Council Response

Thank you for your petition regarding the shortening of the Double Yellow Lines on Coleridge Crescent at its junction with Bath Road.

I have placed your request on our Waiting Restrictions Request List, which is an annual review of similar requests for the introduction/amendment of waiting restrictions throughout the Borough. We anticipate that this review will be undertaken later in the year, where a formal consultation will be carried out before any changes are made. The outcome of the scheme will depend on the results of the formal consultation and recommendations by Council officers. I am sorry I cannot give you an exact date as to when the review will be undertaken as it will depend on the number of requests that we receive and the resources we have available. It has however been programmed on our priority list for this financial.

I hope this information helps and if you require any further information please do not hesitate to contact me.
