

# Paper Petition Details

## **Brammas Close Residents - Against Paying Service Charges**

This is a petition to state that the residents of Brammas Close are refusing to pay the service charge from here on.

The reason for this is because our block of flats are not maintained by the Council at all. The first big issue is that the main door and the back door is broken every other week and despite many calls to the Council, no one can be bothered to come out to fix it. This means anyone can get into the building and cause disruption, which is exactly what has been happening.

We were told that the lights will be cleaned and the floor will be cleaned once a month. In the last 2 years, this has been done about twice. The lights have not been working since the last week. We are paying about £800 a year for the maintenance of the building that is not even taking place.

I am also sending a copy of this to the local councillor of Slough and also the leaseholders, so they are aware of this situation.

**This petition was received on 10<sup>th</sup> October, 2018.**

**This petition was passed to the Acting Leasehold & Right to Buy Manager on 11<sup>th</sup> October, 2018.**
