application for a Street Trading Consent – Farnham Road - South (Service Road), Slough, SL2 1DE

Slough Borough Council is responsible for the licensing of Street Trading Consents in accordance with Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982.

Where new applications for Street Trading Consents are made, in line with Council policy, it is necessary to consult formally with relevant parties and local residents and or businesses in the vicinity of the proposed area where the trading has been requested to take place.

On July 25th 2016, an application was made for a Street Trading Consent for trading to take place in the service road off Farnham Road, between Farnham Road Post Office and Way to Save, (please see attached map).

The type of trading to be carried out is the sale of hot food, Monday to Saturday between the hours of 19:00 and 23:00, and Sunday 17:00 and 23:00.

Where the proposed trading to take place is to be defined as 'Late Night Refreshment' i.e. hot food and drink between the hours of 11.00 pm and 05.00 am, an application will also have to be made for a Premises Licence under the Licensing Act 2003, which will be subject to a separate statutory consultation.

I would therefore be grateful if you could forward any objections or representations you may have to the application to – **The Licensing Team, Landmark Place, High Street, Slough, SL1 1JL** or by email to licensing@slough.gov.uk, no later than 20 days from the date of this letter quoting the address of the proposed trading site.

If objections or representations are received to the application the matter will be referred to a Licensing Sub Committee for determination with a hearing to take place normally between 4 to 8 weeks from the date of the application being made.

The Licensing Sub Committee is made up of local Councillors who will determine each application on its own individual merits. At the Committee hearing the applicant(s) and objectors will be given the opportunity to put their case forward. The Committee are empowered to grant, refuse or apply any relevant conditions in addition to the **General Conditions** to any licence application put before them.

Yours sincerely,

Mick Sims

Subject: Response to Application for Street Trading Consent

Dear Mick,

We are writing to you in response to the application for Street Trading Consent - Farnham Road South, Service Road, Slough, SL2 1DE.

We strongly object to this application as we are already presently experiencing issues with customers that use the late opening off licenses/ shops on the Farnham Road area. We have seen increased amount of trash around our driveway as well as our personal bins. It is also very noisy at night coupled with drunken behaviour. We feel an additional trading place would only increase these problems for us.

Thank you and kind regards,

Mr M Bashir

Subject: Application for Street Trading - Farnham Road - South (Service Road), Slough, SL2 1DE

Mr. Raj Nagra
[REDACTED]
[REDACTED]

Dear Mr. Sims,

I am writing to voice my objection to the proposed Street Trader licensing in the servicing road off Farnham Road (address shown in heading),

As a resident at [REDACTED] I with my family for the past 30yrs and the closest living resident to the potential trading site, I have witnessed, first hand, the inconvenience a street trader on this site proposes. Please see my objections below:

1) Litter - The litter in the car park on the service road and the surrounding streets became absolutely terrible whilst the previous street trader was there. The litter, discarded food and drink cans from the kebab van compiled with the litter from other fast food outlets in the immediate vicinity was horendous.

The combination of the previous street trader along with Peri Peri Chicken (246 Farnham Rd), Chicken Delight (238 Farnham Rd), Tops Pizza (222 Farnham Rd), KFC (Edinburgh Ave) has culminated in huge amounts of litter in the car park which eventually gets blown into our front gardens and street. This attracts rats from the small rest park opposite and from behind the shops, where refuge is often over flowing from bins.

2) Antisocial behaviour - Over the last few years we have had a continual problem with groups of people with modified cars driving dangerously and loudly in the area. The previous street trader acted as a hub and meeting point for these groups of people along with the adjoining car park, where they would consume food and hot beverages whilst demonstrating their vehicles. The problem has now extended to the car park of KFC (Edinburgh Ave). The continual revving of modified engines, loud exhausts, wheelspins and sound systems has become quite unbearable in both the the KFC and service road car parks. I am sure a briefing with the police will confirm this issue.

3) Noise - The continual noise of the street trader van generator is a particular nuisance. I can only imagine its far worse for the residents living in the residence above the Farnham road Post Office and Way to Save where the proposed site is situated.

4) Smell - the residents of Sheffield Road and the surrounding streets have had to endure the continual smell of the vast number of fast food outlents around the service road. The street trader contributes considerably to this.

5) Access on the service road - Under the previous trader, it became a regular event to see the kebab van pull into the service road and block all access through whilst he waited for the owners of parked cars in his trading spot to arrive and move their vehicles. This would result in a lot of frustration for drivers that would not be able to use the service road whilst the street trader waited to park his kebab van. I have been witness to quite a few road rage incidents due to this.

6) General safety on service road - Over the last few years I have seen the service road and its car park used more and more dangerously. The one way traffic and No Entry sign are continually ignored by the vast majority with no obvious pedestrian walk through. The previous kebab van contributed to the danger by restricting peoples views as they drive around the bend of the service road and also with customers parking on pavements and generally causing congestion whilst they eat in their cars.

I sincerely hope that you will consider the points I have made above and deny the license for the Street Trader License and a potential 'Late Night Refreshment' license. Since the last trader has ceased to operate, we have had a respite from the all the problems highlighted above. I please ask you not to make us to endure it all over again. The highlighted problems have escalated continually as Farnham road and the area changes. Re-issuing a street license will only compound these growing concerns.

If you would like to discuss the issues any further, please feel free to get in contact and I would be happy to give you a guided tour and highlight the problems.

Regards
Raj Nagra

Subject: Response to Street Trading Application-Farnham Road-South (Service Road, Slough. SL2 1DE)

Importance: High
Dear Mick,

I am writing to you in response to the consultation letter sent to us by you dated 29th July 2016 regarding the Application for a Street Trading Consent-Farnham Road-South (Service Road, Slough. SL2 1DE).

We as residents of : Slough have got **serious concerns** on this proposal. We are already experiencing issues with individuals who use the Farnham Road off-licenses/ eateries; they frequently gather on the corner of Sheffield Road/Boston Grove in a **drunk** manner, causing commotion and **urinating openly** as well as throwing their thrash i.e. beer cans and take away boxes in our bins and driveways.

This already occurs at night and having this proposed late night service will only serve to increase the occurrence of these kind of activities and will affect our quality of lives. We have **young children** and this is not the kind of environment we want our children to be exposed to while they are in the "supposed" security of their own home. So we **strongly object** this application.

Feel free to contact me if any further discussion on this is required.

Kind Regards,
Kamran Ahmed

I am not very happy about the proposed application for street trading in farnham road south service road, as we already have enough to put up with the noise of people who drink and eat food at the top of our road as when they have finished they use our road as a rubbish tip just throwing their rubbish down the street and also they seem to think it is a local toilet we have problems with all this noise and disgusting behaviour they seem to think this is a meeting place for one and all police have been called many times about this so surely this would bring more noise than ever people are kept awake many times and i think this would only make the matter worse. so therefore i do not agree with the application.

Street Trading Consent- Farnham Rd –South (Service Rd), Slough SL2 1DE

We, Mr & Mrs Caterini, wish to express our objection to the "Late Night Refreshment" for the above mentioned site as it would degrade the place even more than it is now with walls and pedestrian pavement urinated, rubbish bags, cans, bottles spread everywhere, noises from drunken people, and maybe even fights.

Yours faithfully

Salvatore & Gabriella Caterini
