Council Response

Thank you for submitting the petition on behalf of the residents of Burlington Avenue, requesting a reduction in the enforceable hours of the residents permit scheme from Monday-Saturday 8am-7pm to Monday-Saturday 9am-6pm.

We have considered this request and unfortunately will not be taking this request forward. Reducing the enforceable hours on these roads will increase the level of non permit holder parking in the area. This will have a detrimental effect on the number of available spaces for permit holders as parking outside restricted hours is unregulated and can not be enforced by the Council. Historically on surrounding roads we have received complaints of non permit holders parking on the road outside of the enforceable hours, making it difficult for residents to find a parking space, especially in the evenings. Due to the 1 hour free parking allowed during the restricted hours, reducing the enforceable hours to 6pm will mean that non residents can park as early as 5pm, reducing the amount of space available to residents.

I hope you can understand why we have made this decision, and if you require any further information please do not hesitate to contact the Engineer - Parking Development.
