## Re-open Gaveston Road entrance to Lynch Hill School

We would like the authority to take action regarding access to Lynch Hill School, now the school has expanded and take on at least another 180 pupils, Garrard Road alone is not coping with the overspill of vehicles. We ask for access at Gaveston Road be opened to the pupils as there have been several incidents in Garrard Road putting peoples lives at risk. Thank you for your support.

### Council Response

Thank you for the petition regarding re-opening the rear entrance to Lynch Hill Primary Academy.

Unfortunately, Slough Borough Council does not have any influence in how the academy chooses to operate. I do understand that the rear entrance was closed to improve site security, and this was a decision undertaken by the academy and not the Council. I have however forwarded your petition to the Head Teacher at Lynch Hill Primary Academy for her information and will request that a response to your petition is sent out to you.
