

LABOUR GROUP AMENDMENT TO CONSERVATIVE GROUP MOTION FULL COUNCIL 27TH NOVEMBER 2018

Conservative Motion

“This Council resolves to address its poor recycling rates with immediate effect by implementing a Waste Strategy that sets out a vision and framework to help:

- Increase its current 26.3% recycling rate to meet a target of 50% by 2020, as set out in the Waste (England and Wales) regulations 2011
- Deliver a cost effective waste collection service
- Deal sustainably with household waste without any recourse to landfill.”

Labour Group Amendment

“This Council resolves to **improve** ~~address its poor~~ recycling rates **in Slough** ~~with immediate effect~~ by **continuing to** implementing a **its’ 2015-30 Municipal Waste Strategy, which goes beyond the governments target to recycle 50% of waste, in committing to recycle 60% of Slough’s waste and this Council recommits to its continue target of sending 0% waste to landfill.”**~~that sets out a vision and framework to help:~~

- ~~Increase its current 26.3% recycling rate to meet a target of 50% by 2020, as set out in the Waste (England and Wales) regulations 2011~~
- ~~Deliver a cost effective waste collection service~~
- ~~Deal sustainably with household waste without any recourse to landfill.”~~

Substantive Motion

“This council resolves to improve recycling rates in Slough by continuing to implement its 2015-2030 Municipal Waste Strategy, which goes beyond the governments target to recycle 50% of waste in committing to recycle 60% of Slough’s waste, and this Council recommits to its continuing target of sending 0% waste to landfill.”
