

**Cllr Munawar – Leader**

1. We will work in partnership with you to focus on your needs
2. We will continue to attract inward investment to transform our town
3. We will harness this inward investment to ensure it works for you
4. We will create jobs for Slough people and ensure your future in our town
5. We will maintain and protect frontline services you rely on by doing things differently

**Cllr Ajaib - Housing and Urban Renewal**

1. We will build more council homes for Slough people
2. We will introduce Slough Rent and Slough Living Rent in our properties
3. We will start the regeneration of Slough Town Centre
4. We will make improvements to the council repairs & maintenance service for our tenants and leaseholders
5. We will better regulate the private rented sector

**Cllr Matloob – Transport and Highways**

1. We will make it easier to move around Slough - giving residents a greater say
2. We will improve residents satisfaction of our waste collection service & make it easier to recycle
3. We will work with residents to improve parking across Slough
4. We will support major infrastructure projects such as Heathrow expansion and maximise the benefits they will bring for Slough residents
5. We will repair emergency potholes within 24 hours of them being reported

**Cllr Hussain – Education and Children’s Services & Health and Social Care**

1. Children in Slough will achieve higher than the national average for a good level of development by age 5
2. We will support our residents to take control and responsibility of meeting their health and social care needs
3. Children in care will be well supported and assisted to develop

4. We will increase the number of apprenticeships available to Slough's young people
5. We will create a Slough young persons Education & Skills passport in partnership with employers and educators.

#### **Cllr Sharif – Digital Transformation & Customer Care**

1. We will put residents at the heart of our customer service
2. We will make the Council more accountable to you
3. We will make it easier for residents to contact us – making sure you get through to the right person at the right time
4. We will roll out improved and expanded online services
5. Our 5 values, Empowering, Accountable, Innovative, Responsive and Ambitious, will run as a golden thread through our customer service

#### **Cllr Bal – Environment and Leisure**

1. We will make our parks greener, cleaner and safer
2. We will work to reduce air pollution and our carbon footprint
3. We will improve street cleaning
4. We will open new flagship leisure facilities
5. We will help residents to become more active more often

#### **Cllr Sohal – Regulation and Consumer Protection**

1. We will open our improved cemetery and crematorium
2. We will work with partners to improve safety in our open spaces and neighbourhoods
3. We will work with partners to raise awareness of and reduce domestic violence
4. We will seek to reduce flytipping and incidents of anti social behaviour & take stronger action against offenders
5. We will continue working with the police to consolidate reductions in crime
