

**SLOUGH CANAL – ACTIONS**

OBJECTIVE	ACTIVITIES	OWNER/PARTNERS	OUTCOMES
Physical improvements	Make official LAF recommendation to the Council that it responds to CRT's email about possible enhancements at the Canal Basin interface with Stoke Road – send to	LAF	
	Make suggestions as to changes to the interface. The service entrance for the tiling co. to be shifted north creating a separate entrance allowing safer public access to the basin and towpaths.	LAF	
	Removal of the wooden jetty at Basin.	CRT	
	Widen the narrow towpath on the north side of canal from Basin to housing open space behind Kendal Close flats. Ask CRT to move fence line back and lay new surface.	CRT	
	Clear overgrowth and create new path along north side of the canal bank alongside housing open space behind Kendal Close flats. Ask CRT to dedicate path.	CRT, SBC	
	Remove concrete wall and replace with post and rail fencing to open the area and provide view across the canal. Install public seating. Ask Housing SBC and CRT about replacing wall.	JW/LAF	
	Install new directional signage at the basin and along the canal.	SBC	
	Improve access from Canal towpath to Bowyer Playing Fields.	JW	
Improve access from Nursery Lane to Footpath 46 alongside Rochford Gardens by installing sleeper steps	JW		

	<p>Continue repairs to surface? Or petition Council for sealed surface as CRT aspiration</p> <p>Push CRT for confirmation of dates for dredging in 14/15 – send email to Jon Guest CRT</p> <p>Ask CRT when the accessibility audit they are working on for the Slough Arm will be ready.</p> <p>Share this Space signage</p>	<p>JW</p> <p>JW</p> <p>JW</p> <p>CRT</p>	
<p>Publicity/promotion</p>	<p>Send CRT literature/consultation to all council members lobbying for their support in making improvements to the canal on behalf of the LAF.</p> <p>LAF make response to CRT about their consultation including all the improvements sought - see other responses on Huddle.</p> <p>Send CRT consultation doc to CIC CVP Stewart Pomeroy. Ask if they have been consulted and if they would respond as Canal is within the CVP</p> <p>Produce flyer/leaflet for the Canal festival in Sept 14 to highlight the improvements already made along the canal and those desired. Include; surface repairs, signage, potential for leisure activities, campaigning for CRT to make improvements etc.</p>	<p>LAF</p>	

Gaining partners/support

Ask Bucks CC and South Bucks District Council about coming back into the partnership on the canal. (email/letter to appropriate officers and copied to the Bucks LAF)

Send letter to CIC CVP chairman explaining that the whole arm of the canal is within CVP and urging CIC CVP to re-enter partnership. Copy to SBC
