## Vote of No Confidence

We, the residents, students and workers of Slough, declare a vote of no confidence in Councillor Rob Anderson and Councillor James Swindlehurst. We demand that they both resign from their roles as Leader and Deputy Leader of Slough Borough Council and withdraw from Cabinet with immediate effect.

Slough has experienced unnecessary distress to thousands of commuters, businesses, families, the elderly, disabled and children as a result of poor judgement by the Council. This poor judgement is evident in regards to Transport, Housing, Schooling, Child Social Services, Crimes, Slough Roads, the latest fiascos being Station Road and the Copthorne 'Hamburger' Roundabout, the Wasting of Public Funds and the Deterioration of Leisure facilities, to name a few.

We the residents, students and workers believe that Councillors Anderson and Swindlehurst should be removed from their positions and Cabinet, to allow fresh leadership of the Council and the rebuilding of public trust. We do not require them to be removed as Councillors, but as members of the Executive Body and Leadership of the Council.

By signing this petition we indicate that we no longer have any confidence in the decisions being made by the Leader and Deputy Leader of Slough Borough Council and request that Councillor Anderson and Councillor Swindlehurst stand down from their positions and Cabinet with immediate effect.
