

Paper Petition Details

Parking Restrictions Bradley Road / Stoke Poges Lane

We the undersigned, wish to object to the proposed planned parking restrictions at Bradley Road / Stoke Poges Lane Junction.

The reason for this is that:

- 1) With the cars being able to park here it forces all vehicles to slow down therefore improving road safety
- 2) Accessibility for visitors and customers, helping with Slough's local economy
- 3) Preventing inconsiderate parking, by allowing parking here it stops people parking on Bradley Road, Pool Lane blocking resident's driveways and access. If restrictions are added this will lead to further issues including resident disputes etc.

This petition was received on 29th December, 2017.

This petition was passed to the Team Leader, Parking Services on 2nd January, 2018.

This petition was responded to by the Team Leader, Parking Services on 4th January, 2018.
