

Paper Petition Details

Yellow Lines on Talbot Avenue

We the undersigned write in relation to the Langley Road / Talbot Avenue junction. Over the last 3 - 4 years there has been an increasing amount of cars parked on both sides of the road. This has caused many near misses as well actual accidents on this junction. When exiting Talbot Avenue vehicles parked on Langley Road give any driver coming out of Talbot Avenue restricted view again causing many problems.

We request that the appropriate road markings (yellow lines) on both sides be placed to ensure safety for all road users.

This petition was received on 23rd April, 2014.

This petition was passed to the Engineer - Parking Development on 24th April, 2014.

This petition was responded to by the Engineer - Parking Development on 6th May, 2014.

Council Response

Thank you for submitting the petition on behalf of the residents of Talbot Avenue.

I have added the junction of Talbot Avenue and Langley Road onto our waiting list to have double yellow lines implemented at this location. The waiting list is reviewed annually in October, with a formal consultation period planned to take place early in the New Year. If the consultation yields positive results, the scheme will be implemented soon after the end of this consultation.

I hope this information helps, and if you require any further information please do not hesitate to contact me.
