GENERAL LICENSING ISSUES

This 'General' Licensing Sub-Committee is convening to hear and decide licensing matters other than those arising under the Licensing Act 2003 and Gambling Act 2005. This includes (amongst others) applications for hackney carriage/private hire drivers' licences, hackney carriage/private hire vehicle licences and street trading consents.

Press and Public

You are welcome to attend this meeting which is open to the press and public, as an observer. You will however be asked to leave before the Committee considers any items in the Part II agenda. Please contact the Democratic Services Officer shown above for further details.

The Council allows the filming, recording and photographing at its meetings that are open to the public. By entering the meeting room and using the public seating area, you are consenting to being filmed and to the possible use of those images and sound recordings. Anyone proposing to film, record or take photographs of a meeting is requested to advise the Democratic Services Officer before the start of the meeting. Filming or recording must be overt and persons filming should not move around the meeting room whilst filming nor should they obstruct proceedings or the public from viewing the meeting. The use of flash photography, additional lighting or any non hand held devices, including tripods, will not be allowed unless this has been discussed with the Democratic Services Officer.

PREDETERMINATION/PREDISPOSITION - GUIDANCE

The Council often has to make controversial decisions that affect people adversely and this can place individual members in a difficult position. They are expected to represent the interests of their constituents and political party and have strong views but it is also a well established legal principle that members who make these decisions must not be biased nor must they have pre-determined the outcome of the decision. This is especially so in “quasi judicial” decisions in planning and licensing committees. This Note seeks to provide guidance on what is legally permissible and when members may participate in decisions. It should be read alongside the Code of Conduct.

Predisposition

Predisposition is lawful. Members may have strong views on a proposed decision, and may have expressed those views in public, and still participate in a decision. This will include political views and manifesto commitments. The key issue is that the member ensures that their predisposition does not prevent them from consideration of all the other factors that are relevant to a decision, such as committee reports, supporting documents and the views of objectors. In other words, the member retains an “open mind”.

Section 25 of the Localism Act 2011 confirms this position by providing that a decision will not be unlawful because of an allegation of bias or pre-determination “just because” a member has done anything that would indicate what view they may take in relation to a matter relevant to a decision. However, if a member has done something more than indicate a view on a decision, this may be unlawful bias or predetermination so it is important that advice is sought where this may be the case.

Pre-determination / Bias

Pre-determination and bias are unlawful and can make a decision unlawful. Predetermination means having a “closed mind”. In other words, a member has made his/her mind up on a decision before considering or hearing all the relevant evidence. Bias can also arise from a member’s relationships or interests, as well as their state of mind. The Code of Conduct’s requirement to declare interests and withdraw from meetings prevents most obvious forms of bias, e.g. not deciding your own planning application. However, members may also consider that a “non-pecuniary interest” under the Code also gives rise to a risk of what is called apparent bias. The legal test is: “whether the fair-minded and informed observer, having considered the facts, would conclude that there was a real possibility that the Committee was biased’. A fair minded observer takes an objective and balanced view of the situation but Members who think that they have a relationship or interest that may raise a possibility of bias, should seek advice.

This is a complex area and this note should be read as general guidance only. Members who need advice on individual decisions, should contact the Monitoring Officer.

Licensing Sub Committee: 4th March 2019

Contains Confidential or Exempt Information	NO
Report Title	Application for a Street Trading Consent: Anjum's, The service road o/s 220 Farnham Road.
Responsible Officer(s)	Michael Sims – Licensing Manager, Regulatory Services
Author(s)	Tola Idowu –Licensing Officer, Regulatory Services
Purpose of Report	Regulatory/Determination of Application for a Street Trading Consent

1. RECOMMENDATIONS

- 1.1 That Licensing Sub Committee is asked to determine a new application for a Street Trading made by Mr Sabastine Anjum.
- 1.2 The Sub Committee may:
- (a) Grant the Application subject to the Slough Borough Council Standard Terms and Conditions.
 - (b) Grant the Application subject to the Slough Borough Council Standard Terms and Conditions, and any specific or extra conditions, or restrictions that the Committee consider reasonably necessary to:
 - Maintain public safety.
 - Prevent nuisance and anti-social behaviour.
 - Preserve the amenity of the specific locality.
 - (b) Refuse the Application.

2. PRINCIPLES OF DECISION MAKING

2.1 Context

- 2.1.1 As a quasi-judicial body the Committee is required to consider the application on its merits and must act reasonably and rationally. The Committee can only take into account relevant factors and must ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of the relevant facts, or the likelihood or the unlikelihood of some future event, the occurrence of which would be relevant. The Committee must give fair consideration to the contentions of all persons entitled to make representation to them.
- 2.1.2 The Committee can only consider matters within the application that have been raised through representations.
- 2.1.3 Members should note that the Committee is meeting on this occasion solely to perform the role of licensing authority. As such Members should disregard the Council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the Council's related policies and guidance.

2.1.4 Members will be aware of the Council's Code of Conduct which requires them to declare interests. The Code applies to members when considering licensing applications. In addition as a quasi-judicial body, members are required to avoid both actual bias and the appearance of bias.

2.2 Human Rights & Equality Act Duties

2.2.1 In determining the application the Committee should be aware of and take into account any implications that may arise from the Human Rights Act 1998 and S. 149 Equality Act 2010. The Act makes it unlawful for a public authority to act in a manner which is incompatible with the European Convention of Human Rights.

2.2.2 When determining the application and considering imposition of conditions the Committee must be satisfied that any decision which interferes with the rights of the applicant or of others only does so insofar as it is necessary to protect the rights of others and that no alternative decisions would be appropriate.

2.2.3 The Committee is specifically referred to the following Convention rights:

- (a) Article 6 (the right to a fair trial);
- (b) Article 8 (the right to respect for private and family life); and
- (c) Article 1 of the First Protocol (the protection of property).

3. RELEVANT POLICY AND LEGISLATION CONSIDERATIONS

3.1 Section 7 Schedule 4 (Part 4) of the Local Government (Miscellaneous provisions) Act 1982. (Street Trading Consents)

- (1) An application for a street trading consent or the renewal of such a consent shall be made in writing to the district council.
- (2) Subject to sub-paragraph (3) below, the council may grant a consent if they think fit.
- (3) A street trading consent shall not be granted—
 - (a) to a person under the age of 17 years; or
 - (b) for any trading in a highway to which a control order under section 7 of the Local Government (Miscellaneous Provisions) Act 1976 is in force, other than trading to which the control order does not apply.
- (4) When granting or renewing a street trading consent the council may attach such conditions to it as they consider reasonably necessary.
- (5) Without prejudice to the generality of sub-paragraph (4) above, the conditions that may be attached to a street trading consent by virtue of that sub-paragraph include conditions to prevent—
 - (a) obstruction of the street or danger to persons using it; or
 - (b) nuisance or annoyance (whether to persons using the street or otherwise).
- (6) The council may at any time vary the conditions of a street trading consent.

- (7) Subject to sub-paragraph (8) below, the holder of a street trading consent shall not trade in a consent street from a van or other vehicle or from a stall, barrow or cart.
- (8) The council may include in a street trading consent permission for its holder to trade in a consent street—
 - (a) from a stationary van, cart, barrow or other vehicle; or
 - (b) from a portable stall.
- (9) If they include such a permission, they may make the consent subject to conditions—
 - (a) as to where the holder of the street trading consent may trade by virtue of the permission; and
 - (b) as to the times between which or periods for which he may so trade.
- (10) A street trading consent may be granted for any period not exceeding 12 months but may be revoked at any time.
- (11) The holder of a street trading consent may at any time surrender his consent to the council and it shall then cease to be valid.

- 3.2** In addition, in determining the application the Council must have regard to;
- 1. The nature of the business e.g. product sold.
 - 2. The appearance and suitability of the trading unit.
 - 3. The impact the trading may have on the local area.

Dear Sir / Madam

Consultation – Application for a Street Trading Consent – Farnham Road - South (Service Road), Slough, SL2 1DE

Slough Borough Council is responsible for the licensing of Street Trading Consents in accordance with Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982.

Where new applications for Street Trading Consents are made, in line with Council policy, it is necessary to consult formally with relevant parties and local residents and or businesses in the vicinity of the proposed area where the trading has been requested to take place.

On 14th November 2018, an application was made for a Street Trading Consent for trading to take place in the service road off Farnham Road, outside 222 Farnham Road, (please see attached map).

The type of trading to be carried out is the sale of hot food, Monday to Sunday between the hours of 19:00 and 23:00.

Where the proposed trading to take place is to be defined as 'Late Night Refreshment' i.e. hot food and drink between the hours of 11.00 pm and 05.00 am, an application will also have to be made for a Premises Licence under the Licensing Act 2003, which will be subject to a separate statutory consultation.

I would therefore be grateful if you could forward any objections or representations you may have, in writing, to the application to – **The Licensing Team, Landmark Place, High Street, Slough, SL1 1JL** or by email to licensing@slough.gov.uk, no later than 20 days from the date of this letter quoting the address of the proposed trading site.

If objections or representations are received to the application the matter will be referred to a Licensing Sub Committee for determination with a hearing to take place normally between 4 to 8 weeks from the date of the application being made.

The Licensing Sub Committee is made up of local Councillors who will determine each application on its own individual merits. At the Committee hearing the applicant(s) and objectors will be given the opportunity to put their case forward. The Committee are empowered to grant, refuse or apply any relevant conditions in addition to the **General Conditions** to any licence application put before them.

Yours sincerely,

Mick Sims

Dear Mr Sims

Many thanks for your letter concerning the above application.

I would like to object to this for the following reasons:

- There are already numerous food outlets along the parade where the mobile unit is likely to be placed. There is always a revolting smell in the area and I notice the current food shops do not dispose of their rubbish well. I frequently walk around the back of the shops and am astounded at the rubbish that the vendors store at the back of their premises. It attracts rats - I've seen them! The van, being open, will smell even worse.
- There are already a few shops along the parade that sell alcohol. I do not think it is necessary to have another one (from 11.00 pm - 5.00 selling alcohol), especially as people are not disposing of their bottles/cans in the bins provided. Instead I find them in Boston Grove filled with urine! Also, I believe drinking and driving needs to be discouraged, not encouraged as this van would do.
- The memorial garden across the road from the service area (on the corner of Sheffield Road/Farnham Road) is beautifully kept by the Council - thank you. Unfortunately, people just hang out in it late at night drinking and leaving their rubbish. A food/drink van will just add fuel to the fire. I understand that the garden is there for all to use but I think it's unfair when it is left with rubbish.
- There has been a van in the service area for a while and I notice groups of people hang out outside the van and in the car park right next to it. I believe it makes people feel uncomfortable when they have to walk by. Again, rubbish from the van is left everywhere!

Many thanks for the opportunity to express my concerns regarding this application and should you require further information, please do not hesitate to contact me at any time (details above).

Yours sincerely
Angela Wilga

I object to the application outside 222 farnham road as there have been food trucks there before and people acted stupid. Police had to be called multiple times due to loud music cars racing and revving. The customers would come down the road and go to toilet and throw there food rubbish and alcohol. We could never get to sleep as there was shouting and overall being idiots. If this application goes through we would never get any peace or sleep due to the noise the street would be full of alcohol food rubbish and urine (this has happened before and had rats). My mum and others down the street goes to work at 5am they would not get any sleep if this goes through. The off-licence down farnham road sell alcohol late at night and people sit in the little Park across and get loud and abusive and overall dangerous we finally got some peace when the last food truck went of off business.

Dear Mick,

I am writing to you in response to the consultation letter sent to us by you dated 23rd November 2018 regarding the Application for a Street Trading Consent-Farnham Road-South (Service Road, Slough. SL2 1DE).

We as residents of XX Sheffield Road, Slough have got **serious concerns** on this proposal. We are already experiencing issues with individuals who use the Farnham Road off-licenses/eateries; they frequently gather on the corner of Sheffield Road/Boston Grove in a **drunk** manner, causing commotion and **urinating openly** as well as throwing their thrash i.e. beer cans and take away boxes in our bins and driveways.

This already occurs at night and having this proposed late night service will only serve to increase the occurrence of these kind of activities and will affect our quality of lives. We have **young children** and this is not the kind of environment we want our children to be exposed to while they are in the “supposed” security of their own home. So we **strongly object** this application.

Feel free to contact me if any further discussion on this is required.

Kind Regards,
Kamran Ahmed

As a resident of Boston Grove, I would wish to express complete objection to any such plan for food trade on Farnham road.

I have discussed the matter with other family members who live with us, who also agree that we are subjected to a constant unwelcome smell of takeaway food throughout the day, 11am onwards. There was a kebab van on the proposed site for a number of years and the smell it created was terrible. Also it led to an increase of litter around the area from people not disposing of rubbish responsibly.

There has also been a growing problem of rats in this general area and I daren't say the growing number of food shops has been a major contributing factor.

I sincerely hope we are not subjected to any more food trading ventures around here. Surely there are already enough places to feed the obesity epidemic on Farnham road without more being added.

Kind regards Shazia Khushi
