Colnbrook already has a large number of licences and public houses in close proximity to this site, and has long suffered from a serious problem with large numbers of street drinkers and the associated nuisance resulting from their anti-social behaviour in the area, such as litter and public urination in the public areas nearby. In recent years, the problem of drunken behaviour has become worse and Thames Valley Police has been called to Brands Hill on numerous occasions.

Any proposals for new licensed establishments that would further compound the current problems in Brands Hill, Colnbrook should be strongly resisted and we do not want one that potentially sells alcohol 24 hours a day 7 days every week in this location.
