

# Paper Petition Details

## Parking Restrictions – Cheviot Road and Grampian Way

We the undersigned request that the Council place double yellow lines on the corners of Cheviot Road and Grampian Way for the safety of all residents, also a limit time notice to be placed outside shops as emergency service have problems getting to the bottom of Cheviot Road due to cars being parked outside the shops for long periods of time.

**This petition was passed to the Assistant Director of Transport and Planning on 1<sup>st</sup> October 2010.**

### Council Response

Thank you for your petition for yellow lines on Cheviot Road and Grampian Way to help alleviate inconsiderate parking, and provide better access, visibility and road safety.

We have added your request to our 'Waiting Restriction Request List' which is currently being reviewed. Once the list has been reviewed, detailed designs and costs for the work are put forward to the Parking Team Leader, Head of Transport, Assistant Director of GBE and The Commissioner for Neighbourhoods and Renewal for authorisation.

A formal consultation is then carried out, which involves:

- A public notice being placed in the local paper.
- Street notices erected at the location.
- Consultation Packs including plans and the statement of reasons are displayed at the Town Hall, My Council and Slough Library.
- Letters are hand delivered to all residents directly affected by the proposals.
- Our Statutory Consultees (Emergency Services, Bus Operators, Road Haulage Association, and Ward Councillors etc) are written to.

This consultation process runs for a statutory period of 21 days from the date of the public notice, where representations are invited. After the 21 day consultation period has ended, all representations are considered and a recommendation is made to proceed, omit or re-consult.

We are hoping to go out to formal consultation by the end of this month, November 2010.
