Council Response

Thank you for your petition requesting residents permits on Upton Road.

We can consider introducing resident's permits on Upton Road as part of the upcoming Pavement Parking Scheme, which is currently in the design phase.

Once this has been designed, residents will receive correspondence from Slough Borough Council requesting feedback on the proposed scheme. The Pavement Parking Scheme will be introduced under an experimental order for a maximum of 18 months and we will then review this after 6 months and make a decision on how best to proceed with the final proposal.

Once we have received your response we can then start to design the scheme.
