

Paper Petition Details

Overgrown Grass Verges Ronaldsay Spur

Weeds overgrown, falling leaves from Autumn never been cleaned / swept away. Leaves just dumped in bushes. Curbs are a disgrace its embarrassing having visitors who comment how unkept our road is. We want to be proud of where we live not embarrassed. I sent an email about this a while ago and had no response. See pictures below.

This petition was received on 5th July, 2017.

This petition was passed to the Neighbourhood Housing Officer on 18th July, 2017.

This petition was responded to by the Neighbourhood Housing Officer on 22nd August, 2017.

Council Response

I am writing to you following our recent conversation and the petition received from the Ronaldsay Spur residents.

It has been agreed that all the parking areas in Ronaldsay Spur, Sumburgh Way, Kirkwall Spur and Lerwick Drive will have the parking areas cleaned by a mechanical road sweeper. This is a one off approach as continual use from this equipment will damage the parking area.

Once the weeds have been removed we will be able to maintain the area to ensure that it does not get into that condition in the future. Our grounds maintenance contractor Amey is going to provide me with quotes for the overgrown bushes and shrubs around the area including the ones that are the tenant's responsibility. I will inform you when work is scheduled to be completed and keep you informed with the method agreed to keep the area maintained in the future.

If you require any further information regarding this matter please do not hesitate to contact me.
