The Council's Constitution

- 1 Slough Borough Council has agreed a new constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by law, while others are a matter for the Council to choose.
- 2 The Constitution is divided into 17 articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

What's in the Constitution?

- 3 Article 1 of the Constitution commits the Council to provide clear leadership within the local community through involving others in a transparent and accountable process of effective decision-making which will support improvements in the delivery of services. Articles 2 - 17 explain the rights of citizens and how the key parts of the Council operate. These are:
 - Members of the Council (Article 2)
 - Citizens and the Council (Article 3)
 - The Council meeting (Article 4)
 - Chairing the Council (Article 5)
 - Overview and Scrutiny (Article 6)
 - The Executive (Article 7)
 - Regulatory and other committees (Article 8)
 - Audit and Corporate Governance Committee (Article 9)
 - Champions (Article 10)
 - Joint arrangements (Article 11)
 - Officer Roles and Statutory Officer Functions (Article 12)
 - Decision making (Article 13)
 - Finance, contracts and legal matters (Article 14)
 - Review and revision of the Constitution (Article 15)
 - Suspension, interpretation and publication of the Constitution (Article 16)
 - Petitions Scheme (Article 17)

How the Council operates

- 4 The Council is composed of 42 Members. There are 15 Wards in Slough. 13 Wards have three members representing them. These members are elected in thirds for a period of four years. No elections are held in the fourth year. One Ward (Colnbrook with Poyle) has two Members representing it. Members in this Ward are elected in consecutive years to serve for a period of four years. There are no elections in this Ward for the following two years. One Ward (Foxborough) has one Member representing it. The Member in this Ward serves for 4 years. Members are democratically accountable to residents of their ward. The overriding duty of Members is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

- 5 Each Member must give a written undertaking that he will observe the Council's code of conduct for the time being. The Audit and Corporate Governance Committee trains and advises them on the code of conduct.
- 6 Meetings of the Council shall be open to the Public save where exclusion of the public is required or permitted. Here Members decide the Council's overall policies and set the budget each year. The Council appoints the Leader of the Council, the Overview and Scrutiny Committee responsible for holding the Executive publicly accountable, the Regulatory Committees which deal with non-executive functions and the Audit and Corporate Governance Committee. The Leader appoints the Deputy Leader and Executive members who together comprise the Cabinet.

How Decisions are Made

- 7 The Executive is the part of the Council which is responsible for most day-to-day decisions. The Executive is made up of the Leader elected by the Council and no more than nine members appointed by the Leader. When key decisions are to be made or discussed, these will be published in the Executive's forward plan in so far as they can be anticipated. Meetings of the Executive will be held in public. The public will be excluded where confidential information is to be discussed and may be excluded by the resolution of the Executive where exempt information is to be discussed. The public may also be excluded to maintain orderly conduct or prevent misbehaviour. The Executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

Overview and Scrutiny

- 8 There is one Overview and Scrutiny Committee and 3 Scrutiny Panels which support the work of the Executive and the Council as a whole. They allow citizens to have a greater say in Council matters by holding public investigations into matters of local concern. These lead to reports and recommendations which advise the Executive and the Council as a whole on its policies, budget and service delivery. The Overview and Scrutiny Committee and its panels also monitor the decisions of the Executive. They can 'call-in' a decision which has been made by the Executive but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the Executive reconsider the decision. They may also be consulted by the Executive or the Council on forthcoming decisions and the development of policy.

The Council's Staff

- 9 The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A code of practice governs the relationships between officers and members of the Council.

Citizens' Rights

- 10 Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.
- 11 Where members of the public use specific Council services, for example as a parent of a school pupil or as a Council tenant, they have additional rights. These are not covered in this Constitution.
- 12 Citizens have the right to:
- vote at local elections if they are registered;
 - contact their local Member about any matters of concern to them;
 - obtain a copy of the Constitution;
 - attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed;
 - petition to request a referendum on a mayoral form of Executive;
 - participate in the meetings of the Council and contribute to overview and scrutiny investigations according to the Council's scheme;
 - find out, from the Executive's forward plan, what major decisions are to be discussed by the Executive or decided by the Executive or officers, and when;
 - attend meetings of the Executive where key decisions are being discussed or decided;
 - see reports and background papers, and any record of decisions made by the Council and Executive;
 - complain to the Council about any aspect of the services provided by the Council. A leaflet will be provided on request;
 - complain to the Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process;
 - complain to the Monitoring Officer if they have evidence which they think shows that a Member has not followed the Council's Code of Conduct; and
 - inspect the Council's accounts and make their views known to the external auditor.
- 13 The Council welcomes participation by its citizens in its work.

ARTICLE 17 - PETITIONS SCHEME

The Council welcomes petitions and recognises that they are one way in which people can let the Council know of their concerns. This Scheme, made under Section 11 (1) of the Local Democracy, Economic Development and Construction Act 2009, is intended to establish a clear process for how petitions submitted to the Council will be dealt with.

A. INTRODUCTION

- 1 The Scheme was approved by the Council.
- 2 The Scheme covers:
 - What constitutes a petition
 - how people who live, work or study in the Authority's area can organise or sign a petition and secure a statutory response
 - how specific responses can be triggered by achieving prescribed levels of Signatory support
 - *who* will do *what* and to what performance standards
 - how petition organisers can seek a review of the Council's response
 - how the Council will monitor the effectiveness of this Scheme.
- 3 The officer responsible for this Petitions Scheme, and its operation is the Head of Democratic Services whose contact details are as follows: Democratic Services, St Martins Place, 51 Bath Road, Slough SL1 3UF email Catherine.meek@slough.gov.uk

B. WHAT ARE THE GUIDELINES FOR SUBMITTING A PETITION

- 4 Something will be treated as a petition if it is identified as being a petition, or if it seems to the Council, that it is intended to be a petition.
- 5 A valid Petition must:
 - Be initiated by a Petition Organiser whose contact and address details have been supplied to the Council. The Council will not be able to deal with a petition if the Organiser cannot be identified.
 - Relate to the Council's functions or to the economic, social or environmental well-being of the area to which any of the Council's partner authorities could contribute'.
 - Contain a clear and concise statement covering the subject of the petition and should state what action the petitioners wish the Council to take.
 - Include the name, address and signature of any person (including those under the age of 18) supporting the petition.
 - Not be vexatious or abusive.
 - Not be related to matters excluded from the Scheme. These include any matter relating to individual planning or licensing decisions, for which other established processes exist. See paragraph 13 below.
 - Obtain a minimum of 10 valid signatories including verifiable address details that they live (home address), work (business address), or study (place of study address) in the Council area. Where it cannot be verified that a signatory lives, works or studies in the Slough Borough Council area, the entry will not be

- counted towards the total number of signatures
- Not be a duplicate or near-duplicate of a similar petition received or submitted under 6 months ago.

Where a petition is deemed invalid and cannot be accepted, the petition organiser will be informed and provided with the reasons why.

6 Petitions may be submitted to the Authority in the following ways:

- On paper
- Electronically, through the Council's own ePetition facility *
- Electronically by e-mail.

EPetitions submitted through the Council's ePetition website must state the starting and closing date of the petition and that individuals are not permitted to also sign a paper version of the same petition (if any). A paper petition can be run at the same time as an on-line petition but signatories are not permitted to also sign the ePetition (if any). The Council reserves the right to discount a signature which appears on both a paper and an ePetition. The organiser can send the paper petition to the Council at the same time as the closing date for the on-line petition so that the total number of signatures can be counted.

The name of the petition signatory will be displayed on the Council's ePetition website and in a public record of a paper petition. Signatures, email and postal addresses will not be disclosed and are used by the Council only to validate signatures.

C. DATA PROTECTION ACT REQUIREMENTS

The Fair Processing Notice is required by the Data Protection Act legislation. An example of the notice required under the Data Protection Act to be used on each petition is below

“The personal details you have provided within this petition will only be used in connection with the administration of the petition and will only be shared between the petition organiser and Slough Borough Council. Your personal information will not be used for any other purpose other than mentioned. It will be held and stored securely and will be securely destroyed in line with legislative requirements. As with all council held information, petition information will be subject to the provisions of the Freedom of Information Act legislation and may be disclosed to the public if requested. For further information regarding the Data Protection or Freedom of Information Acts, please contact the Council's Information Officer by email to: foi@slough.gov.uk

In the six weeks before an election local authorities cannot publish any material which may support any political party or a point of view which may be associated with any political party.

WHAT WILL THE COUNCIL DO WHEN IT RECEIVES A PETITION

7 The Council will acknowledge Petitions that meet the criteria shown in Paragraph 5 of this Scheme within **10 working days of receipt**.

- 8 The acknowledgement will indicate how the Council proposes to handle the issue, the name of the officer dealing with the petition and, where appropriate, outline what it may be possible for the Authority to do in response. If the Council is able to do what the petition asks for the Petition Organiser will be informed and the petition closed. If the petition has enough signatures to trigger a Council debate or a senior officer giving evidence the acknowledgement will confirm this along with the meeting date and time.

Petition	Signatory Threshold	Action Required
Any Petition above a set threshold will trigger a debate of full Council	1500	Debate at Council meeting
Any Petition above a set threshold which will call a senior council officer to give evidence at a public meeting	750	Senior Officer to attend Overview & Scrutiny Committee to give evidence
'Standard' Petition Any other petition requesting action or response by the Council	10	Acknowledge and respond in accordance with scheme

- 9 It may be inappropriate for the Council to deal with certain petitions during periods when they are subject to restrictions immediately before elections or referendums. In these circumstances the Petition Organiser will be informed of the date when the petition will be considered or when material relating to it will be published on the Council's Website.
- 10 To ensure the Council understands the level of local support for a Petition, it reserves the right to seek to verify each signature appended to a Petition. This can be significant when establishing whether a Petition has obtained the requisite number of signatures to trigger specific processes.
- 11 For any Petition relating specifically to a Council Ward or Wards, the relevant Elected Members will be formally notified and asked for comments.
- 12 The petition will be published on the Council website, except in cases where it would be inappropriate, for example if the petition was considered to be potentially libellous or unlawful. Whenever possible all correspondence relating to the petition (with personal details removed) will be published on the website.
- 13 If the petition applies to a planning or licensing application, is a statutory petition (for example requesting a referendum on having an elected mayor) or on a matter where there is already an existing right of appeal such as council tax banding and non-domestic rates other procedures apply. Further information on these procedures and how you can express your views is set out in the Council's Procedure Rules (No. 11).

D. RESPONDING TO PETITIONS

- 14 The Council's response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:-
- Taking the action requested in the Petition
 - Considering the Petition at a Council Meeting
 - Holding an Inquiry
 - Commissioning relevant research
 - Organising a public meeting
 - Mounting a wider public consultation
 - Meeting with the Petition Organiser or representatives of signatories
 - Providing a written response outlining the Council's views on the subject
 - Referring the issue to the Council's Overview & Scrutiny Committee **OR**
 - Referring the issue to the relevant Committee/Cabinet
 - Consulting statutory partners and local service providers
 - Instigating discussions with the voluntary and community sectors
 - Making representations to Commercial or other Interests
- 15 If your petition is about something over which the council has no direct control (for example the local railway or hospital) the Council will consider making representations on behalf of the community to the relevant body. The council works with a large number of local partners and where possible will work with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with council policy), the Petition Organiser will be advised of the reasons.
- 16 If your petition is about something that a different council is responsible for the Council will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other council, but could involve other steps. In any event the petition organiser will always be notified of the action that has been taken.
- 17 Under normal circumstances, the Council will expect to provide the Petition organiser with a response detailing which of the actions specified above or other initiatives it intends within 28 days of receipt.

E. COUNCIL DEBATE – 1500 SIGNATURES

- 18 If a Petition has, or acquires 1500 valid signatures the issue will be debated at a full Council meeting (i.e. a Meeting to which all elected members are invited). The Council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the next available meeting.
- 19 The Head of Democratic Services, in consultation with the Chief Executive and/or relevant Director will prepare a report detailing the subject of the petition and what action the council and/or partners is being asked to take.
- 20 At such a meeting, the Petition Organiser or someone nominated on his or her behalf will have the right to speak about the petition, normally for up to five minutes; reasonable advance notice will be provided to ensure that any preparation can be undertaken in time.

- 21 The petition will then be discussed by elected members at the meeting for a maximum of 15 minutes. The Mayor has discretion to extend this time taking account of the degree of public interest in the issue, the level of support given to the Petition and the number of elected members wishing to express their views on the subject.
- 22 The Council accepts that it will not normally be sufficient for such a meeting merely to 'take note' of the Petition and that there should be a decision taken as to what other steps (including but not restricted to the actions specified in Paragraph 4) should also be taken as a response.
- 23 Where the issue is one on which the Council's Executive (Cabinet) is required to make the final decision the Council will decide whether to make recommendations to inform that decision.
- 24 The Petition Organiser will be notified of the decision taken at the Council meeting within 5 working days of the meeting.

F. OFFICER EVIDENCE – 750 SIGNATURES

- 25 Petitions may request that a senior Council Officer be required to appear and give evidence on an issue for which he or she is responsible as part of their job. If such a Petition has, or acquires 750 valid signatures, the relevant senior officer will give evidence at a public meeting of the Council's Overview and Scrutiny Committee, though the Council reserves the right to substitute a more appropriate officer for the name referred to in the Petition.
- 26 Officers who may be called to give evidence in this way as a result of a Petition are the Chief Executive and Directors or their nominees. The Overview and Scrutiny Committee may also decide to call the relevant Commissioner to attend the meeting.
- 27 If in the opinion of the Council, an issue raised in a petition seeking to call a Senior Officer to account would be better considered through the attendance of relevant Senior Officers from a Partner Authority, the Council may, at its discretion request that such an individual be invited to give evidence to the Overview and Scrutiny Committee,
- 28 The Petition Organiser will be given reasonable notice of the meeting, and will be able to address the Committee for up to 5 minutes. There is no right to question the officer directly – this would be at the discretion of the Chair. Although able to attend, will not normally be able to participate in the meeting. The meeting Chairperson will normally be prepared to consider suggested lines of questioning from the Petition Organiser or Signatories and these would need to be notified to the Head of Democratic Services up to three working days before the meeting.
- 29 The Head of Democratic Services, in consultation with the Chief Executive and/or relevant Director will prepare a report detailing the subject of the petition. Following the meeting the Committee will prepare a report and/or make recommendations. These will be sent to the Authority Chief Executive and to the Leader of the Council, and a copy sent to the Petition Organiser. Unless the issue raises matters of confidentiality, the Council will normally publish this document on the Council's website.

G. FORMAL RESPONSE

- 30 At the end of the process of considering a Petition, the relevant Director (or nominated officer) will write to the Petition Organiser with a formal response. This communication will normally outline the steps taken by the Council to consider the issue and will refer to the involvement (where applicable) of the Authority's elected members.
- 31 This Formal Response will be despatched within one month of receipt or submission of a Petition if possible but no later than 90 days, and a copy will be published on the Council's website and included in the monthly Significant Decision schedule to Members.

H. REVIEWING THE RESULTS

- 32 If a Petition Organiser is not satisfied with the Council's response to the Petition, he or she may request a Review. Such a request should be made in writing within 28 days of the despatch of the Formal Response to the Petition Organiser and should give a short explanation of the reasons why the Council's response is not considered to be adequate.
- 33 Upon receipt of such a Request the Head of Democratic Services will identify a Reviewing Officer from among Senior Officers at the Council. This Officer will be given wide scope to reconsider whether the Authority should, in all the circumstances take additional steps to respond to the Petition. This will normally include reference to the Overview & Scrutiny Committee which will itself consider the adequacy of the initial response.
- 34 On some occasions, such as where the initial response took the form of the Overview & Scrutiny Committee's taking evidence from a Senior Officer it may be inappropriate for the same Committee to review the issue. The Head of Democratic Services will ensure that a suitable alternative process is followed to engage elected members in reviewing the petition.
- 35 At the end of the process of reviewing the Petition the Council's Chief Executive will formally write to the Petition Organiser to inform him or her of the results of the Review. This communication will normally outline the process followed to establish whether the initial response had been adequate and outline any additional steps taken by the Council as part of the Review. It will also refer to the involvement (where applicable) of the Authority's elected members. The letter will also identify the Reviewing Officer who handled the issue and highlight his or her involvement where appropriate. This Review Response will be despatched within 28 days of receipt or the request for Review and a copy will be published both on the Council website.

I. REPORTING

- 36 The Council will prepare an Annual Summary detailing all petitions submitted under this Scheme, the signatures each attracted, and the Council's response to each. This Report will be presented to the Overview & Scrutiny Committee each year and published on the Council's website. A list of petitions submitted under the Scheme will also be included in the Members' Weekly bulletin.

Section 1 - Guiding Principles

1.1. Introduction

This document sets out how the Council has delegated its executive and non executive powers to officers. Its purpose is to ensure that there are sufficient properly authorised, officers to carry out the Council's business, lawfully and effectively and that everyone: officers, members and the public, knows who they are.

These delegations to officers are the last link in the chain of delegation which begins with the framework described in the Constitution. They must be read in conjunction with the Constitution itself, and in particular the arrangements for discharge of executive and non-executive functions set out in Part 3, and those delegations to Committees, sub Committees and Directors.

This Scheme of Delegation sets out who can carry out the functions: they do not explain how they are to be carried out. The Council has adopted procedures which set out the rules for this. Officers must be familiar with:

- Financial Procedure Rules (Part 4.6 of the Constitution)
- Contract Standing Orders and any Procurement guidelines issued by Service Lead responsible for Procurement
- the Key Decisions Protocol (and the Access to Information Rules in Part 4.2 of the Constitution)
- Human Resources guidance and procedures

All powers within the Scheme of Delegation are to be exercised within approved budgets and all staffing and recruitment delegations take effect subject to approved HR guidelines.

1.2. Structure of the Scheme

Section 2 of the Scheme is the **General Delegations**. These are delegated powers which are common to all parts of the Council and relate to the Finance, Procurement, Human Resources and Property Management functions which support the main work of the Council. For consistency across the Council the General Delegations are delegated to officers at similar levels of authority in the Council's structure – Levels 1 to 4 – as defined in paragraph 2. *Where there are local variations within Directorates these should be recorded within Directorates and approved centrally, in accordance with the 'Change Procedure' in paragraph 1.6.*

Section 3 lists the 'Proper Officers' described in Part 3.6.4 of the Council's Constitution. These are posts which are created by legislation rather than resulting from a chosen structure. The proper officers are listed and cross referenced to officer posts in each directorate. 'Proper Officers' include the 'statutory chief officers' whose roles are set out in Article 13 of the Constitution. Although they retain personal responsibility for how their powers are used, they may delegate some of their duties to other officers.

Section 4 sets out the functions delegated to each Directorate. The way functions are delegated are specific to each service. In most cases delegations are to particular posts or groups of posts, rather than levels of posts. It is important that only officers with the correct technical and professional expertise exercise these very specific powers. [Add link]

1.3. Reserved Matters, deemed delegations and general authorities

The following sections apply to all parts of this Scheme of Officer Delegations, to any consequential delegations made under it and to any other schemes of delegation in force from time to time within the Council.

Matters reserved to the Council, the Executive, and their Committees:

Functions may be specifically reserved to the Council, or a Committee of the Council, or to the Executive of the Council, either under the Articles of the Constitution, or Part 3 of the Constitution (Responsibilities for Functions). Functions may also be reserved under the Scheme of Delegations. These reserved functions may not be carried out by any officer unless they have been specifically delegated to him/her by the person or body holding the reserved power. The only exception is the urgency provision set out in paragraph 1.4 below.

Deemed delegations to officers:

- Any matter not specifically reserved in this way will be deemed to be within the delegated authority of the Chief Executive and the Directors for all purposes which fall within their directorate or budget area or such corporate areas of responsibility to which they may be nominated from time to time.
- The Chief Executive may exercise any delegated function in the absence of a relevant Director or nominate another Director to do so in the Chief Executive's absence.
- London Borough of Harrow Head of Legal shall have authority to commence, defend or settle any legal proceedings as necessary to protect the interests of the Council, whether or not specifically delegated under this scheme.

Extent of Authority:

- The Chief Executive is authorised to discharge any function or power falling within the Chief Executive's directorate. In addition the Chief Executive is authorised to discharge any function or power delegated to any officer in any other directorate in the absence of the relevant Director.
- Proper officers and statutory chief officers are deemed to have all the powers necessary to carry out the functions delegated to them.
- Any Director (or other Level 2 officer) may discharge any function or power falling within his or her directorate or budget area or such corporate areas of responsibility to which they may be nominated from time to time.

- A Service Lead (or other Level 3 officer) may discharge any function or power falling within his or her Service Area(s) unless specifically restricted from so doing by this Scheme.
- A Service Area Head (or other Level 4 officer) may discharge any function or power falling within his or her Service Area, subject to any specific restriction in this Scheme
- A Section Head or Team Leader may discharge any function or power falling within his or her Section or Team, subject to any specific restriction.

1.4. Urgency provisions

The following provisions apply regardless of any specific reservations to Members:

- The Chief Executive has power to act in cases of emergency or urgency to discharge all Council side functions. 'Emergency' or 'Urgency' have the ordinary dictionary meaning of the words and may imply considerations of health and safety, legal and financial risk.
- In the absence of the Chief Executive the Strategic Director nominated to deputise will exercise emergency or urgency powers in the same way.
- Legal Powers. The London Borough of Harrow Head of Legal Practice shall have authority to institute, defend, settle or participate in any legal proceedings in any case where such action is necessary to give effect to decisions of the Council or in any case where the Services Lead - Governance considers that such action is necessary to protect the Council's interests.

1.5. Incidental and ancillary functions, successor legislation, meaning of 'officer'

Incidental functions: any reference to officers being authorised to carry out or perform any functions in the schemes shall be deemed to include the authority to carry out any other functions which are necessary or incidental to, or required to facilitate or be conducive to the performance of the function in question.

Successor legislation: any reference in the Schemes to any legislation or to any Council procedure or rule shall be deemed to include a reference to any successor legislation, procedure or rule as may be introduced or enacted by way of substitution, revision or amendment.

If the Council acquires a new function it may be necessary for a decision to be taken by the Council so that a decision can be taken on any new delegations to officers. However, in the absence of such a decision the Chief Executive or Director with responsibility for the relevant service area shall be deemed to have delegated responsibility to discharge the function for the Authority.

Meaning of officer: subject to any specific restriction in writing, a reference to any officer within this Scheme will include persons 'acting up' into a post, or 'interim' post holders. Such 'acting up' or 'interim' arrangements must be in writing.

Subject to any specific restriction in writing, a reference to any officer within the Schemes will include a person who is deputising (whether on a full, part time or on an absence basis) for that post. Such deputising arrangements should be made in accordance with this Scheme of Delegation and should be authorised in writing unless they arise to meet an emergency, in which case they should be ratified at the earliest opportunity thereafter.

Subject to any specific restriction in writing, a function or power which may be discharged by any officer under the Schemes may also be discharged by a person holding a post which is a successor post to that of the original post under the Scheme, following any reorganisation, restructure, or similar process. However, the Schemes should be amended to reflect the existence of the successor post as soon as practicable.

1.6. Maintenance, Review and Change to the Scheme of Delegations

The Chief Executive and each Director will establish and maintain a scheme of delegation for his/her directorate or budget area which specifies the function; names the post which may carry out that delegated decision, and the limits, if any, on the delegation. The limits on the delegation will include the obligation to consult, record and/or refer back to the Chief Executive or Strategic Director in certain circumstances.

The Head of Democratic Services will specify the format for the scheme of delegation and will maintain the current version of the Council's scheme of officer delegations. A copy will be available on the Council's website.

The Chief Executive will have authority to amend and issue guidance on Directorate Schemes of Delegation.

All Directors will have a duty to establish, review and keep the schemes of delegation up to date. They will review arrangements to ensure knowledge of and compliance with, their Scheme of Delegations, annually, or other prescribed statement of internal control.

The Chief Executive and the Head of Democratic Services are authorised to approve changes to the Scheme of delegation. Requests for changes will be made in writing to the Head of Democratic Services in a format specified by him/her. Requests for changes to the general financial delegations will be referred to the Service Lead Finance for approval. All changes must be approved in accordance with this process for any change to be effective.

5. In allowing filming and recording, the Council asks those recording proceedings do not edit the film / record / photographs in a way that could lead to misinterpretation of the proceedings, or infringe the core values of the Council. This includes refraining from editing an image or views expressed in a way that may ridicule, or show a lack of respect towards those being photographed / filmed / recorded, or misrepresent a Council discussion.
6. Filming or recording must be overt and persons filming should not move around the meeting room whilst filming nor should they obstruct proceedings or the public from viewing the meeting. The Council may adopt operational arrangements to facilitate the effective transaction of business at a meeting by designating certain areas of a meeting room to be available for those who wish to record the meeting; and/or designating certain areas of the meeting room for any members of the public who do not wish to be filmed.

Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

10.3 Meaning of confidential information

Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

2. Information which is likely to reveal the identity of an individual.	

Category	Condition
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)	<p>Information falling within paragraph 3 above is not exempt information by virtue of that paragraph if it is required to be registered under -</p> <ul style="list-style-type: none"> (a) the Companies Act 1985; (b) the Friendly Societies Act 1974; (c) the Friendly Societies Act 1992; (d) the Industrial and Provident Societies Acts 1965 to 1978; (e) the Building Societies Act 1986; or (f) the Charities Act 1993

Information is not exempt information if it relates to proposed development for which the local planning authority may grant itself planning permission pursuant to regulation 3 of the Town and Country Planning General Regulations 1992.

Information which

- (a) falls within any of paragraphs 1 to 7 above; and

- (b) is not prevented from being exempt by virtue of the qualification to paragraph 3 or the above paragraph (proposed development for which the local planning authority may grant itself planning permission),

is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

The Authority must release the information unless *“in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information”*.

The starting point is that there is a general public interest in release and the public authority has to decide whether in any particular case it would serve the interest of the public better to either disclose or withhold the information.

There is no legal definition of what the public interest is, but the following have been identified as some of the relevant considerations:

- There is a distinction between the public interest and what merely interests the public.
- Does it further the understanding of and participation in the public debate of issues of the day?
- Does it promote accountability and transparency by public authorities for decisions taken by them or in the spending of public money?
- Does it allow individuals and companies to understand decision made by public authorities affecting their lives?
- Does it bring to light information affecting public health and public safety?

11. EXCLUSION OF ACCESS BY THE PUBLIC TO REPORTS

11.1 If the Head of Democratic Services thinks fit, the Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked “Not for publication” and the Agenda shall indicate the category of information likely to be disclosed.

11.2 The relevant body is requested in the agenda to confirm the action set out in 11.1 by resolution. Arrangements will be made to recall the press and public immediately should the motion not be passed.

12. APPLICATION OF RULES TO THE EXECUTIVE

Rules 13 – 24 apply to the Executive. If the Executive or its Committees meet to take a key Decision then it must also comply with Rules 1 – 11 unless Rule

15 (General Exception) or Rule 16 (Special Urgency) apply. A key Decision is as defined in Article 14 of this Constitution.

13. PROCEDURE BEFORE TAKING KEY DECISIONS

- (b) at least 28 clear days have elapsed since the publication of the Notification of Decisions; and
- (c) where the decision is to be taken at a meeting of the Executive or its Committees, notice of the meeting has been given in accordance with Rule 4 (Notice of Meetings).

The Notification of Decisions will contain matters which the Leader has reason to believe will be subject of a Key Decision to be taken by the Executive, a Committee of the Executive, officers, or under joint arrangements in the course of the discharge of an executive function during the period covered by the plan. It will describe the following particulars in so far as the information is available or might reasonably be obtained:

- (a) the matter in respect of which a decision is to be made;
- (b) which body will take the decision and that body's membership;
- (c) the date on which, or the period within which, the decision will be taken;

- (f) that other documents relevant to those matters may be submitted;

- (g) the procedure for requesting details of those documents (if any) as they become available.
- (h) An indication if the decision (or part of it) is likely to be taken in the confidential part of the meeting and the reasons why.

Exempt information need not be included and confidential information cannot be included.

15. GENERAL EXCEPTION

If a Notice of Key Decision has not been published in the Notification of Decisions), then subject to Rule 16 (special urgency), the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to publish a Notice of Key Decision;

If there is no Chair of Overview and Scrutiny Committee or he/she is unable to act, then the agreement of the Mayor, or in his/her absence the Deputy Mayor will suffice.
- 16.2 As soon as reasonably practicable after the decision maker has obtained agreement under Rule 16.1 he must make available at St Martins Place and publish on Slough.gov.uk a notice setting out the reasons that the decision is urgent and cannot reasonably be deferred.

The Committee/Panel may require the Executive to submit a report to the Council within such reasonable time as the Committee specifies. The power to require a report rests with the Committee, but is also delegated to the Head of Democratic Services, who shall require such a report on behalf of the Committee when so requested in writing by the Chair or any 5 Members of the Committee. However, if the next meeting of the Council is within 7 days of receipt of the written notice, or the resolution of the committee, then the report may be submitted to the meeting after that. The reasons why it is considered impracticable to convene a quorate meeting of full Council, and the Chair of the relevant Overview and Scrutiny Committee/Panel's consent to the decision being taken as a matter of urgency, must be noted on the record of the decision. In the absence of the Chair of the Overview and Scrutiny Committee the consent of the Mayor, and in the absence of both, the Deputy Mayor, will be sufficient.

- (b) In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or the Section 151 officer's report shall be submitted to the Cabinet with a copy to every Member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Section 151 officer conclude that the decision was a departure, and to the Overview and Scrutiny Committee if the Monitoring Officer or the Section 151 officer conclude that the decision was not a departure.
- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Section 151 officer is that the decision is or would be contrary to the Policy Framework or contrary to or not wholly in accordance with the budget, the Overview and Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within not less than 8 and not more than 15 working days of the request by the Overview and Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Section 151 officer. The Council may either:

 - (ii) amend the Council's Financial Procedure Rules or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Members, or
 - (iii) where the Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the executive decision maker to reconsider the matter in accordance with the advice of the officers.

12.3 The Overview and Scrutiny Committee and Scrutiny Panels shall also respond, as soon as their work programme permits, to requests from the Council and/or the Cabinet to review particular areas of Council activity. Where they do so, the Committee/Panel shall report their findings and any recommendations back to the Cabinet and/or Council.

12.4 In finalising agendas for individual meetings of the Overview and Scrutiny Committee/Scrutiny Panels, the Scrutiny Officer shall liaise with the Chair on the

Committee/Panel's proposed agenda, before confirming with the Strategic Directors and Head of Democratic Services.

13. RIGHTS OF THE OVERVIEW AND SCRUTINY COMMITTEE AND SCRUTINY PANEL MEMBERS TO DOCUMENTS

- 13.1 In addition to their rights as Councillors, Members of the Overview and Scrutiny Committee and the Scrutiny Panels have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Part 4 of this Constitution.
- 13.2 Nothing in this paragraph prevents more detailed liaison between the Cabinet and the Overview and Scrutiny Committee or Scrutiny Panels, as appropriate, depending on the particular matter under consideration.
- 13.3 In addition to the Overview and Scrutiny Committee/Scrutiny Panel's rights to access documents, Members of the Cabinet/officers exercising delegated authority shall have the right to submit a report on any matter for which they are responsible and which is being considered by the Overview and Scrutiny Committee/Scrutiny Panel, and this must be taken into consideration when reaching any conclusion on the matter.
- 13.4 Officers shall ensure that all relevant information is provided to the Committee/Panel in a timely manner so that full and proper consideration can be given to the matter(s) before it.

14. MEMBERS AND OFFICERS GIVING ACCOUNT

14.1 The Overview and Scrutiny Committee or Scrutiny Panel may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the Scrutiny role, it may require any member of the Cabinet, the Chief Executive and/or any senior officer to attend before it to explain in relation to matters within their remit:

- any particular decision or series of decisions;
- the extent to which the actions taken implement Council policy; and/or
- their performance

and it is the duty of those persons to attend if so required.

- 14.2 Where any member or officer is required to attend the Overview and Scrutiny Committee or any of the Scrutiny Panels under this provision, the Scrutiny Officer (under instruction from the Chair) shall inform them giving at least 7 working days notice of the meeting at which he or she is required to attend (unless agreed otherwise). Any notice will state the nature of the item on which he or she is required to attend to give account and whether any papers are required to be produced for the Committee.
- 14.3 Where the account to be given to the Overview and Scrutiny Committee or Scrutiny Panel will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- 14.4 Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the Overview and Scrutiny Committee or Scrutiny Panel shall in consultation with the member or officer arrange an alternative date for attendance.

14.5 That the relevant Director(s) and/or Service Lead (s) be allocated a ten minute slot at the beginning of each meeting to answer specific queries or questions being raised by members of the committee/ Panel that relate to pertinent, topical issues affecting their directorate, the panel and the local area. Questions should be submitted to the relevant Democratic Services Officer at least 24 hours in advance of the meeting.

15. **ATTENDANCE BY OTHERS**

15.1 The Overview and Scrutiny Committee or Scrutiny Panels may invite people other than those people referred to in section 14 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

16. **CALL-IN – CABINET DECISIONS**

16.1 The Overview and Scrutiny Committee has the power to call in any decision made by the Cabinet, but not yet implemented. This is a power which should only be used in exceptional circumstances and cannot be used in respect of day-to-day management and operational decisions.

16.2 It is important that the call-in process is not abused, nor causes unreasonable delay; the main tool of Overview and Scrutiny is to improve delivery of policies and services through detailed Reviews, rather than call-ins.

16.3 A decision can be called-in when Members:

- Believe it may be contrary to the normal requirements for decision making.
- Believe it may be contrary to the Council's agreed policy framework and/or budget.
- Need further information from the decision-taker to explain why it was taken.

16.4 Every Cabinet decision which is subject to call-in cannot be implemented until the end of the call-in period. The call-in period lasts for 5 working days after the publication of the decision. Notice of the decision shall be published within 2 working days of being made, and copies of the decisions will be sent to all Overview and Scrutiny Members.

16.5 The notice of decision will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless the decision is called in under the provisions set out below.

16.6 Within the call-in period a collective of three elected Members of the Authority may sign a notice requesting that the decision is called in and submit the notice to the Statutory Scrutiny Officer and Head of Democratic Services. The notice should give reasons for the request for call-in, having regard to the principles of decision making set out in Article 12 of this Constitution. Requests may also be submitted by email, and in this case, only one Member need submit the actual form, but individual emails in support of the request must be submitted by the other two members specified on the form before the end of the call-in period. A form setting out the information required when submitting a call-in is available from the Scrutiny Office.

16.7 On receipt of the notice of call-in the Statutory Scrutiny Officer will, as soon as possible, seek the views of the Chair or in their absence, the Vice-Chair of the Overview and Scrutiny Committee as to the reasonableness of the request. In

considering whether the request is reasonable, the Chair (or Vice Chair in the Chair's absence) will consider whether a case has been made for calling in the decision.

- 16.8 If it is considered that the request is unreasonable the call-in will be rejected. The Statutory Scrutiny Officer will submit a report to the next available meeting of the Overview and Scrutiny Committee giving details of the request and Chair's/Vice-Chair's reasons for refusing it.
- 16.9 If it is considered that the request for call-in is reasonable, the Statutory Scrutiny Officer will add the call-in to the agenda for the next Overview and Scrutiny Committee, after consulting the Chair of the Committee. The call-in must be considered and resolved by the Overview and Scrutiny Committee within one month of the Notice of Decision being published. The Overview and Scrutiny Committee may call a joint committee meeting with any of the Scrutiny Panels should the call-in relate to a specific area of responsibility for a particular Panel.

17. CALL-IN – OFFICER SIGNIFICANT/KEY DECISIONS

- 17.1 The Overview and Scrutiny Committee has the power to call-in significant/key decisions made under delegated authority by officers. The purpose is to consider whether to recommend that a decision be reviewed by the Cabinet. This is a power which should only be used in exceptional circumstances and cannot be used in respect of day-to-day management and operational decisions.
- 17.2 A schedule of significant decisions taken by officers will be circulated to all Members on a monthly basis. Details of the Schedule of Significant Officer Decisions can be found in Part 4.2 Access to Information Procedure Rules (para 18.2) of this Constitution.
- 17.3 The schedule will bear the date on which it is published and will specify when the decision came into force, and was implemented, and may be called in within 5 working days of publication of the decision under the provisions set out below. Implementation of a significant decision by an officer is not be halted by a call-in and the decision is subject to post-decision scrutiny.
- 17.4 Within the call-in period a collective of three elected Members of the Authority may sign a notice requesting that the decision is called in and submit the notice to the Statutory Scrutiny Officer and Head of Democratic Services. The notice should give reasons for the request for call-in, having regard to the principles of decision making set out in Article 12 of this Constitution. Requests may also be submitted by email, and in this case, only one Member need submit the actual form, but individual emails in support of the request must be submitted by the other two members specified on the form before the end of the call-in period. A form setting out the information required when submitting a call-in is available from the Scrutiny Office.
- 17.5 The notice of call-in shall be dealt with the as with a call-in of a Cabinet decision.

18. CALL-IN – ACTIONS OVERVIEW AND SCRUTINY CAN TAKE

- 18.1 Where the Overview and Scrutiny Committee considers a call-in request, the format of the meeting will be as follows:-
- after the Chair opens the meeting the members who asked for the decision to be called-in will be asked to explain their reasons for the request and what they feel should be reviewed;

- on matters of relevance to a particular electoral ward, ward members who are not signatories to a call-in have the opportunity to make comments on the call-in at the meeting, such speeches not to exceed five minutes each. Ward members will take no further part in the discussion or vote. Ward members must register their request to speak by contacting the Scrutiny Officer by 12 noon on the day prior to the relevant meeting;
- the relevant portfolio holder (or holders if more than one is relevant) will then be invited to make any comments;
- the relevant Director or his/her representative will advise the Committee on the background and context of the decision and its importance to achieving Service priorities;
- Committee members will ask questions of members and officers in attendance (note: the call-in proposers would not be able to take part in the Committee's deliberations of the call-in);
- the portfolio holder(s) will be invited to make any final comments on the matter.

18.2 The Overview and Scrutiny Committee, after considering the evidence presented to the meeting, will make one of the following decisions:

- Agree to take no further action on the request (reason for that decision to be recorded in the minutes and Members are advised).
- Make alternative recommendations to the Cabinet or Council (if applicable).
- Make representations/views known to the Cabinet or Council (if applicable) in respect of decision taken and implemented within Cabinet or Officer delegated powers.

19. **RESPONSE/ACTION THAT CAN BE TAKEN BY CABINET OR OTHER APPROPRIATE COMMITTEE ON RECEIPT OF VIEWS OF THE OVERVIEW AND SCRUTINY COMMITTEE/PANEL**

19.1 The Cabinet can:

- Agree with and implement the Overview and Scrutiny Committee's alternative recommendations (if implementation of a decision has been delayed).
- Endorse its original decision in its entirety or partially amend it and implement it forthwith (if the matter is within the Policy and Financial Framework).
- Refer the matter to Council for determination (if not a solely executive matter).
- Forward comments on the views received to the Council where the matter is one outside the Policy and Financial Framework or reserved to the Council under the Constitution.
- Agree/amend/take no action on the Overview and Scrutiny Committee's/Panel's recommendations on a review initiated by that Committee/Panel.
- Agree action to be taken with regard to an officer delegated decision.

20. **EXCEPTIONS**

20.1 In order to ensure that call-in is not abused, nor causes unreasonable delay, certain limitations are to be placed on its use. These are:

- that no decision considered and determined by the Overview and Scrutiny Committee or Scrutiny Panel within the preceding 6 months shall be subject to call-in;
- that call-in can be invoked in respect of any one decision only once;
- that call-in will not apply to day-to-day management and operational decisions taken by Officers; and
- where the decision is taken by the Cabinet as urgent, this will only be subject to post-decision scrutiny.

21. **URGENCY**

21.1 A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests.

21.2 The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision maker, the decision is an urgent one, and therefore not subject to call-in.

22. **POLICY REVIEW AND DEVELOPMENT**

22.1 The role of the Overview and Scrutiny Committee in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules.

22.2 In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, the Overview and Scrutiny Committee or Scrutiny Panels may make proposals to the Cabinet for developments in so far as they relate to matters within their terms of reference.

22.3 The Overview and Scrutiny Committee and Scrutiny Panels may hold enquiries and investigate the available options for future direction in policy development. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

23. **REPORTS FROM THE OVERVIEW AND SCRUTINY COMMITTEE AND SCRUTINY PANELS**

23.1 The Overview and Scrutiny Committee and Scrutiny Panels may submit formal reports to the Cabinet or the Council detailing the findings of its investigations into any matter.

23.2 Once it has formed recommendations on proposals for development, the Overview and Scrutiny Committee or Scrutiny Panel will prepare a formal report and submit it to the Head of Democratic Services for consideration by the Cabinet (if the proposals are consistent with the existing Budget and Policy Framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to

the agreed Budget and Policy Framework) and having regard to the allocation of responsibilities for functions between the Council and the Executive as set out in Part 3 of this Constitution..

23.3 If the Overview and Scrutiny Committee or Scrutiny Panel cannot agree on one single final report to the Council or Cabinet as appropriate, one minority report may be prepared and submitted for consideration by the Council or Cabinet with the majority report.

23.4 The Council or Cabinet shall consider the report of the Overview and Scrutiny Committee or Scrutiny Panel within one month of it being submitted to the Head of Democratic Services.

24. CONSIDERATION OF OVERVIEW AND SCRUTINY REPORTS BY THE CABINET

24.1 The agenda for Cabinet meetings shall include a standing item entitled 'References from Overview and Scrutiny'. The reports of the Overview and Scrutiny Committee and Scrutiny Panels referred to the Cabinet shall be included at this point in the agenda (unless they have been considered in the context of the Cabinet deliberations on a substantive item on the agenda) as soon as practicable. Where an item is not considered by the Cabinet within two months, the Cabinet will give an explanation of the reasons to the Chair of the relevant Overview and Scrutiny Committee or Scrutiny Panel as soon as practicable.

24.2 The Overview and Scrutiny Committee and the Scrutiny Panels will have access to the Cabinet's Notification of Decisions and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from the Overview and Scrutiny Committee following a consideration of possible policy/service developments, it will be able to respond in the course of the Cabinet's consultation process in relation to any key decision.

25. THE PARTY WHIP

25.1 If a member of the Overview and Scrutiny Committee or Scrutiny Panels is subject to a party whip in respect of an issue to be considered by it, that member must declare the existence of the whip and the nature of it before the commencement of deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

26. MATTERS WITHIN THE REMIT OF MORE THAN ONE SCRUTINY COMMITTEE

26.1 Where a matter for consideration by the Overview and Scrutiny Committee or one of the Scrutiny Panels also falls within the remit of one or more other committee/panels, the decision as to which committee/panel will consider it will be resolved by the respective Chairs.

27. COUNCILLOR CALL FOR ACTION

27.1 The Councillor Call for Action is a mechanism for enabling elected Members to bring matters of local concern to the attention of the Council, via the Scrutiny process.

27.2 Any Member may request that an item is placed on the agenda of the Overview and Scrutiny Committee for consideration. The Member making that request does not have to be a member of the Overview and Scrutiny Committee or any of the Scrutiny Panels.

27.3 The Call for Action should be an option of “last resort”. In considering whether to refer to a matter in accordance with these provisions, Members must have regard to relevant guidance issued by the Secretary of State. A Call for Action will only be included on the Overview and Scrutiny Committee agenda if the Chair, in consultation with the Monitoring Officer, is satisfied that:

- the Member has made all reasonable efforts to resolve the matter via direct liaison with council officers and/or relevant partners;
- the issue of concern is a matter in respect of which the Council has a statutory power or duty and is not precluded by adopted Council policy or legislation; and
- the issue of concern has a demonstrable impact on a part or the whole of the Member’s electoral ward.

and accordingly information to support the above matters should accompany the Call for Action request.

27.4 A Call for Action cannot, in any event, relate to:

- a planning decision;
- a licensing decision;
- any matter concerning an individual or entity in respect of which that individual or entity has a right of recourse to a review or right of appeal conferred by or under any enactment;
- any matter which is vexatious, discriminatory or not reasonable to be included in the agenda for, or to be discussed at, a meeting of the Overview and Scrutiny Committee; or
- any matter which is a local crime and disorder matter for the purposes of Section 19 of the Police and Justice Act 2006.

27.5 If the Chair rejects the Call for Action the Member who made the request shall be provided with reasons for the decision.

27.6 A valid Call for Action will be considered at the next ordinary meeting of the Overview and Scrutiny Committee or at a special meeting of the Committee within 14 days of validation whichever is the sooner. The Committee may either decide to consider the matter itself or refer it to the appropriate Scrutiny Panel.

27.7 The subject matter of the Call for Action will be the subject of a report from the relevant Director, with such supporting information and evidence as is reasonably available. If the matter also or exclusively entails consideration of information held by another public body or partner, an appropriate representative shall be invited to the Overview and Scrutiny Committee or Scrutiny Panel meeting to provide that information, make representations and answer questions.

27.8 The Call for Action will be considered by the Overview and Scrutiny Committee or Scrutiny Panel in public session unless consideration of the issues involves the disclosure of exempt or confidential information as defined by the Access to Information Procedure Rules of the Constitution.

27.9 The Member who referred the matter under sub-paragraph 27.2 above may address the Overview and Scrutiny Committee or Scrutiny Panel in respect of the Call for Action for up to 10 minutes.

27.10 The Overview and Scrutiny Committee or Scrutiny Panel may also consider representations from any residents of the electoral ward affected by the Call for Action, subject to the discretion of the Chair.

27.11 If the Call for Action concerns issues that fall within the remit of the Cabinet, the relevant Cabinet Portfolio Member shall also attend the Overview and Scrutiny Committee or Scrutiny Panel to answer questions and make any representations.

28. REPORTS AND RECOMMENDATIONS ON CALLS FOR ACTION

28.1 Where the Overview and Scrutiny Committee or any of the Scrutiny Panels makes a report or recommendations to the Council or the Cabinet as a result of a reference under paragraph 23.1 above, the Overview and Scrutiny Committee or Scrutiny Panels may publish the report, subject to the provisions of Part 5 of the Local Government Act 2000 ("the 2000 Act") in relation to confidential or exempt information.

28.2 The Overview and Scrutiny Committee or Scrutiny Panel will, by notice in writing to the Head of Democratic Services, require the Council or Cabinet:

- to consider the report or recommendations;
- to respond to the Overview and Scrutiny Committee or Scrutiny Panel indicating what, if any action the Council or Cabinet proposes to take;
- if the Overview and Scrutiny Committee or Scrutiny Panel has published the report or recommendations, to publish the response, subject to the provisions of Part 5 of the 2000 Act relating to confidential or exempt information;
- if the Overview and Scrutiny Committee or Scrutiny Panel provided a copy of its report or recommendations to the Member who referred the matter to the Board, to provide that Member with a copy of the response, subject to the provisions of Part 5 of the 2000 Act in relation to confidential or exempt information;

and to do so within two months of the date when the Council or Cabinet received the report or recommendations or (if later) the date when the Head of Democratic Services received the notice.

29. SCRUTINY OF CRIME AND DISORDER MATTERS

29.1 The Neighbourhood and Community Services Scrutiny Panel is designated as the Council's Crime and Disorder Committee (in accordance with section 19 of the Police and Justice Act 2006) with responsibility for scrutinising crime and disorder and community safety matters.

29.2 Any Member of the Council may give notice to the Scrutiny Officer that he/she wishes an item which he/she considers to be a crime and disorder matter to be included on the agenda for discussion at the Neighbourhood and Community Services Scrutiny Panel.

29.3 The procedure for dealing with such requests shall be the same as those for any request for an item to be added to the Panel's work programme, detailed in paragraph 12.1.

29.4 Sub-paragraphs 29.2 to 29.3 above shall apply to the consideration of a crime and disorder matter by the Neighbourhood and Community Services Scrutiny Panel as they apply to the consideration of a Call for Action by the Overview and Scrutiny Committee or relevant Scrutiny Panel.

29.5 If the Neighbourhood and Community Services Scrutiny Panel decides not to make a report or recommendation to the Council in relation to the crime and disorder matter, it must notify the Member who referred the matter of its decision and the reasons for it.

29.6 Where the Panel makes a report or recommendations to the Council it must:

- provide a copy of the report or recommendations to the Member who referred the matter to the Committee and
- provide a copy of the report or recommendations to such of:
 - (a) the responsible authorities (within the meaning of Section 5 of the Crime and Disorder Act 1998); and
 - (b) the co-operating persons and bodies (i.e. those persons and bodies with which the responsible authorities have a duty to co-operate under Section 5(2) of the Crime and Disorder Act 1998);

as it thinks appropriate.

29.7 Where the Panel makes a report or recommendations to the Council or provides a copy of a report or recommendations under sub-paragraph 29.6 above, the Panel must notify the Council, body or person to whom it makes or provides a copy of the report or recommendations that the Council, body or person must:

- consider the report or recommendations;
- respond to the Panel indicating what (if any) action it proposes to take;
- have regard to the report or recommendations in exercising its functions.

29.8 For the purpose of carrying out its functions under the Crime and Disorder (Overview and Scrutiny) Regulations, 2009, the Panel will meet to review or scrutinise decisions made, or other action taken, in connection with the discharge by the responsible authorities of the crime and disorder functions, no less than once in every 12 month period.

29.9 Where the Panel makes a report or recommendations to a responsible authority or to a co-operating person or body in accordance with section 19(8)(b) of the Police and Justice Act, 2006, the Panel shall review the responses received and monitor the action (if any) taken by the relevant authority, person or body in accordance with its powers under section 19(1) of the 2006 Act.

These Financial Procedure Rules are controlled by the Cabinet and are subject to any overriding or general direction by the Council.
- 1.2 These Rules shall apply to any service carried out by or on behalf of the Council, except where expressly approved by the Council, in any delegation or agency scheme, agreement or other document made with any other authority, body or person.

- (a) all Members and Officers are aware of their existence and understand that failure to comply with their requirements or with instructions issued under them will constitute misconduct;
 - (b) all details of amendments and instructions issued under these Rules are circulated promptly;
- 1.4 It shall be the duty of each Director to ensure that these Rules together with any other instructions issued by the Section 151 Officer are brought to the attention of and followed by their Directorate employees.

2. GENERAL

3. DEFINITION OF TERMS & RESPONSIBILITIES

The Director of Finance & Resources fulfils the statutory responsibilities of the "Chief Finance Officer" and shall, for the purposes of Section 151 of the Local Government Act 1972, under the general direction of the Cabinet, be responsible for the proper administration of the Council's financial affairs. It includes the identification of need, consideration of options and the actual procurement procedures to obtain Value for Money. The principles of non-discrimination, equal treatment, transparency and proportionality apply to all public contracts.
- 16.2 These Contract Procedure Rules in conjunction with the Procurement Operating Procedures (POP), which are the separate operational guidance for procurement, provide the corporate framework for the procurement of all supplies, services and works for the council and the subsequent management and review of contracts. The rules are designed to ensure that all procurement activity is conducted in line with the principles of good public procurement.

Application of Contract Procedure Rules

- 16.3 These Rules apply to purchases by or on behalf of the Council of works, supplies (goods) and services.
- 16.4 These Rules apply to all contracts including purchase orders, consultancy agreements, concessions and contractual arrangements commissioned or entered into by or on behalf of the Council, except for the specific types of contracts and purchasing methods which are expressly excluded under the Public Contracts Regulations 2015 and the Concession Contracts Regulations 2016.
- 16.5 These Rules are made in accordance with the requirements of Section 135 of the Local Government Act 1972.
- 16.6 These Rules do not provide guidelines on what is the best way to purchase works, supplies (goods) and services and they seek to set out the minimum requirements to be followed. Further information and guidelines are set out in the Council's POP that can be accessed through the Council's SBCinsiteⁱ and should be read in conjunction with this document.
- 16.7 In the event where a Governing Body of a Community School, intends to enter into a contract for works, supply of goods or services the Head teacher or such persons as delegated by them must follow these Contract Procedure Rules and consult with the London Borough of Harrow Head of Legal Practice over the form and content of the contract proposed to be entered into.

A Director will act in the place of the Chief Executive if they are unavailable.

- 16.14 In addition, where specific statutory procedures are prescribed for certain types of procurement or contract, then these procedures must be followed at all times. In any case where the Council approves, through a resolution of its Cabinet, to have separate procedure rules for particular types of contract, then such rules (which must be prepared in consultation with the Chief Executive and the Director and Legal Services) will apply but will be subject to compliance with the EU regulations where appropriate.

Tendering - Submission and Opening of Tenders

- 16.34 An electronic “Invitation to Tender” shall be issued by the Council through the e-tendering portal for all contracts over £49,999 and tenders shall be submitted electronically in accordance with the requirements of the Invitation to Tender.

16.35 Where the tender is expected to have a value in excess of £49,999, it is submitted using the Council's e-tendering Portal, the acceptance, opening and evaluation of formal tenders will be carefully controlled through a secure electronic tendering system and will ensure fairness to all bidders. The opening process is managed within the Contracts, Commissioning & Procurement team.

Tendering – Evaluations of Quotes and Tenders

16.36 All quotes and tenders shall be evaluated in accordance with the selection and award criteria notified in advance to those submitting quotes/tenders.

16.37 Tenders subject to the EU Rules shall be evaluated in accordance with the EU Rules. Reference to the Procurement Operating Procedure and advice from Corporate Procurement Services should be sought on the selection and award criteria.

16.38 Tenders must be accepted and evaluated on the basis of "most economically advantageous" tender.

16.39 Where on examination a tender or quotation reveals mathematical errors which affect the tendered or quoted figure in an otherwise successful submission, the sender shall be supplied with the detail of such errors and given the opportunity of confirming or withdrawing the tender or quotation in writing within 7 working days unless otherwise agreed by the Head of Procurement and the Service Lead Governance. If withdrawn, the next submission in competitive order shall be considered and as necessary dealt with in a similar manner.

16.40 For clarity, whole-life costs should be assessed when determining the most economically advantageous tender. In the case of capital works this includes taking into account the revenue impact of capital projects over a reasonable life for the asset (for example a slight increase in capital cost, such as energy management features, will reduce running costs).

16.41 In the case of PFI projects, financial evaluation and acceptance will be on the basis of the agreed financial model and all other relevant documents used during the process to determine the most economically advantageous tender.

16.42 In the event that two or more tenders or quotations provide the same level of quality at the same quoted cost, Best and Final Offers (BAFO) may be sought to determine the successful bid if they are relevant to the contract. Corporate procurement should be contacted prior to issuing a BAFO.

16.43 Evaluation of tenders and quotations must be based on whole life costs, or total cost of ownership, including environmental, social and economic benefits where relevant to the contract. This should be undertaken in accordance with the Procurement Operating Procedure and associated toolkits.

Tendering - Exceptions

16.44 In the case of the circumstances below, procurement may be deemed to be an exception if proposed by the service Director and approved by the Procurement Review Board (PRB). The relevant paragraph should be quoted when seeking the approval.

- (a) Contracts valued at less than £50,000 for non-Schedule 3 services and £589,148 for those included in Schedule 3 of the Public Contract Regulations 2015.
- (b) Contracts formalising the grant funding of voluntary sector bodies, where the purpose of the contract is to establish the general conditions of grants by the Council.
- (c) For the extension, addition to or maintenance of existing buildings, works, plant or equipment where this can only be done satisfactorily by the original contractor/supplier.
- (d) When carrying out security works where the publication of documents in the tendering process could prejudice the security of the work to be done.
- (e) Where the contract is on behalf of another local authority for which the Council is acting as agent and is so instructed in writing by the principal.
- (f) For the supply of goods required in respect of a contract from another local authority.
- (g) For the performance of work or provision of services where effective competition is prevented by the specialist nature of the work.
- (h) Where goods and services are to be procured by another Local Authority or public body which is acting on behalf of the Council provided the Service Lead Governance has confirmed that the procurement is in line with the Public Contracts Regulations 2015 if applicable.
- (i) In accordance with Regulation 32(2)(c) of the Public Contracts Regulations 2015, insofar as is strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with, and Regulation 32(4) which states that the circumstances invoked to justify extreme urgency must not in any event be attributable to the contracting authority.
- (j) Where the Procurement Review Board agree that selective or competitive Tendering, or use of electronic tendering, is not appropriate, and the procurement remains compliant with the Public Contract Regulations 2015

16.45 Approval of exceptions by PRB is not required in the following circumstances

- (a) Authorisations for call-off from internally managed Frameworks and Dynamic Purchasing Systems, where approval of their use of has been agreed by PRB, and their use is in accordance with the defined call off arrangements and Rules 16.58 – 16.64 within this document.
- (b) Where urgent steps are necessary for the protection of life, property or to comply with statutory requirements subject to the Chief Executive and Service Lead Governance approval.
- (c) Before a contract is to be completed at auction the limit of authority of the person bidding has been approved in advance.
- (d) When buying land and buildings and interests in land and buildings (Contracts for the sale of land must be disposed of by competitive tender or auction except where the Section 151 Officer and the Service Lead Governance consider that a negotiated agreement will add value to the Council and this is documented and approved by the Cabinet). Officers need to be aware that certain transactions involving the buying of land and buildings may also constitute contracts for works or services subject to the Public Contract Regulations 2015 if such elements are part of the contractual arrangements. Advice should be sought from the Service Lead Governance in such circumstances.
- (e) The engagement of barristers or expert witnesses within or in the contemplation of legal proceedings;
- (f) The engagement of designated artists, performers, productions for public entertainment purposes or items of art for public display;

16.46 The Procurement Review Board consists of the Section 151 Officer, the Service Lead Governance and the Head of Procurement

16.47 Tenders need not be invited in accordance with these Rules where they have been undertaken by or on behalf of any consortium, collaboration or similar body, of which the Council is either a member or is able to access contracts for goods, services or works. Officers should ensure that any contracts let by such a consortium, collaboration or similar body are in accordance with UK and EU procurement directives and regulations.

16.48 Where the Council acts as lead body on a consortium or collaborative arrangement, the procedures for tendering contained within these Rules shall be followed unless those provisions are inconsistent with the method by which tenders are dealt with by the consortium, collaboration or other body concerned and are not detrimental to the Council.

16.49 Where another body is acting on behalf of the Council, the Council is providing funding to another body to undertake a scheme or project or the Council is provided funding from another organisation, satisfactory processes must be put in place and followed. Advice must be sought from the Director and Head of Procurement and Service Lead Governance .

16.50 Nothing contained in the above exceptions exempts officers from using the Council's internal services. Officers must ensure that the best possible balance of value for money and quality is obtained for the Council.

16.51 For contracts subject to the EU Rules, any waiver or exception from the requirement for competition must meet the conditions set out in the EU Rules in addition to the general requirements above.

Engagement of consultants

16.52 An authorised officer may only appoint external consultants or advisors providing professional or consulting services if such services are not available within the Council or if Council officers providing them do not have the resources to meet the needs of the service.

16.53 Appointment of individual consultants and advisors must be procured through the Council's corporate contract for temporary agency resources where appropriate. Subject to the contract not meeting the service needs, the authorised officer shall comply with the following rules.

(a) If the contract value is under £50,000 then 3 quotes need to be sought and provided. Service Leads must ensure that the quotes are recorded and thereafter retained for till the term of the contract.

(b) If the contract value is over £50,000 then the relevant Service Lead must demonstrate that a competitive tendering exercise has taken place. The nature of the exercise will be determined by the specific contract value and advice should be sought from Corporate Procurement from the outset.

16.54 In exceptional circumstances (e.g. no one else could possibly provide the service because it is so bespoke) then an Authorised Officer may complete and submit an Exemption Business Case to the Procurement Review Board for approval. An Approval to Recruit Form must be completed. The form can be accessed from SBCinsite.⁵

Partnerships

16.55 The Council must comply to these Rules when exploring any proposals for partnership or joint ventures including PFI's

(a) In relation to the Rules, a joint venture or partnership includes any arrangement involving one or more organisations in addition to the Council through which either a specific project or services within any of the functions of the Council is to be provided, and

⁵ <http://sbcinsite.ad.slough.gov.uk/2018.aspx>

16.56 Council authorised officers must refer to the Procurement Operating Procedures for guidance on strategic partnerships and PFI projects.

Consortium Contracts, Framework Agreements and Dynamic Purchasing Systems

16.57 A Framework Agreement is a form of Contract that provides one or more authorities with the opportunity to procure goods, works or services from one or more suppliers either by a call-off procedure or by mini-tender.

16.58 It will operate for a prescribed term with defined terms and conditions for its use. The Framework Agreement must name the owning and joining authorities as well as the selected suppliers. Joining authorities will be required to sign an Access Agreement prior to use of the Framework.

16.59 An officer responsible for the procurement exercise may use Framework agreements, subject to the following conditions and must seek advice from corporate procurement in advance

- the Council is legally entitled to use the Framework agreement;
- the purchases to be made fall properly within the scope of the framework;
- The establishment and operation of the framework agreement is in compliance with the Public Contract Regulations 2015 (where they apply) and meets the Council's own requirements

16.60 A "framework agreement" may include:

- Contractor prequalification lists/select lists;
- Framework arrangements (including those set up by the Government Procurement Service);
- Purchasing arrangements set up by central purchasing bodies and commercial organisations;
- Consortium purchasing;
- Collaborative working arrangements;
- Formal agency arrangements;
- E-procurement / purchasing schemes and methods;
- Other similar arrangements.

16.61 Dynamic Purchasing Systems are electronic systems open to an unlimited number of suppliers who meet the qualifying criteria, and can be divided into lots for different services. Operation of the System must be in accordance with Regulation 34 of the Public Contract Regulations 2015 which requires competitive call off from the DPS for individual services or Frameworks. In the case of services listed in Schedule 3 of the Public Contract Regulations call offs may be run under the Light Touch Regime set out in Rule 16.65 below.

16.62 Use of Framework agreements and Dynamic Purchasing Systems must be approved in advance by the Procurement Review Board. Call off from an internally managed Framework or tendering from a Dynamic Purchasing System does not require further PRB approval, subject to the requirements of Rule 16.47a. The £250,000 threshold for reporting to Cabinet still applies.

Social & Health Care and Children’s Care (and other Schedule 3 Services)

- 16.63 Services falling under Schedule 3 of the Public Contract Regulations 2015 are subject to a Light Touch Regime if the value of the contract exceeds £589,148. This means that there is no requirement to follow the standard procurement routes set out in the full Regulations. Light Touch Procurement must, however, follow Regulations 74 to 76, which require that the procurement procedure used shall be “at least sufficient to ensure compliance with the principles of transparency and equal treatment of economic operators”. Procurement under the Light Touch Regime must be approved by PRB if it is not a call-off from an internally managed Dynamic Purchasing System.
- 16.64 The relevant Director has the responsibility of monitoring spend against values set within the terms and conditions of the contracts, Dynamic Purchasing Systems, and Framework Agreements as applicable.
- 16.65 The relevant Director has the responsibility for monitoring and addressing deviation or out of line situations specifically where the risk is of exceeding PCR thresholds.

Prevention of Corruption

- 16.66 The public is entitled to demand of Local Government Officers conduct of the highest standard. Public confidence in their integrity would be undermined were the least suspicion, however ill-founded, to arise that they could in any way be influenced by improper motives.
- 16.67 All procurement activity must be undertaken with regard to high standards of probity and in accordance with the relevant provisions of the ethical framework contained in Part 5 of the Council’s Constitution.

INTRODUCTION

Purpose of the Code

The Localism Act 2011 requires this Council to promote and maintain high standards of conduct by its Members and Co-opted Members. In discharging its duty, the Council is required to adopt a Code of Conduct which sets out the conduct expected of its Councillors.

The Council's Code of Conduct is divided into 2 sections:

1. the Rules of Conduct
2. the Complaints process

The purpose of this Code of Conduct is to assist all Members in the discharge of their obligations to the Council, to their constituents and to the public at large by:

- (a) establishing the standards and principles of conduct expected of all Members in undertaking their duties.
- (b) ensuring public confidence in the standards expected of all Members and in the commitment of the Council to upholding the Code through an open and transparent process.

Parish Councils

Each Parish Council is also required to adopt a Code of Conduct. If you wish to inspect a Parish Council's Code of Conduct, you should inspect any website operated by the Parish Council or request the parish clerk to allow you to inspect the Parish Council's Code of Conduct

PART 1: RULES OF CONDUCT

The code applies to Members and co opted Members of Slough Borough Council when they are acting in that capacity.

This means that it applies whenever you (a) conduct the business of the Council (including the business of your office as an elected Councillor or co opted Member); (b) act, claim to act or give the impression you are acting as a representative of the Council.

SECTION 1 – OVERARCHING PRINCIPLES

This code is intended to be consistent with Nolan’s Seven Principles of Public Life and should be read in the light of those principles. These are set out below.

Nolan’s Seven Principles of Public Life

Principle 1. Selflessness

Holders of public office should take decisions solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Principle 2. Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might influence them in the performance of their official duties.

Principle 3. Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Principle 4. Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Principle 5. Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Principle 6. Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Principle 7. Leadership

Holders of public office should promote and support these principles by leadership and example.

SECTION 2 – GENERAL OBLIGATIONS

When acting in your role as Member of the Council, you must ensure that you conduct yourself in such a manner that complies with the Seven Principles of Public Life. These Principles will be taken into account when considering the investigation and determination of any allegations of breaches of the rules of conduct.

- 2.1 You must treat others with respect, including Council officers and other elected Members.
- 2.2 You must not bully any person (including specifically any Council employee) and you must not intimidate or improperly influence, or attempt to intimidate or improperly influence, any person who is involved in any complaint about any alleged breach of this Code of Conduct.
- 2.3 You must not do anything which compromises or is likely to compromise the impartiality of anyone who works for or on behalf of the Council.
- 2.4 You must not conduct yourself in a manner which could reasonably be regarded as bringing the Council, or your office as a Member of the Council, into disrepute.
- 2.5 You must not use or attempt to use your position as a Member improperly to confer on or secure for yourself or any other person any advantage or disadvantage.
- 2.6 You have a duty to uphold the law including the general law against discrimination
- 2.7 When using or authorising the use by others of the resources of the Council, you must act in accordance with the Council's reasonable requirements (as set out in such protocol as it may adopt from time to time for these purposes) and must ensure they are not used for party political purposes.
- 2.8 You must not prevent, or attempt to prevent, another person from gaining access to information to which they are entitled by law.
- 2.9 You must not disclose information which is given to you in confidence, or information which you believe or ought reasonably to be aware is of a confidential nature, unless:
 - (a) You have the consent of a person authorised to give it; or
 - (b) You are required by law to do so; or
 - (c) The disclosure is made to a third party for the purpose of obtaining professional advice, provided that the third party agrees not to disclose the information to any other person; or

- (d) The disclosure is reasonable and in the public interest and made in good faith.

SECTION 3 – RELATIONSHIP WITH OTHERS

- 3.1 Members must ensure that all contact with Council Officers will be through a Director/Assistant Director/Third Tier Officer in the first instance. A distinction is made between contacts with junior staff as part of day to day enquires and Council business and contact by Members where contentious or political issues may arise.

Examples of day to day contact with Junior Officers.	Examples of Matters that should be addressed at Director/Service Lead/Third Tier
Requests for information on timescales of applications e.g. planning applications, licensing, housing allocation	Specific complaints about not granting planning consent. Complaints about the application of eligibility criteria for housing
Requests for routine information on a case or issue on behalf of a resident, i.e. who is dealing with a case or issues when is it likely to be resolved	Application of threshold or entitlement to Adult Social Care Services.
Requests for information on how processes work and how services are run.	Suggestions for improving services. Observations on service efficiency and effectiveness.

SECTION 4 – INTERESTS

4.1 — Registration of interests

~~You must register in the Council's Register of Members Interests information about your registerable personal interests. In this Code of Conduct 'your registerable personal interests' means:~~

~~(a) — any Disclosable Pecuniary Interest as set out in Appendix 2; or~~

~~(b) — any other interest held by you as set out in Appendix 2~~

~~You must register information about your registerable personal interests by giving written notice to the Monitoring Officer, who maintains the Register, within 28 days of:~~

- ~~• your appointment as a Member of the Council; and~~
- ~~• any change taking place in your registerable personal interests.~~

~~Note: Failure without reasonable excuse to register a Disclosable Pecuniary Interest is a criminal offence under section 34 Localism Act 2011 as well as being a breach of this code.~~

~~4.2 Sensitive interests~~

~~Where you think that disclosure of the details of any of your registerable personal interests could lead to you, or a person connected with you, being subject to violence or intimidation, the Monitoring Officer may at your request make a note on the Register that you have a personal interest, details of which are withheld.~~

~~4.3 Other interests~~

~~You have a “non-disclosable pecuniary interest or non-pecuniary interest” in an item of business of your authority where –~~

~~– a decision in relation to that business might reasonably be regarded as affecting the wellbeing or financial standing of you or a member of your family or a person with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, rate payers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the authority’s administrative area, or~~

~~– it relates to or is likely to affect any of the interests listed in the Table in Appendix 2 of this Code, but in respect of a member of your family (other than a “relevant person”) or a person with whom you have a close association and that interest is not a disclosable pecuniary interest or non-pecuniary interest in that item, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent.~~

~~4.4 Declaration of Members Interests~~

~~All Members are required to disclose as appropriate any personal and personal prejudicial interests in matters that arise at meetings which might influence their judgement or which could be perceived (by a reasonable member of the public) to do so. Members should declare:~~

- ~~(i) Relevant personal direct and indirect pecuniary interests;~~
- ~~(ii) Relevant direct and indirect pecuniary interests of close family members of which Members could reasonably be expected to be aware; and~~
- ~~(iii) Relevant personal non-pecuniary interests, including those which arise from membership of clubs and other organisations.~~

(iv) — Any body of which you are a member or in a position of general control or management and to which you are appointed or nominated by your authority.

(v) — Any body exercising a function of a public nature, directed to charitable purposes or whose principal purpose includes the influence of public opinion or policy.

(vi) — Your wellbeing or financial position or the wellbeing or financial position of a member of your family with whom you have a close association.

The personal interest becomes **prejudicial** if a member of the public with knowledge of the relevant facts would reasonably regard it as so significant that it is likely to prejudice your judgement of the public interest. A Member's DPIs are always prejudicial.

A Member must observe the restrictions the Council places on their involvement in matters where they have a pecuniary or non-pecuniary interest as defined by the Council.

Members should seek advice from the Monitoring Officer with regards to interests arising from Council controlled Trusts.

4.5 — Interests arising in relation to Overview and Scrutiny Committee and its Panels

Members have a prejudicial interest in any business before an Overview and Scrutiny Committee of the Council (or Panel) where

(a) — that business relates to a decision made (whether implemented or not) or action taken by the Council's Cabinet or another committee, sub-committee, joint committee or joint sub-committee; and

(b) — at the time the decision was made or action was taken, you were a Member of the Cabinet, committee, sub-committee, joint committee or joint sub-committee mentioned in paragraph (a) and you were present when that decision was made or action was taken.

In such a case, provided the public have a right to speak at such a meeting, as a Member you are able to make any representations or answer any questions once you have declared the nature of the interest you have. You must then withdraw from the room.

4.6 — Action following declaration

If you are acting as a decision maker at a meeting where you have an interest in the matter being discussed or that arises during the course of the meeting you need to consider if your interest is a Disclosable Pecuniary Interest.

If it is

(a) — you must withdraw from the room where the meeting considering the business is being held, unless a written dispensation has been granted

(b) — you are not permitted to participate in any discussion of a matter that relates to your DPI at the meeting

~~(c) — you are not permitted to participate in any vote on the matter where you have a DPI~~

~~In the case of any other Pecuniary or Non Pecuniary Interest, the Committee Member will need to consider whether a member of the public with knowledge of the relevant facts would reasonably regard the interest as so significant that it is likely to prejudice your judgement of the public interest. If you believe this to be the case or you are advised that this is the case then that Member must:-~~

~~(a) — disclose the existence and nature of the interest at the meeting;~~

~~(b) — withdraw from the room or chamber where the meeting considering the business is being held.~~

~~However, provided the public have a right to speak at such a meeting the Member is able to make representations or answer any questions when the nature of the interest has been declared. The Member must then withdraw from the room.~~

~~See Appendix 3 for the Declaration of Interests Flow Chart and Appendix 4 for the Declaration of Receipt of Gifts or Hospitality.~~

~~4.7 — Dispensations from the restriction from participating voting in meetings~~

~~This provision applies to a situation where a Member or Members have an interest, which prevents them from taking part in a decision but they feel they ought to be able to participate or that it is necessary to allow them to participate in the interests of proper decision making, as explained below.~~

~~One or more Members may apply for a dispensation from the requirement not to participate in or vote in respect of a matter at a meeting by written request to the Monitoring Officer, so that they are able to participate in respect of that matter at the meeting.~~

~~The Monitoring Officer (or in his/her absence the Deputy Monitoring Officer) may agree the dispensation on behalf of the Council, where s/he considers, after having had regard to all relevant circumstances such as follows:~~

~~(a) — that without the dispensation the number of persons prohibited by section 31(4) of the Act from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business;~~

~~(b) — that without the dispensation the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business;~~

~~i. that granting the dispensation would be in the interests of persons living in the Council's~~

area,

~~ii. that without the dispensation each Member of the Cabinet would be prohibited by section 31(4) of the Act from participating in any particular~~

business to be transacted by the Cabinet, or

iii. that it is otherwise appropriate to grant a dispensation.

If granted the dispensation will be granted by the Monitoring Officer in writing and citing the ground or grounds on which it is agreed and it will be published on the Council's website within 7 days of the decision.

The dispensation must be for a fixed time not exceeding a period beyond the next Council elections and will normally cover only a specific matter or meeting.

A general dispensation is granted to all Members to be present, speak and vote where they would otherwise have a DPI on the grounds that it is appropriate to grant a dispensation to allow all Members to participate fully in the following matters:

(a) — Housing: where the Member (or spouse or partner) holds a tenancy or lease with the Council as long as the matter does not only relate to the Member's particular tenancy or lease*.

(b) — School meals or school transport and travelling expenses where the Member is a parent or guardian of a child in full time education, or is a parent governor of a school, provided that the matter does not only relate to the particular school which the child attends.

(c) — Housing Benefit: where the Member (or spouse or partner) directly receives housing benefit in relation to their own circumstances.

(d) — Allowances, travelling expenses, payments or indemnity for Members (this is included for the avoidance of doubt even though they are not a DPI)

(e) — Setting the Council Tax or a Precept; and

(f) — Decisions in relation to Council Tax Benefit.

* Any general housing related dispensations afforded to Members will not negate the need for Members to declare a personal or prejudicial interest; particularly where the Member or spouse holds a tenancy or lease with the Council and a matter requiring a decision may/will impact their own Council tenancy.

For example, in cases where the matter particularly affected their local neighbourhood and was considered to affect their own tenancy more than other people in the authority's area, the Member should consider whether it is appropriate to participate in the decision-making process.

For the avoidance of doubt and to ensure adherence to the Member Code of Conduct, Members should seek guidance from the Council's Monitoring Officer.

It is recommended that the general dispensation applies until the next election (May 2018) and that the Council considers granting general dispensations annually at its annual meeting.

Dispensations for Council Tax relate to Members' DPs, and do not affect a Member's obligation under Section 106 of the Local Government Finance Act 1992 to declare and not vote if they are two months or more in arrears with their Council Tax when voting on setting the Council's budget.

The Council can grant a dispensation to enable Members to participate in certain circumstances and the Monitoring Officer is authorised to determine written requests for a dispensation. A form to request a dispensation is attached at Appendix 6.

4.8 — Gifts and Hospitality

You must within 28 days of receipt, notify the Monitoring Officer in writing of any gift, benefit or hospitality with a value in excess of £25 which you have accepted as a Member from any person or body other than the borough Council.

The Monitoring Officer will place the notification on the public register of gifts and hospitality.

4.9 — Updating the Register of Interests

You must within 28 days of becoming aware of any new disclosable pecuniary interest or change to any disclosable pecuniary interest already registered provide written notification to the Monitoring Officer via an amendment form obtainable from Democratic Services.

4.10 — Predetermination and Bias

A Member is not taken to have had, or to have appeared to have had, a closed mind when making/acting as a decision maker, merely because

- (i) — they had previously done anything that directly or indirectly indicated what view, they as decision maker would or might take in relation to a matter and
- (ii) — the matter was relevant to the decision being taken.

When making a decision, Members must consider the matter before them, with an open mind and on the facts before the meeting at which the decision is to be taken.

Where a Member has been involved in campaigning in a political role on an issue, provided this does not impact on a Member's personal and/or professional life, a Member is not be prohibited from participating in a decision in their political role as Member.

Members must not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence their performance of their official duties.

Members who sit as Committee Members need to be aware that when they have an interest in the matter being discussed or being decided, the role as a decision maker is

| subject to extra scrutiny.

Members who are not Committee Members, but are attending a Committee to speak, also need to be aware that if they have an interest in the matter they are speaking on, their role as an interested Member is also subject to extra scrutiny.

Members should seek advice in advance of a meeting when a matter is known or should reasonably have been known to involve an interest affecting a Committee Member and complete the Declaration of Interests at Meetings Form. Guidance on predetermination is set out at Appendix 6 to the Code.

4.11 Corporate Trustees

The Council may have a variety of roles in relation to charitable trusts, including that of corporate trustee. The Council is the trustee of the charitable trusts, Councillors are not. The Councillors (and Council Officers) manage the Trustees affairs on behalf of the council. As Councillors are not trustees they do not have the same responsibilities and liabilities as a trustee. Although Councillors are not trustees they should still be mindful of the duties of trustees set out in the guidance at appendix 8.

4.1 Registration of interests

You must register in the Council's Register of Members' Interests your Disclosable Pecuniary Interests and your Personal Interests as set out in Appendix 2. You must do so by writing to the Monitoring Officer within 28 days of:

- your appointment as a Member of the Council; and
- any change taking place in your interests.

Failure without reasonable excuse to register a Disclosable Pecuniary Interest is a criminal offence as well as a breach of this code.

4.2 Personal Security

Where you think that disclosure of the details of any of your interests could lead to you, or a person connected with you, being subject to violence or intimidation, the Monitoring Officer may at your request make a note on the Register that you have an interest, but withhold the details.

4.4 Declaration at Meetings

All Members are required to disclose their Disclosable Pecuniary or Personal Interests at any meeting where a matter under discussion affects one or more of those interests.

Members should also declare as a Personal Interest where the subject matter under discussion:

- might reasonably be regarded as affecting the wellbeing or financial standing of them or a member of their family or a person with whom they have a close association to a greater extent than it would affect the majority of Council Tax payers, rate payers or inhabitants of their ward or Slough, or
- relates to or is likely to affect any of the interests listed in the Table in Appendix 2 of this Code, but in respect of a member of the Member's family or a person with whom they have a close association

4.6 Action following declaration

If you have declared a **Disclosable Pecuniary Interest**, you must withdraw from the room without participating in any discussion of or vote on the matter unless a written dispensation has been granted.

If you have declared a **Personal Interest** consider whether a member of the public with knowledge of the relevant facts would reasonably regard the interest as so significant that it is likely to prejudice your judgement of the public interest. If you believe this to be the case then you must withdraw from the room without participating in any discussion of or vote on the matter.

If this test is not met, you may remain, speak and vote on the matter

See Appendix 3 for the Declaration of Interests Flow Chart and Appendix 4 for the Declaration of Receipt of Gifts or Hospitality.

4.7 Dispensations from the restriction from participating and voting in meetings

A Members may apply for a dispensation from the requirement not to participate in or vote in respect of a matter at a meeting by written request to the Monitoring Officer.

The Monitoring Officer (or in his/her absence the Deputy Monitoring Officer) may grant a dispensation where s/he considers, after having regard to all relevant circumstances that:

(a) without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the

transaction of the business;

(b) without the dispensation the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business;

c) granting the dispensation would be in the interests of persons living in Slough;

(d) without the dispensation each Member of the Cabinet would be prohibited from participating in any particular business to be transacted by the Cabinet; or
e) it is otherwise appropriate to grant a dispensation.

A dispensation will be granted in writing setting out the ground or grounds on which it is agreed and it will be published on the Council's website within 7 days of the decision. The dispensation must be for a fixed time not exceeding a period beyond the next Council elections and will normally cover only a specific matter or meeting.

General Dispensations

A general dispensation is granted to all Members to be present, speak and vote where they would otherwise have a Disclosable Pecuniary Interest on the grounds that it is appropriate to grant a dispensation to allow all Members to participate fully in the following matters:

(a) Housing: where the Member (or spouse or partner) holds a tenancy or lease with the Council as long as the matter does not only relate to the Member's particular tenancy or lease*.

(b) School meals or school transport and travelling expenses where the Member is a parent or guardian of a child in full time education, or is a parent governor of a school, provided that the matter does not only relate to the particular school which the child attends.

(c) Housing Benefit: where the Member (or spouse or partner) directly receives housing benefit in relation to their own circumstances.

(d) Allowances, travelling expenses, payments or indemnity for Members (this is included for the avoidance of doubt even though they are not a DPI)

(e) Setting the Council Tax or a Precept; and

(f) Decisions in relation to Council Tax Benefit.

* Any general housing related dispensations afforded to Members will not negate the need for Members to declare a Personal Interest, particularly where the Member or spouse holds a tenancy or lease with the Council and a matter requiring a decision may/will impact their own Council tenancy.

For example, in cases where the matter particularly affected their local neighbourhood and was considered to affect their own tenancy more than other people in the authority's area, the Member should consider whether it is appropriate to participate in the decision making process.

For the avoidance of doubt and to ensure adherence to the Member Code of Conduct, Members should seek guidance from the Council's Monitoring Officer.

Dispensations do not affect a Member's obligation under Section 106 of the Local Government Finance Act 1992 to declare and not vote on the Council's budget if they are two months or more in arrears with their Council Tax.

4.5 Participation in Overview and Scrutiny Committees and its Panels

A Member should not sit as part of an O&S Committee or Panel for a discussion relating to a decision made (whether implemented or not) or action taken by the Council's Cabinet or another committee, sub-committee, joint committee or joint sub-committee of which that Councillor was a member and was present when that decision was made or action was taken.

4.8 Gifts and Hospitality

You must within 28 days of receipt, notify the Monitoring Officer in writing of any gift, benefit or hospitality with a value in excess of £50 which you have accepted as a Member from any person or body other than the borough Council.

The Monitoring Officer will place the notification on the public register of gifts and hospitality.

5 Predetermination and Bias

A Member is not taken to have had, or to have appeared to have had, a closed mind when making/acting as a decision maker, merely because

- (i) they had previously done anything that directly or indirectly indicated what view, they as decision maker would or might take in relation to a matter and
- (ii) the matter was relevant to the decision being taken.

When making a decision, Members must consider the matter before them, with an open mind and on the facts before the meeting at which the decision is to be taken.

Where a Member has been involved in campaigning in a political role on an issue, provided this does not impact on a Member's personal and/or professional life, a Member is not be prohibited from participating in a decision in their political role as Member.

Members must not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence their performance of their official duties.

Members who sit as Committee Members need to be aware that when they have an interest in the matter being discussed or being decided, the role as a decision maker is subject to extra scrutiny.

Members who are not Committee Members, but are attending a Committee to speak, also need to be aware that if they have an interest in the matter they are speaking on, their role as an interested Member is also subject to extra scrutiny.

Members should seek advice in advance of a meeting when a matter is known or should reasonably have been known to involve an interest affecting a Committee Member and complete the Declaration of Interests at Meetings Form. Guidance on predetermination is set out at Appendix 5 to the Code.

PART 2: THE COMPLAINTS PROCESS

- 5.1 This Part of the Code of Conduct sets out how the Council will deal with allegations of a failure to comply with the Council's Code of Conduct.
- 5.2 The Monitoring Officer may investigate a specific matter relating to a Member's adherence to the Rules of Conduct under the Code or a complaint made against a member for breach of the Council's Code of Conduct. Members shall cooperate, at all stages, with any such investigation by or under the authority of the Council. No Member shall lobby a member of the Audit & Corporate Governance Committee in a manner calculated or intended to influence its consideration of an alleged breach of this Code.

Complaints against Members

- 5.3 All complaints against members must be in writing and on the Council's prescribed form. The Council will not normally investigate anonymous complaints, unless there is a clear public interest in doing so.
- 5.4 The "Member's Complaint's Procedure Flowchart" , contained at Appendix 5, sets out the process the Monitoring Officer will follow in relation to complaints against members.
- 5.5 The Monitoring Officer will consider complaints according to the Code of Conduct's "Member's Complaint Assessment Criteria" contained at Appendix of the Code. **Whilst complainants must be confident that complaints are taken seriously and dealt with appropriately, deciding to investigate a complaint or to take further action will cost both public money and officers' and members' time. This is an important consideration where the complaint is relatively minor.**
- 5.6 The Monitoring Officer will acknowledge receipt of a complaint within 5 working days of receiving it. The Subject Member will be advised that a complaint has been made, together with a short summary of the complaint and the name of the complainant unless they have indicated that they wish to remain anonymous.
- 5.7 The Monitoring Officer will determine every complaint received and, may after as the Monitoring Officer may deem appropriate consultation with the Independent Person, take a decision as to whether it merits formal investigation. This decision will normally be taken within 14 days of receipt of a complaint. Where the Monitoring Officer has taken a decision, he will inform the Complainant and the Subject Member of his decision and the reasons for that decision.

- 5.8 In appropriate cases, the Monitoring Officer may seek to resolve the complaint informally, without the need for a formal investigation. The Monitoring Officer will take account of this in deciding whether the complaint merits formal investigation.
- 5.9 If the complaint identifies criminal conduct or breach of other regulation by any person, the Monitoring Officer has the power to call in the Police and other regulatory agencies.

PART 3: INVESTIGATION & DETERMINATION OF COMPLAINTS

- 6.1 If the Monitoring Officer decides that a complaint merits formal investigation, he may either appoint an Investigating Officer to investigate the complaint or investigate the complaint himself.
- 6.2 The Investigating Officer would normally write to the Subject Member.
- 6.3 The Subject Member will be provided with a copy of the complaint. The Subject Member will be requested to provide any relevant information the Investigating Officer needs to investigate the Complaint.
- 6.4 In exceptional cases, where it is appropriate to keep the identity of the Complainant confidential or disclosure of details of the complaint to the Subject Member might prejudice the investigation, the Monitoring Officer withhold the Complainant's details or delay notifying the Subject Member until the investigation has progressed sufficiently.
- 6.5 At the end of his/her investigation, the Investigating Officer/Monitoring Officer will produce a draft report. This draft will be sent in confidence to the Complainant and the Subject Member, to give them an opportunity to identify any matter in that draft report which is either factually incorrect or which may require further consideration. Having received and taken account of any comments on the Draft Report, the Investigating Officer will send the Final Report to the Monitoring Officer.
- 6.6 The Monitoring Officer will review the Investigating Officer's report and, if he is satisfied that the Investigating Officer's report is sufficient, the Monitoring Officer will write to the Subject Member and the Complainant notifying them of either :
 - (a) he is satisfied that no further action is required, and provide them both a copy of the Investigating Officer's final report, or
 - (b) following review of the Investigating Officer's report that either the complaint will be
 - (i) sent for determination before a Standards Determination Sub Committee or,
 - (ii) after consulting the Independent Person, seek a local resolution.

Local Resolution

- 6.7 The Monitoring Officer may consider that the matter can reasonably be resolved without the need for a hearing. In such a case, he/she will consult with the Independent Person and the Complainant and seek to agree fair resolution which also helps to ensure higher standards of conduct for the future. Such resolution may include the Subject Member accepting that his/her conduct was unacceptable and offering an apology, and/or other remedial action by the Council. If the Subject Member complies with the suggested resolution, the Monitoring Officer will report the matter to the Audit & Corporate Governance Committee for information, but will take no further action.

Process for the Determination of Complaints

- 6.8 If the Monitoring Officer considers that local resolution is not appropriate, then the Monitoring Officer will convene a Standards Determination Sub Committee to determine the complaint. It will conduct a hearing which will decide whether the member has failed to comply with the Code of Conduct and if so, whether to take any action in respect of the member.
- 6.9 The set up and structure of the Standards Determination Sub-Committee is provided for by the Council's Constitution
- 6.10 The Monitoring Officer will conduct a "pre-hearing process", requiring the member to give his/her response to the Investigating Officer's report, in order to identify what is likely to be agreed and what is likely to be in contention at the hearing, and may issue directions as to the manner in which the hearing will be conducted.

Conduct of a Sub Committee hearing

- 6.11 The Investigating Officer will present his/her report, call such witnesses as he/she considers necessary and make representations to substantiate his/her conclusion that the Subject Member has failed to comply with the Code of Conduct. The Subject Member will then have an opportunity to give his/her evidence, to call witnesses and to make representations to the Sub Committee as to why he/she considers that he/she did not fail to comply with the Code of Conduct.
- 6.12 If the Sub Committee, with the benefit of any advice from the Independent Person, concludes
- (a) that the Subject Member did not fail to comply with the Code of Conduct, then they can dismiss the complaint
 - (b) that the Subject Member did fail to comply with the Code of Conduct, the Chair will inform the Subject Member of this finding and the Sub Committee will then consider what action, if any, the Sub Committee should take as a result of the Subject Member's failure to comply with the Code of Conduct. In doing this, the Sub Committee will give the Subject Member an opportunity to make representations to the Sub Committee and will consult the Independent Person, but will then decide what action, if any, to take in respect of the matter.
- 6.13 The Council has delegated to the Sub Committee powers to take action in respect of individual members as may be necessary to promote and maintain high standards of conduct. Accordingly the Sub Committee may authorise the Monitoring Officer to –
- (a) Publish any findings in respect of the Subject Member's conduct;
 - (b) Report the findings to the Audit & Corporate Governance Committee for information;
 - (c) Recommend to the Subject Member's Group Leader (or in the case of ungrouped members, recommend to Council or to Committees) that he/she be removed from any or all Committees or Sub-Committees of the Council;
 - (d) Recommend to the Leader of the Council that the Subject Member be removed from the Cabinet, or removed from particular Portfolio responsibilities;

- (e) Arrange training for the Subject Member;
 - (f) Remove from all outside appointments to which the Subject Member has been appointed or nominated by the Council;
 - (g) Withdraw facilities provided to the member by the Council, such as a computer, website and/or email and Internet access; or
 - (h) Exclude the Subject Member from the Council's offices or other premises, with the exception of meeting rooms as necessary for attending Council, Committee and Sub-Committee meetings.
- 6.14 The Sub Committee has no power to suspend or disqualify the Sub Member or to withdraw members' or special responsibility allowances.
- 6.15 At the end of the hearing, the Chairman will state the decision of the Sub Committee as to whether the member failed to comply with the Code of Conduct and as to any actions which the Sub Committee resolves to take.
- 6.16 The Monitoring Officer will issue a decision notice, in consultation with the Chairman of the Sub Committee. The decision notice will be sent to the Complainant and the Subject Member. Thereafter a summary of the decision may be available for public inspection and the decision will be reported to the next convenient meeting of the Audit & Corporate Governance Committee.

Appeals

- 6.17 There is no right of appeal against a decision of the Monitoring Officer or of the Standards Determination Sub Committee to the Council.

Independent Person

- 6.18 The Independent Person is invited to attend all meetings of the Sub Committee and his/her views are sought and taken into consideration before the Sub Committee takes any decision on whether the member's conduct constitutes a failure to comply with the Code of Conduct and as to any action to be taken following a finding of failure to comply with the Code of Conduct.

Revision of these arrangements

- 6.19 In the interests of fairness, the Monitoring Officer may vary any of these arrangements as appropriate. The Chair of the Standards Determination Sub Committee may depart from the arrangements where he/she considers that it is expedient to do so in order to secure the effective and fair consideration of any matter.

PREDETERMINATION/PREDISPOSITION - GUIDANCE

The Council often has to make controversial decisions that affect people adversely and this can place individual members in a difficult position. They are expected to represent the interests of their constituents and political party and have strong views but it is also a well established legal principle that members who make these decisions must not be biased nor must they have pre-determined the outcome of the decision. This is especially so in “quasi judicial” decisions in planning and licensing committees.

This Note seeks to provide guidance on what is legally permissible and when members may participate in decisions. It should be read alongside the Code of Conduct.

Predisposition

Predisposition is lawful. Members may have strong views on a proposed decision, and may have expressed those views in public, and still participate in a decision. This will include political views and manifesto commitments. The key issue is that the member ensures that their predisposition does not prevent them from consideration of all the other factors that are relevant to a decision, such as committee reports, supporting documents and the views of objectors. In other words, the member retains an “open mind”.

Section 25 of the Localism Act 2011 confirms this position by providing that a decision will not be unlawful because of an allegation of bias or pre-determination “just because” a member has done anything that would indicate what view they may take in relation to a matter relevant to a decision. However, if a member has done something more than indicate a view on a decision, this may be unlawful bias or predetermination so it is important that advice is sought where this may be the case.

Pre-determination / Bias

Pre-determination and bias are unlawful and can make a decision unlawful. Predetermination means having a “closed mind”. In other words, a member has made his/her mind up on a decision before considering or hearing all the relevant evidence. Bias can also arise from a member’s relationships or interests, as well as their state of mind. The Code of Conduct’s requirement to declare interests and withdraw from meetings prevents most obvious forms of bias, e.g. not deciding your own planning application. However, members may also consider that a “non-pecuniary interest” under the Code also gives rise to a risk of what is called apparent bias. The legal test is: “whether the fair-minded and informed observer, having considered the facts, would conclude that there was a real possibility that the Committee was biased’. A fair minded observer takes an objective and balanced view of the situation but Members who think that they have a relationship or interest that may raise a possibility of bias, should seek advice.

This is a complex area and this note should be read as general guidance only. Members who need advice on individual decisions, should contact the Monitoring Officer

Trustees and Councillors' Duties towards the Trusts

1. Introduction

- 1.1 There are a number of different roles that the Council may have in relation to the day to day administration and functioning of registered charities and trusts.
- 1.2 The Council can find itself in any of the following roles in relation to a charitable trust:-
- 1.2.1 either be appointed as a corporate trustee;
 - 1.2.2 appointed as a holding trustee, holding land on trust, possibly with the right to appoint trustees;
 - 1.2.3 as a party who has a right under a charity's constitution or trust deed to appoint trustees to the charity's board; or
 - 1.2.4 simply as a funder through the process providing grants to a registered charity.
- 1.3 There are a variety of duties and obligations that arise depending on what role the Council has under the conveyance or instrument under which the trust arises.
- 1.4 This report deals exclusively with the position where the Council is appointed as a Corporate Trustee of the Salt Hill Playing Field and the Langley War Memorial Field (collectively, the Properties and the Trusts)
- 1.5 It is clear that under both conveyances of the Properties under which the Trusts arose that Slough Borough Council is the corporate trustee and holds the property as such.

2. Corporate Trustees

- 2.1 Councillors and Council Officers may attend meetings and deal with the Trust's day to day administration and property, the capacity in which they doing so are as Councillors and Council Officers and not as Trustees of the above Trusts.
- 2.2 Corporate trustees are liable for breaches of trust to the same extent as a natural person, but the cause of action that the beneficiaries of the Trusts will have is against the corporate trustee.
- 2.3 As the corporate body is a legal and not a natural person; it acts exclusively through natural persons and in the case of Slough Borough Council, those are its Councillors and Council Officers.
- 2.4 Slough Borough Council is the trustee of the charitable Trusts. The Councillors, and indeed Council Officers, are not. The Councillors and Council Officers rather manage the Trust's affairs on behalf of the Council.
- 2.5 When Councillors are making decisions on behalf of the Council dealing with Trust matters, they do not have the same responsibilities and hence liabilities as that of trustees.

3. Councillor's Duties

- 3.1 Whilst it is clear that Councillors are not trustees and hence do not have the same responsibilities and liabilities as a trustee, even when making decisions on behalf of the Council when the Council is acting as Trustee; Councillors do conduct the affairs of the Trust and their decision making directly affects how the Trusts are managed and could put the Council in breach of its duties to the Trusts.

4. Key Duties of Trustees

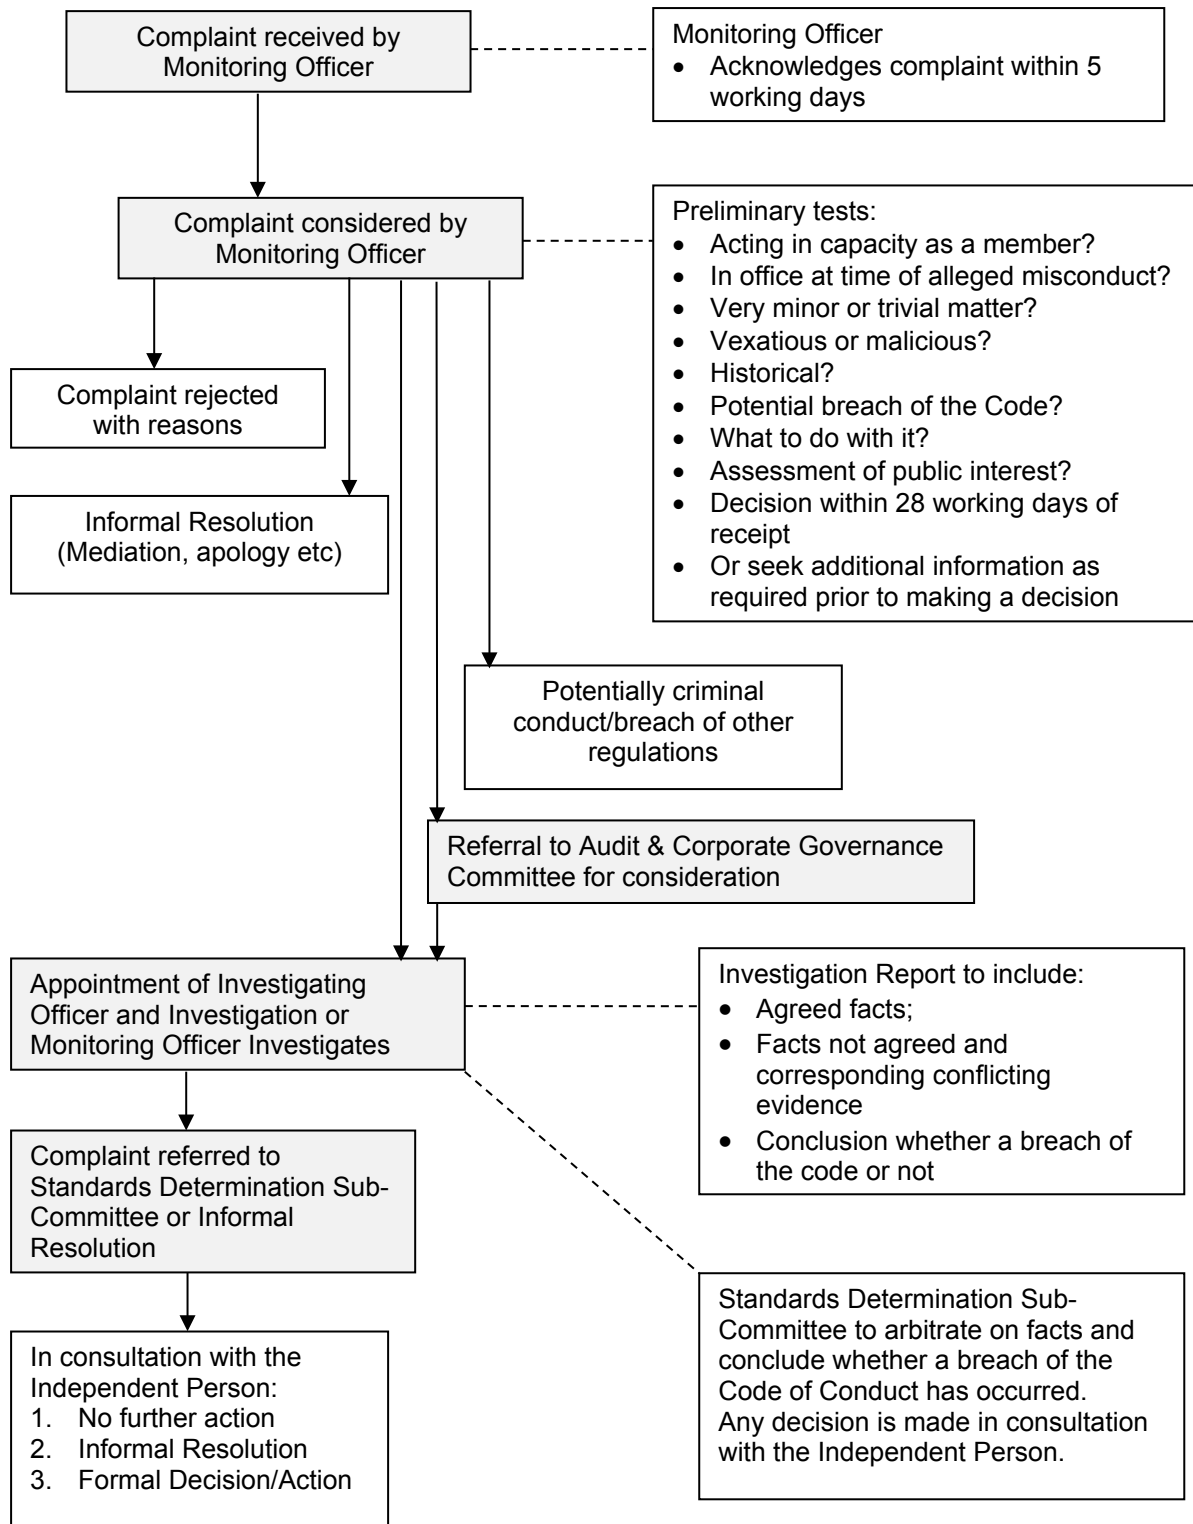

- 4.1 Although Councillors are not trustees under the Trusts, these duties have to be considered when contemplating decision making on behalf of Slough Borough Council, when it is acting as the corporate trustee in relation to the Trusts.
- 4.2 Trustees must ensure that the Trust is carrying out its purpose for the public benefit and comply with their governing document and the law.
- 4.3 Trustees must always act in the Trust's best interests. This means making balanced and informed decisions based on professional advice. Trustees must deal appropriately with any conflicts of interest.
- 4.4 Trustees must manage their Trust's resources responsibly and this entails implementing the necessary financial controls and managing any risks.
- 4.5 Trustees must act with reasonable care and skill and this necessitates using their accumulated skills and experiences and tempering it with the appropriate legal and professional advice.

5. Executive Summary

- 5.1 In summary, the trustee for both of the Trusts is the Slough Borough Council.
- 5.2 The Councillors are not trustees and hence do not have the same responsibilities and liabilities as if they were individual trustees.
- 5.3 The Councillors do, however, act and make key decisions on behalf of the Council, when it is acting in its capacity as corporate trustee on behalf of the Trusts.
- 5.4 Councillors should be extra vigilant and approach Trust matters within their respective contexts rather than as usual Council business.

Complaints against Members process is set out in the flow chart below

Appendix 1
Complaints Procedure Flowchart

MEMBERS COMPLAINTS ASSESSMENT CRITERIA

Complaints which would not normally be referred for investigation

1. The complaint is not considered sufficiently serious to warrant investigation; or
2. The complaint appears to be simply motivated by malice or is “tit-for-tat”; or
3. The complaint appears to be politically motivated; or
4. It appears that there can be no breach of the Code of Conduct; for example, that it relates to the Councillor’s private life or is about dissatisfaction with a Council decision; or
5. It is about someone who is no longer a Councillor
6. There is insufficient information available for a referral; or
7. The complaint has not been received within 3 months of the alleged misconduct unless there are exceptional circumstances e.g. allegation of bullying, harassment etc.
8. The matter occurred so long ago that it would be difficult for a fair investigation to be carried out; or
9. The same, or similar, complaint has already been investigated and there is nothing further to be gained by seeking the sanctions available to the Audit & Corporate Governance Committee; or
10. It is an anonymous complaint, unless it includes sufficient documentary evidence to show a significant breach of the Code of Conduct.
11. Where the Member complained of has apologised and/or admitted making an error and the matter would not warrant a more serious sanction

Complaints which may be referred to the Audit & Corporate Governance Committee

1. It is serious enough, if proven, to justify the range of actions available to the Standards Determination Sub-Committee; or
2. There are individual acts of minor misconduct which appear to be a part of a continuing pattern of behaviour that is unreasonably disrupting the business of the Council and there is no other avenue left to deal with it other than by way of an investigation.
3. When the complaint comes from a senior officer of the Council, such as the Chief Executive or the Monitoring Officer and it would be difficult for the Monitoring Officer to investigate; or
4. The complaint is about a high profile Member such as the Leader of the Council and it would be difficult for the Monitoring Officer to investigate.
5. Such other complaints as the Monitoring Officer considers it would not be appropriate for him to investigate.

Part 5.2 Code of Conduct for Councillors and Officers in relation to Planning and Licensing matters

Councillors can involve themselves in discussions with developers, applicants, their constituents and others about planning and licensing matters. However, difficulties can be avoided if you follow these useful general rules:

Do

- Inform officers about any approaches made to you and seek advice
- Familiarise yourself with the Councillors Code of Conduct and follow it when you are representing the authority
- Keep your register of interests up to date
- Be aware of what predisposition, predetermination and bias mean in your role
- Preface any discussion with disclaimers; keep a note of meetings and calls; and make clear at the outset that discussions are not binding
- Be aware of what Disclosable Pecuniary Interests (DPIs) and prejudicial interests are
- Recognise the distinction between giving advice and engaging in negotiation and when this is appropriate in your role
- Stick to policies included in adopted plans, but also pay heed to any other considerations relevant to planning
- Use meetings to show leadership and vision
- Encourage positive outcomes
- Recognise that you can lobby and campaign but that this may remove you from the decision making process
- Feed in both your own and your local community's concerns and issues
- Be aware that you can engage in discussions but you must have and be seen to have an open mind at the point of decision making

Do not

- Use your position improperly for personal gain or to advantage your friends or close associates
- Meet developers/applicants alone or put yourself in a position where you appear to favour a person, company or group – even a 'friendly' private discussion with a developer/applicant could cause others to mistrust your impartiality
- Attend meetings or be involved in decision-making where you have a prejudicial interest under the Councillors Code of Conduct – except when speaking when the general public are also allowed to do so
- Accept gifts or hospitality
- Prejudge or be seen to prejudge an issue if you want to be a decision maker on a proposal
- Seek to influence officers or put pressure on them to support a particular course of action in relation to an application
- Compromise the impartiality of people who work for the authority

1. **INTRODUCTION**

- 1.1 This Code has been written to advise all those concerned with planning and licensing matters of Slough Borough Council in its operation of the town and country planning and licensing systems within the Borough. The Code applies to all Councillors and Officers involved in these council functions.

Within this code the following terms are defined as follows:

Councillor	All members of the authority
Committee Member	Member of the Licensing Committee/Sub Committee or Planning Committee
Local Member	Local Ward Councillor for the application in question

Planning

- 1.2 Planning is not an exact science. Rather, it relies on informed judgement within a firm policy context. It is also highly contentious because its decisions affect the daily lives of everyone and the private interest of individuals, landowners, and developers. This is heightened by the openness of the system (it actively invites public opinion before taking decisions) and the legal nature of development plans and decision notices. It is important, therefore, that the process is characterised by open and transparent decision-making.
- 1.3 One of the key purposes of the planning system is to control development in the public interest. In performing this role, planning necessarily affects land and property interests, particularly the financial value of land holdings and the quality of their settings. It is important, therefore, that the Council should make planning decisions affecting these interests openly, impartially, with sound judgement, and for justifiable reasons. The process should leave no grounds for suggesting with any justification, that a decision has been partial, biased, or not well-founded.
- 1.4 Thus the successful operation of the planning system in Slough depends upon the Council always acting in a way which is clearly seen to be fair and impartial. This requires a shared understanding of the respective roles of Councillors and Officers and trust between these parties. The following quotation from the Local Government Association serves to illustrate the point:-

“The role of an elected member on a planning committee involves a balance between representing the needs and interests of individual constituents and the community with the need to maintain an ethic of impartial decision-making on what can be highly controversial proposals. It is this dual role which, as the Nolan Committee in its recent report acknowledges, can give rise to great tensions”.

(Source: Probity in Planning 1997).

Licensing

- 1.5 The Licensing Committee and its sub-committees deal with a wide range of licensing matters. These include the increased responsibilities of licensing both persons and premises with regard to the carrying out of licensable activities including the sale and supply of alcohol; provision of regulated entertainment; and the provision of late night refreshment, by virtue of the Licensing Act 2003.
- 1.6 Many of the licensing and enforcement functions entail Committee Members and officers acting in a quasi-judicial capacity. In doing so they will follow a proper procedure which accords with the requirements of natural justice and the right to a fair trial contained in Article 6 of the European Convention on Human Rights. It is important that the process is characterized by open and transparent decision-making.
- 1.7 The role of an elected member on the Licensing Committee and its Sub-Committees will involve making informed judgements. For example balancing the multiple needs and interests of the local community whilst prioritizing the Licensing Objectives of the Licensing Act 2003 or balancing the private interests of individuals applying for licences as Private Hire Vehicle Drivers with public safety considerations. In carrying out this role the elected member must maintain his/her impartiality and as public perception of probity is critical, his/her appearance of impartiality too, during the decision making process. Decisions should be made openly, impartially with sound judgment and for justifiable reasons. The process should leave no grounds for suggesting, with any justification, that a decision has been partial, biased or not well founded.

2. GENERAL PRINCIPLES

- 2.1 Councillors are required to comply with the statutory provisions on the disclosure of interests, the Councillors Code of Conduct, this Council's Procedure Rules and its Scheme of Delegation.
- 2.2 Officers involved in the processing and determination of planning and/or licensing matters must also act in accordance with the Council's Procedure Rules, Scheme of Delegation, the relevant sections of the Royal Town Planning Institute's Code of Professional Conduct, any other relevant professional or adopted Council Employee Code of Conduct as appropriate.
- 2.3 With regard to Planning this Code deals primarily with planning applications, but also to consideration of Development Plan Documents, Development Briefs, enforcement cases and all other planning matters. An *overriding* principle is that when local authorities are dealing with planning matters, they should only take into account material planning considerations and ignore irrelevant matters (**Appendix A**).
- 2.4 With regard to Licensing this Code deals with all Licensing matters including the duties introduced by the Licensing Act 2003 (regarding licensable activities including the sale and supply of alcohol; provision of regulated entertainment; and the provision of late night refreshment) which require

determination having taken into account the Licensing objectives contained within the Licensing Act 2003 and the Council's Statement of Licensing Policy.

- 2.5 This Code is supplemental to the provisions referred to above and provides further specific advice and guidance for Councillors and Officers involved in planning and licensing matters. A key principle is that Councillors should represent their constituents as a body and vote in the interests of the Borough as a whole. Councillors should take account of all views expressed, they should not be biased or appear to be partial towards any person, company, group or locality.

3. GENERAL ROLES OF COUNCILLORS MEMBERS AND OFFICERS

- 3.1 Councillors and Officers have different, but complementary roles. Both serve the public but Councillors are responsible to the electorate, whilst Officers are responsible to the Council as a whole. A successful relationship between Councillors and Officers can only be based upon mutual trust and understanding of each other's position. This relationship, and the trust which underpins it, must never be abused or compromised.
- 3.2 Councillors set the Council's planning and licensing policies and must determine applications, enforcement issues and other planning and licensing matters within the context of those policies. When Committee Members come to make a decision, they must:-
- (a) Act fairly and openly
 - (b) Approach each application with an open mind.
 - (c) Carefully weigh up all relevant issues.
 - (d) Determine each application on its own merits.
 - (e) Avoid contacts with interested parties which might be taken to indicate that they were unduly influenced by one party or another.
 - (f) Ensure that there are clear and substantial reasons for their decisions, and that those reasons are clearly stated.
- 3.3 The Officers' function is to advise and assist Committee Members in matters of policy and in their determination of planning and licensing applications, enforcement issues and any other matters by:-
- (a) Providing impartial and professional advice.
 - (b) Making sure that all the information necessary for the decision to be made is given.
 - (c) Providing a clear and accurate analysis of the issues.
 - (d) Setting planning applications, enforcement issues and other planning matters against the broader Development Plan policies and all other material considerations.

- (e) Setting licensing applications, enforcement issues and other licensing matters against the Licensing Objectives, the Council's Licensing Policy and all other material considerations.
 - (f) Giving a clear recommendation.
 - (g) Carrying out the decisions of Committee Members in Committee.
- 3.4 Councillors who also serve on Parish Councils may need to clarify their separate roles in each Council regarding Slough Borough Council planning policies. The public and other interested parties should be clear at all times when the Councillors are acting as a Parish Councillor and when they are acting in their role as a Borough Councillor.
- 3.5 Committee Members who carry out functions in another public authority or another local authority (e.g. parish council or health authority) which is making an application for a license or planning permission or which is making a representation should make a disclosure of his/her position in advance of the Committee/Sub Committee meeting and the Chair of the Committee will consult with the Committee's legal advisor to decide if the Member can take part in the decision-making. If it is decided that a Member can be part of the Licensing Sub-Committee then it is important that it is made very clear that any decision taken has been made on the basis of the Licensing Objectives and the Council's Licensing Policy Statement and that the Member concerned is coming to the hearing with an open-mind.
- 3.6 When the Licensing Sub-Committee is considering an application from the Council for a licence, a Councillor who took part in the Council meeting, which approved the policy statement, or the Licensing Committee, which recommended it, would not normally be excluded from the Licensing Sub-Committee. However, there may be an exception if the Member involved could reasonably be seen as having been leading or particular advocate for or against the proposal to such an extent that there were doubts that the Member had retained a genuinely open-mind.

4. DECLARATIONS OF INTEREST

- 4.1 Councillors should observe strictly the guidance on the disclosure of interests as set out in the Councillors Code of Conduct adopted by the Council in June 2012 (as updated). A Councillor with a personal interest in a matter also has a prejudicial interest in that matter if the interest is one which a member of the public, with knowledge of the relevant facts, would reasonably regard as so significant that it is likely to prejudice the Member's judgement of the public interest.
- 4.2 Councillors who have substantial property interests, or other interests which would prevent them from voting on a regular basis should avoid serving on the Planning Committee, the Licensing Committee or Sub-Committee.
- 4.3 Gifts and hospitality give rise to particular problems in respect of the credibility of the planning and licensing process and the acceptance of gifts or hospitality

by Councillors or Officers can be a very serious criminal offence. Committee members should have particular regard to the provisions of the Councillors Code of Conduct and must immediately report to the Monitoring Officer any offer of gifts or hospitality. Also, they should avoid any behaviour which might be taken as indicating that they are open to such offers. Officers should strictly comply with the Council's adopted Employee Code of Conduct.

- 4.4 Officers must seek permission from the appropriate senior officer for any private work or interest which they wish to take up as required by the Council's Rules.

5. PRE-APPLICATION DISCUSSIONS

Planning

- 5.1 Discussions between a potential applicant and the Council prior to the submission of an application can be of considerable benefit to both parties, and is regarded as best practice. Discussions can take place for a variety of reasons, for example: to establish whether an application can be improved in design, to overcome planning objections, meet relevant neighbour concerns or concerns on matters relating to owner and disorder or noise or the presence of children.
- 5.2 It should always be made clear at the outset that pre-application discussions will not bind the Council to making a particular decision and that any views expressed are provisional, until all relevant information is submitted and consultations on it have taken place.
- 5.3 Officers will ensure that their advice is neither partial, nor seen to be and is in line with Council policy. This is because a consequent report could be seen as advocacy for a particular point of view. A written attendance note should be made of pre-application discussions, and important telephone conversations and placed on the relevant file. Ward Members will be supplied with a copy of formal pre-application advice given by planning officers on prospective major planning applications except where there is a justified request for confidentiality by the potential applicant.
- 5.4 Committee members are encouraged to participate in pre-application submissions through the 'Developer's briefings to Planning Committee Protocol' in order to gain more information about proposed developments likely to be presented to the Planning Committee. This pre-application process gives members the opportunity to make applicants aware of specific concerns and for the applicant to respond in a proactive manner, before the application is submitted and without undermining the ability of the members to participate in the decision making process. If there are other occasions when Committee members are involved, they must be accompanied and advised by professional officers of the Council including a Senior Planning/Licensing Officer. The involvement of Committee members in such discussions will be noted by Officers in a written attendance note which must be placed on the relevant file.

- 5.5 For the avoidance of doubt, Committee Members are prohibited from negotiating with the applicant.

Fees may be charged for pre-application advice – applicable fees can be viewed on the Council's website at www.slough.gov.uk

6. ATTENDANCE AT PUBLIC MEETINGS

- 6.1 Officers who are wholly or partly involved in the processing or determination of planning/licensing matters should not attend public meetings in connection with pre-application development proposals or submitted planning applications, unless their attendance has been agreed by the Planning Manager. To do so could lead to allegations of prejudice or bias to a particular point of view. If such attendance has been authorised, Officers should only provide information and give no view on the merits or otherwise of the proposal.
- 6.2 When attending public meetings, Committee members must be accompanied by a Senior Planning / Licensing Officer and they should take great care to maintain their impartial role as a Councillor, listen to all the points of view expressed by the speakers and the public and not state a conclusive decision on any pre-application proposals and submitted applications.

7. RESPONSE TO LOBBYING OF COUNCILLORS

- 7.1 It is a fact of life that when Councillors undertake their ward roles they will be approached by prospective and actual applicants (and agents) or members of the public with a view to them lending support to the proposal, or indeed opposing it. When Committee Members are lobbied they need to exercise great care to maintain the Council's reputation and the Member's own integrity and the public perception of the planning and licensing process.
- 7.2 If they are approached, Committee Members should use all reasonable endeavours to refer the person to another Member who is not a Member of the Planning or Licensing Committee. If, however, the lobbying persists then Committee Members should expressly state that whilst they can listen to what is said, they cannot give any commitment (for or against) in respect of the application/proposal for to do so without all relevant information, evidence and views would be unfair, prejudicial and may amount to maladministration. If a Member who sits on the Licensing Sub-Committee wishes to represent the person then he/she will need to excuse him/herself from the Licensing Sub-Committee and address the Sub-Committee as a local member.
- 7.3 If a Committee Member considers that an ordinary member of the public believes that s/he held a conclusive view in respect of an application or other matter before the relevant meeting then s/he should advise the Monitoring Officer in writing prior to the meeting, and not take part in the debate or vote on the issue.
- 7.4 If approached by a constituent, who is not professionally represented, a Committee member should only give advice on planning or licensing

procedure, rules and policy. If approached by a constituent who is represented, or a non-constituent, or a professional agent, a Committee member should refer the person making the approach to the Planning Manager / Planning Case Officer or Licensing officer as appropriate.

- 7.5 Other than for formal site visits, Committee members should not enter premises or sites (if the visit is in relation to the application) which are, or are likely to be, the subject of a licensing application, planning application or forms part of a Development Plan proposal.
- 7.6 Committee Members should not organise support, opposition or put undue pressure on other Councillors or Officers for a particular decision/recommendation.
- 7.7 A decision in respect of any planning or licensing matter or application can only be taken at the relevant Committee when all relevant information is to hand and has been carefully considered. Individual Committee Members should reach their own conclusions at the meeting rather than be influenced by others. In this regard, any political group meetings prior to Committee meetings should not be used to decide how Committee Members should vote.

8. THE PARTY WHIP

- 8.1 Committee Members cannot accept an instruction from anyone to determine an application in a particular manner, but must determine the issue on its merits. Accordingly, whilst they may accord appropriate weight to the views of other Committee Members, whether expressed in the Committee meeting or in prior discussions, they must determine the application on its merits and should not take into account any factor which they are not prepared to state in open Committee. Therefore, it is inappropriate for any Party Group to instruct its Committee Members to vote in a particular manner on an application or to apply or threaten to apply any sanction to any Member who votes contrary to the Group's collective views.
- 8.2 Where such a "Whip" has been applied, Committee Members should declare it in exactly the same manner as they would declare any other attempt at lobbying.

9. PUBLIC PARTICIPATION SCHEME FOR PLANNING

- 9.1 Applications for planning permission are determined by either Officers acting under the Council's Scheme of Delegation or by Members who form the Planning Committee. Each application is subject to a public consultation/notification exercise which includes local residents and other bodies inviting comment in writing on the application before it is determined.
- 9.2 The following will be allowed to address the Planning Committee before Committee Members take their decision:-
- (a) Objectors (subject to para 4 of the explanatory leaflet set out in Appendix B)

- (b) Parish Council representatives
- (c) The applicant (or his agent)
- (d) Ward Councillors or other appropriate elected representatives raising material planning issues on behalf of those they represent.

9.3 The Public Participation Scheme will only apply to applications which are to be determined by the Planning Committee. They do not apply to any matter where the Planning Committee is considering enforcement of any kind. Applications to be determined under Officer Delegated Authority are not subject to the requirements of this code.

9.4 The Public Participation Scheme will operate in accordance with the explanatory leaflet attached as **Appendix B** to this Code of Conduct.

10. ELECTED MEMBERS AS INTERESTED PARTIES UNDER THE LICENSING ACT

10.1 All elected councillors are “interested parties” under the Licensing Act 2003 and can make representations in their own right in response to premises licence and club premises certificate applications.

10.2 Councillors either need to be 'interested parties' in their own right or need to be asked by an 'interested party', specifically, to represent them.

10.3 Only “relevant representations” can be considered by the licensing authority. Representations that are made about the general problems in an area or the fact that there are “too many” licensed premises in an area, for example, **are not** relevant representations. Representations should address the effect of the application on one or more of the licensing objectives, i.e. –

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

10.4 Given the quasi-judicial nature of the proceedings, all representations or reviews:

- must be in writing, showing the name and address of the person seeking to make the representation (the representation/review application must be published as part of the process) – there is a prescribed form for reviews on the Licensing Act web pages on the SBC web site;
- must clearly set out the likely effects the grant of the licence would have on the promotion of at least one of the licensing objectives;
- must present evidence which is relevant in support of the representation or review; and
- must clearly relate to the premises for which an application is being made.

10.5 Councillors can make representations or apply for a review in respect of any premises within any ward in the licensing authority’s area.

- 10.6 Members of the Licensing Committee can make representations or request a review and in addition to this also address the Licensing Sub-Committee as an interested party. However, a Councillor cannot sit as a member of the Sub-Committee when it considers the application that they are involved in.

Elected Member representing another interested party

- 10.7 Councillors are able to represent another interested party (or parties) who has made a representation. In this scenario the Councillor does not need to have made a representation in his/her own right, but must ensure that he/she demonstrate to the licensing authority that they have been requested to represent the interested party or parties in question.

11. REPORTS BY OFFICERS

- 11.1 Reports to the Planning Committee on applications and other planning matters must be clear and accurate and comprise:-
- (a) a description of the site/summary of the application
 - (b) any related planning history
 - (c) full details of any relevant policies of the Development Plan and other material considerations.
 - (d) a technical appraisal of which clearly justifies the written recommendation.
 - (e) a written recommendation setting out clear and unambiguous reasons for:
 - (i) granting planning permission (with conditions to be attached); or
 - (ii) refusal.

Officer reports should be proportionate to the planning issues. It will be acceptable for reports to summarise analysis when there is compliance with policies and concentrate analysis on issues where there is conflict or some variance with policies. The content of reports is the responsibility of the Planning Manager.

- 11.2 Officers may supply written information at the Planning Committee to take account of additional relevant matters that arise between the publication of the agenda and the date of the meeting. Plans of the proposed development will be available for inspection at Committee. The Chair, at the request of any Member of the Committee, shall adjourn the meeting for a reasonable period of time to enable the Committee Members to have an opportunity of reading any information which has been tabled by the officers at the meeting.
- 11.3 As a general rule the Members of the Committee will not take into account any written information at the meeting which has not been submitted by the developer/applicant or any consultees (including local residents) as part of the application process. However in exceptional circumstances the chair, in consultation with the officers present, may exercise his/her discretion to consider new information if it is appropriate to do so.

- 11.4 Reports to the Licensing Committee on applications and other licensing matters must be clear and accurate and comprise:-
- (a) full summary of the application
 - (b) summary of the representations made
 - (c) summary of how the Licensing Officer views the provisions of the Licensing Policy, Guidance of the Secretary of State and the relevant legislation as relating to the application.
 - (d) any relevant representations.
 - (e) a site location plan
 - (f) a written recommendation setting out clear and unambiguous reasons for:
 - (i) granting the license or
 - (ii) refusal.
- 11.5 The relevant Planning/Licensing Officer must be available at the Licensing Committee to answer any questions or clarify any queries raised by Committee Members.

12. THE DECISION MAKING PROCESS

Planning

- 12.1 In determining applications submitted pursuant to the Town and Country Planning Act 1990, and other planning or planning related legislation, the Council will follow the Guidelines adopted as part of this Planning Code. These adopted Guidelines will be subject to changes from time to time to reflect the latest government guidance and case law (Appendix A).
- 12.2 Committee Members should not take part or vote on any application or matter if they have not read the committee report and have not been present throughout the consideration of such application or matter unless the item has been deferred from a previous meeting after being partially considered.
- 12.3 In discussing and determining a planning application enforcement issue or other planning matter, Committee Members should confine themselves to the planning merits of the case. The reasons for making a final decision should be clear, convincing and supported by material considerations and the planning merits. The Planning Committee's decisions should be properly minuted.
- 12.4 From time to time Members of the Planning Committee will disagree with the professional advice given by the Planning Manager or his/her representative. As indicated in paragraph 1.2 above planning is not an exact science and there can be genuine disagreement about the implications of a particular proposal. A senior legal officer will be present at Committee and will be able

to advise if the facts simply cannot support the conclusion which the Committee Members have drawn and the Committee is in danger of acting unreasonably.

- 12.5 Where Committee members wish to add or amend conditions or reasons for refusal, the general content will be agreed at the meeting before the vote is taken and the final wording will generally be delegated to the Planning Manager. Where an appeal arises against such a decision, Officers will give support to the relevant Committee Members in preparing evidence for the appeal, but it will be for Members of the Planning Committee to appear at any appeal inquiry/hearing and give evidence to justify the reasons for the Committee's decision.
- 12.6 If the officer report recommends approval of a departure from the Development Plan, the justification for this recommended departure should be included in the report.

Licensing

- 12.7 In determining applications submitted pursuant to the Licensing Act 2003 the Council will follow Licensing Objective contained in the Licensing Act 2003, the Council's Licensing Policy, Government Guidance and Regulations.
- 12.8 In discussing and determining a licensing application, enforcement issue or other licensing matter, Committee Members should confine themselves to the licensing merits of the case. The reasons for making a final decision should be clear, convincing and supported by material considerations and the licensing merits. Reasons for decision must be clearly documented so that any subsequent accusation of bias etc. can be defended. It is critical that it is clear that decisions are made according to the Licensing Objectives of the Licensing Act 2003 as well as the Council's Licensing Policy Statement. The Licensing Committee's decisions should be properly minuted.
- 12.9 Committee Members should not take part or vote on any application or matter if they have not read the committee report and have not been present throughout the consideration of such application or matter unless the item has been deferred from a previous meeting after being partially considered.

13. APPLICATIONS OR PROPOSALS OF COUNCILLORS, OFFICERS AND THE COUNCIL

- 13.1 Councillors and Officers should never act as agents for individuals (including a company, group or body) pursuing an application, enforcement issue or other planning or licensing matter. If Councillors or Officers submit their own development proposal or licensing application to the Council, they should take no part in its processing or the decision-making. The Council's Monitoring Officer should be informed by the Councillor or Officers of all such proposals as soon as they are submitted and shall ensure that such applications and/or matters are dealt with in a correct and open manner.

13.2 Applications made on behalf of the Council for its own development must be determined in an identical manner to applications made by the general public and the same planning policy considerations applied. The Council's current practices and procedures achieve this with identical consultation and publicity in relation to the application. Decisions must be made strictly on planning/ licensing merits and without regard to any financial or other gain which may accrue to the Council if the development license is permitted. Applications for development by the Council are considered by the Planning Committee for decision or in accordance with the Council's Scheme of Delegation. This scheme gives clear guidelines on when planning applications will be determined under delegated powers. All applications for licences by the Council are considered by the Licensing Committee for decision irrespective of whether or not representations are made.

14. SITE VISITS

General

14.1 Site visits are:-

- (a) fact finding exercises
- (b) not part of the formal consideration of the application and therefore public rights of attendance do not apply
- (c) to enable Officers and the Applicant to point out relevant features
- (d) to enable questions to be asked on site for clarification. However, discussion on the application will only take place at the subsequent Committee as all relevant parties may not be in attendance on site.

14.2 At the site visit Committee Members shall be accompanied by a Planning/Licensing Officer who will record what takes place at the inspection. Committee Members may ask questions of the Officers and the applicant/agent. However, representations on the merits of the application will not be heard.

14.3 The site visit shall take place during normal working hours as far as is practicable unless there are exceptional reasons which dictate otherwise (which should be minuted).

14.5 The Planning Officer who attended the site visit will prepare notes for the Planning Committee on the planning issues and any relevant information obtained by Committee Members and a recommendation on how the application should be determined.

14.6 The Officer attending the site visit will ensure that all correspondence in relation to site visits clearly identifies the purpose of the site inspection, the format and conduct of the inspection and the appropriate procedure for the applicants, agent and interested parties to address Committee Members.

Planning

- 14.7 A site visit is private and its purpose is for Committee Members to gain knowledge of the development proposal and to observe the characteristics of the site and its relationship to its surroundings. A site visit may be called by
- Any two Members of the Planning Committee;
 - A Ward member, if the application has been referred to Committee by the Planning Manager on the request of the Ward Member.
- 14.8 Requests for site visits will be made directly to Democratic Services, with an outline of the main reasons as to why a site visit should take place and must be submitted ten working days before the meeting at which the application is to be considered.
- 14.9 All Members of the Planning Committee will be invited to the site visit and all ward members will also be advised of the visit and invited to attend.

Licensing

- 14.10 Site visits by Licensing Sub-Committee members shall only be undertaken where objective decisions cannot be taken without viewing the site and adjoining properties and the reasons should be clearly minuted. If a site visit is agreed a Viewing Panel shall be properly constituted where at least two Sub Committee members attend the site accompanied by the licensing officer who will record what takes place at the inspection.

15. PLANNING AGREEMENTS

- 15.1 When applications which propose or require planning obligations by agreement are referred to the Planning Committee the heads of agreement will be included in the Officers' written report, and a copy of the agreement, when made, will be publicly available, provided (following the advice of a Council Solicitor) it is not considered to prejudice clearly established interests of commercial confidentiality.

16. TRAINING

- 16.1 No Councillor should be appointed to the Planning Committee or Licensing Committee without having agreed to participate in educational training programmes directed towards the role of Councillors in making decisions.
- 16.2 The Council will, from time to time, consider and review the form of education and training that is most appropriate.
- 16.3 Training sessions for Planning Committee by the Council's Solicitors and Planning Officers will cover the following topics:-
- The Role of the Government in Planning
 - The Development Plan and Material Considerations
 - Section 106 Planning Obligations/Planning Conditions

- Enforcement of Planning Control
- Permitted Development
- Planning Procedures

16.4 Training for Licensing Committee will cover all aspects of the Council's Licensing functions.

16.5 This training will be open to all Councillors and brief handouts will be provided where appropriate. The Council welcomes suggestions from Councillors on any other subjects which they would like to see covered and any other training procedures that they would wish to adopt.

17. COMPLAINTS & RECORD KEEPING

17.1 In order that planning and licensing procedures are undertaken properly and that any complaints can be fully investigated, record keeping will be complete and accurate. Every planning application and licensing application file will contain an accurate account of events throughout its life, particularly the outcomes of meetings, significant telephone conversations and any declarations of interest by Councillors.

17.2 The same principles of good record keeping will be observed in relation to all planning, enforcement and licensing matters. Monitoring of record keeping may be undertaken by the appropriate managers.

COUNCIL GUIDELINES FOR DETERMINING PLANNING APPLICATIONS

1. APPLICATIONS UNDER THE TOWN & COUNTRY PLANNING ACT 1990 (TCPA)

- (i) The emphasis in determining applications is upon a plan led system. Section 54A of the Town and Country Planning Act 1990 requires all planning applications to be determined by reference to the Development Plan if material to the application, and any other material considerations. If the Development Plan is material to the application then the statutory position is that the application should be determined in accordance with the Development Plan unless material considerations indicate otherwise.
- (ii) The term “other material considerations” has a wide connotation as expressed by the following judicial comment:-

“.....I find it impossible, however, to accept the view that such considerations are limited to matters relating to amenity.....it seems to me that any consideration which relates to the use and development of land is capable of being a planning consideration”.
- (iii) Material considerations include national planning guidance in the form of Government Circulars, Planning Policy Statements, Non-Statutory Development Control Guidelines and case law. A ministerial statement may be a material consideration.
- (iv) Examples of material considerations are:-
 - (a) appearance and character of development;
 - (b) traffic generation, highway safety and parking;
 - (c) Overshadowing, overlooking and loss of privacy;
 - (d) noise, disturbance or other loss of amenities;
 - (e) layout and density of buildings;
 - (f) relevant planning policies.
- (v) Matters which are not material considerations include:-
 - (a) boundary disputes, covenants or other property rights;
 - (b) personal remarks (e.g. the applicant’s motives);
 - (c) reduction in property values;
 - (d) loss of private view over the land.
- (vi) The personal circumstances of an applicant for planning permission are not generally a material consideration because they do not relate to the character or use of the land. However, in exceptional circumstances they may outweigh other material planning considerations. Where this is the case, specific and valid reasons must be given to justify the exception.
- (vii) What constitutes a material consideration is a matter of law. The weight to be attached to the consideration is a matter of planning judgement for the decision-maker having regard to the planning evidence. In attaching

weight to any offers of community benefit accompanying any planning application, Members must be mindful of the advice in the Planning Practice Guidance: Planning Obligations as to the legality and materiality of such offers.

- (viii) It is essential to consider thoroughly any advice given by a statutory consultee or relevant Government Department, including views expressed by Historic England or the Environment Agency.
- (ix) The view of local residents are relevant when determining a planning application, but it must be recognised that such opposition cannot be a reason in itself for refusing or granting planning permission unless founded on valid planning reasons, which are supported by substantial evidence ((Planning Practice Guidance)).
- (x) Account should be taken of previous Council decisions, appeal decisions in relation to the site, or other related appeal decisions.
- (xi) It is not permissible to prevent, inhibit or delay development which could reasonably be permitted.
- (xii) Planning Conditions should only be imposed for a planning purpose and not for any ulterior one. They must fairly and reasonably relate to the development. Thus it is essential to avoid conditions which are unnecessary, unreasonable, unenforceable, imprecise or irrelevant.

2. **APPLICATIONS UNDER THE PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990 (PLBCA)**

- (i) It is now established that the determination of planning applications and applications for PLBCA are two separate statutory duties. The provisions of the TCPA do not override those of the PLBCA.
- (ii) The Development Plan contains policies that deal with development in Conservation Areas and applications for Listed Building Consent under the PLBCA to enable the local authority to consider the desirability of preserving the building or its setting or any feature of special historic interest or the Conservation Area.
- (iii) Members will also have regard to the replies of statutory consultees, e.g. Historic England and amenity societies.
- (iv) Planning Practice Guidance and the Historic Environment Records will be relied upon.
- (v) Any other material consideration, e.g. appeals decisions and relevant case law.

PUBLIC PARTICIPATION SCHEME

SLOUGH BOROUGH COUNCIL

**What happens about my
Objection to a
Planning Application?**

This information explains how your objection is dealt with and how the application is determined. Your views on planning applications are always considered when planning decisions are made

1. I have objected. What happens next?

1.1 Planning officers will consider whether:

- the application should be recommended for approval as it stands
- it should be amended to resolve your objection, or
- it should be refused

1.2 Your written objection may be made by email or by letter. Your written objection will not normally be replied to or acknowledged. If the application is to be referred to the Planning Committee you will be notified when the Agenda is prepared to give you the opportunity to register if you wish to speak on your objection. The deadline for receipt of requests to speak at a Planning Committee shall be no later than three clear working days prior to the day of the meeting. If exceptionally an application is taken to Planning Committee as a late urgent item you will be informed. If there is not three working days for the submission of your request discretion may be exercised to relax the procedure.

1.3 If you have submitted a petition in response to a planning application your petition will be noted for the purposes of the Public Participation Scheme and, in the event that the application is to be determined by the Planning Committee, the petition organiser/main contact will be advised of their right to speak at the meeting.

[Note: The submission of a petition does not mean that the planning application will automatically be referred to the Planning Committee.]

2. Who Makes the Decision?

Most planning applications are dealt with at officer level under a Scheme of Delegation. In this circumstance the application will not be reported to the Planning committee for determination. In certain circumstances, as set out in the Scheme of Delegation, the application will be determined by the Planning Committee. Any comments received will be summarised in a report when the application is presented.

3. Can I see the officer's report before the Planning Committee Meeting?

Yes. The agenda and reports will be available five working days before the meeting. An additional paper (The Amendment Sheet), containing information received after the reports have been written and prior to the meeting, will be circulated at the meeting.

4. Can I speak at the Planning Committee Meeting?

Slough Borough Council has a public participation scheme that allows for speaking about a planning application that is to be determined by the Planning Committee. You may speak if:-

- (a) you have made a written objection or lodged a petition and
- (b) registered to speak.

5. Can a member of the public speak about any application on the Agenda?

No. Members of the public can only speak if they have objected in writing to an application and registered to speak, in line with the Public Participation Scheme.

6. How much time will be allowed for speakers?

A total of four minutes per site/application will be allocated to hear the views of all objectors, four minutes for Parish Councils and four minutes for the applicant/agent. The Chair of the Planning Committee can in exceptional circumstances extend the time limit for all parties and his decision will be final.

7. What happens if there are a number of objectors wishing to speak?

- 7.1 The time limit remains the same and objectors will be encouraged to present a joint objection or appoint a spokesperson, as this is often the most effective use of the time available. In order to agree the best approach, objectors may contact the Planning Committee Clerk for details of others wishing to speak. The telephone and fax numbers and the e-mail address can be found in the Notice of Objection form which accompanies this leaflet. In some cases the Parish Council or a Residents' Association may be willing to represent objectors.
- 7.2 The Council needs to strike a balance between providing the opportunity for people to be heard and ensuring that the applications are dealt with efficiently, within a meeting of reasonable length. This is why there is a time limit on speakers.

8. Can someone else speak on my behalf?

Yes. You could ask a friend, relative or professional adviser to speak for you.

9. How do I present my objection?

The Committee may only consider relevant planning issues. Please limit your comments to matters such as:-

appearance and character of development
traffic generation, highway safety and parking
overshadowing, overlooking and loss of privacy
noise, disturbance and other loss of amenities
layout and density of buildings
relevant planning policies

Please avoid matters that cannot be considered by the Committee such as:-

boundary disputes, covenants or other property rights
personal remarks (e.g. the applicant's motives)
reduction in property values
loss of private view over the land

If you would like to check what issues are relevant, please contact the appropriate planning officer in the Customer and Communities Department. Advice is given free of charge at present but is subject to review.

You may be asked to pay a fee for specific advice from a Planning Officer in accordance with any charging scheme the Council may introduce.

If you have any questions or documentary evidence e.g. letters, maps, photographs etc in support of your objection they must normally be submitted to the appropriate planning officer at least 72 hours before the meeting. This will allow any such documents to be

verified and to be given proper consideration by the Committee. Documents or questions submitted outside this deadline can only be considered in exceptional circumstances and with the approval of the Chair.

10. When and where are the meetings held?

Applications are dealt with by the Planning Committee, which meets at 6.30 p.m. You will be advised by letter or e mail of the date of the meeting if the application you have objected to is to be considered by the Committee and the location of the meeting.

11. Who is on the Committee and who else will be there?

The Committee is made up of elected Councillors. Council Officers attend to advise the Committee and make a formal record of the meeting. Other Councillors may be present to speak on applications within their Ward, but they cannot vote. Any member of the public or applicant may attend to listen to the debate and the Media is usually present.

12. What is the order of business at the meeting?

The Chair of the Planning Committee will normally amend the order of business on the Agenda and deal firstly with those applications where people have expressed a wish to speak under this Scheme.

13. What is the order of speaking for each application?

The Chair will announce the application.

A planning officer will give a short introduction.

The Chair will invite objectors to speak

The Chair will invite the applicant or agent to speak

The Chair will invite the Ward Councillor(s) to speak

The Chair will invite the Parish Council representative to speak.

Committee members may ask questions of the speakers and seek clarification of particular points from officers.

The Committee will then discuss the application and make a decision. This may be to:-

1. approve the application
2. refuse the application
3. delegate the application to the Planning Manager for final determination
4. defer consideration e.g. for further information or amendments, or
5. defer consideration for a site visit by a panel of Councillors.

14. What happens if an application is deferred for a Site Visit?

If, before the meeting, a councillor asks for a site viewing and the application is not discussed, you will be invited to speak at a subsequent meeting when the item will be considered. If, after hearing the objectors, the Committee decides to view a site, you will

not be invited to speak again. **You will be given only one opportunity to speak on an application.**

15. Can Objectors speak at a Site Visit?

No. The site visit is private and its purpose is to observe characteristics of a site and its relationship to the surroundings. Representations on the merits of the application will not be discussed.

16. Can an application be approved by the Committee if it is recommended for refusal?

Yes the Committee (i.e. the Members elected by the public) can disagree with the officer's recommendation.

17. What happens after the decision is made?

The applicant/agent will be sent the notice of decision. Objectors/supporters can view the decision on the Council's website. www.slough.gov.uk or inspect the Planning Register at the Planning Office. Where an application has been refused, the applicant can appeal to the Planning Inspectorate. You will be advised of any such appeal, your original comments will be forwarded to the Inspectorate and you will be asked for any further comments. Where an application has been granted, there is no opportunity for objectors to appeal.

Rules, Procedures and Guidelines for Public Speaking at Planning Committee

1. An objector, a representative of the Parish Council and the applicant may each speak on a planning application for a period not exceeding four minutes (per application). Circulation of any photographic or written material by speakers will not be permitted – any such information should be formally sent to the Planning Department for consideration well in advance of the meeting and preferably during the early planning application consultation stages where possible.
2. In the event of more than one objector wishing to speak, objectors may nominate one person to speak for all or the time may be shared. No cross-questioning will be allowed.
3. Speakers should restrict their comments to material planning considerations. A brief guide is given below.
4. Those wishing to speak should complete the registration form and submit this no later than 3 clear days prior to the committee meeting). Speakers should arrive no later than 6.15 pm on the evening of the committee meeting to allow the order of speakers to be confirmed and procedural arrangements to be clarified.
5. When the application comes forward for consideration at the Committee meeting the Planning Officer will introduce the report. The Chair will then call forward the public speakers: Objectors, Applicant, and Parish Councillors. Any Member of the Council who is not a member of the Planning Committee but who wishes to address the Committee will then be offered the opportunity to speak.
6. Public address is not an opportunity to engage officers or Councillors in dialogue. At the end of the period of public address, the Committee will debate and vote on the application. Members of the public, including any previous public speakers will not be able to address the Committee further.
7. The four-minute time limit will be strictly observed.
8. The decision of the Chairman will be final in terms of any questions of interpretation arising from these written procedures.

The Committee may only consider relevant planning issues. Please limit your comments to matters such as:-

appearance and character of development
traffic generation, highway safety and parking
overshadowing, overlooking and loss of privacy
noise, disturbance and other loss of amenities
layout and density of buildings
relevant planning policies

Please avoid matters that cannot be considered by the Committee such as:-

boundary disputes, covenants or other property rights
personal remarks (e.g. the applicant's motives)
reduction in property values
loss of private view over the land

Developer's briefings to Planning Committee Protocol

Early member engagement in the planning process is encouraged and supported by the NPPF. Enabling a developer to brief and seek the views of elected Members about planning proposals at an early stage (usually pre-application or where this is not possible, very early in the formal application period) is important in ensuring that new development is responsive to and reflects local interests/concerns where possible.

Slough Borough Council proposes to achieve this objective through formal presentations to the Planning Committee in accordance with procedures set out in this Protocol. No decision will be taken at these meetings and if the pre-application submission is followed by a formal planning application, the application will be subject to the normal procedure of a report to a future meeting of the Planning Committee.

1. The purpose of briefings is:

- To enable Members to provide feedback that supports the development of high quality development through the pre- application process, and avoid potential delays at later stages;
- To ensure Members are aware of significant applications prior to them being formally considered by the Planning Committee;
- To make subsequent Planning Committee consideration more informed and effective;
- To ensure issues are identified early in the application process, and improve the quality of applications; and
- To ensure Members are aware when applications raise issues of corporate or strategic importance.

2. What sort of presentations would be covered in the briefings?

Presentations on proposed large-scale developments of more than 50 dwellings, or 5,000m² of commercial or other floorspace or which includes significant social, community, health or education facilities, or where the Planning Manager considers early discussion of the issues would be useful; and

Presentations on other significant applications, such as those critical to the Council's regeneration programmes, significant Council developments, or those requested by the Chair of the Committee or deemed appropriate by the Planning Manager.

3. Frequency and timings of meetings

The presentation will coincide with the monthly Planning Committee meetings.

4. Format of the presentations

- The meeting will be chaired by the Chair of the Planning Committee who will ask Members attending to disclose any relevant interests;
 - The Developer will supply all presentation materials including any models, and these will be displayed in the meeting room;
 - Officers to introduce the proposal (5 minutes);
 - The developer and/or agents will be invited to make a presentation (10 minutes);
 - Ward Members will have the opportunity to address the Committee (4 minutes each, subject to the discretion of the Chair);
 - Question and answer session: Members of the Planning Committee and Ward Members will be able to ask questions to the Developer and officers (15 minutes) Supplementary questions from Ward members to be at the discretion of the Chair);
-
- A short note of the meeting summarising Members' comments would be made.

5. Other matters

Members questions will be restricted to points of fact or clarification and must be structured in a way that would not lead to a member being perceived as taking a fixed position on the proposals. Members should ensure that they are not seen to pre-determine or close their mind to any such proposal as otherwise they may then be precluded from participating in determining the application.

Part 5.3 Local Code of Conduct for Employees

STATUS: This Code is binding on all Council employees other than those based in Schools whose employment terms are determined by Governing bodies. Any breach of the Code and the standards it sets will result in disciplinary action as could be an accessory to such a breach. The Authority requires that all employees operate within the law, as unlawful or criminal behaviour, even away from work, will lead to action against you. A breach of some rules can be so serious as to be deemed to be gross misconduct. This will entitle the Authority to dismiss you for a first offence without notice under the Authority's Disciplinary Procedure.

CONTACT: It is your responsibility to read this Code and work in accordance with it. If you are unsure about any aspect, check it with your line manager or Human Resources.

CODE OF CONDUCT FOR EMPLOYEES

1. Introduction

- 1.1 This Code of Conduct is incorporated into your contract of employment. It sets out the responsibilities and standards Slough Borough Council (the Authority) expects of you and the values it expects all staff to uphold. In carrying out your duties you are expected

To promote:

- The highest standards in public life
- Harmonious working relationships
- The Council's values and priorities

2. Principles

- 2.1 This code meets the recommendations of the Nolan Committee on Standards in Public Life. The seven principles for those working in Slough Borough Council to observe are:

- **Selflessness** – you should act solely in terms of the public interest.
- **Integrity** – you must not place yourself under any obligation to people or organisations that might try inappropriately to influence you in your work. You should not take decisions in order to gain financial or other material benefits for yourself, your family or your friends. You must declare any interests and relationships and take steps to resolve any conflicts arising in a way that protects the public interest.
- **Objectivity** – you must act and take decisions impartially, fairly and on merit using the best evidence and without discrimination.
- **Accountability** – you are accountable to the public for your decisions and actions and must submit yourself to the scrutiny necessary to ensure this.
- **Openness** – you should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.
- **Honesty** – you should be truthful.
- **Leadership** - you should promote and support these principles by leadership and by example and be willing to challenge poor behaviour wherever it occurs.

2.2 Whilst working for the Authority

You must:

- Comply with the Authority's constitution, service requirements, policies, standards, relevant legislation and professional standards which apply to your role.
- Comply with the procurement rules and financial regulations on the award of contracts and orders.
- Declare to your Director any potential or actual conflicts of interest or relationships that may impact on your work or that of the Authority.
- Report any concerns or breaches of this Code to your manager or in accordance with the Authority's whistleblowing policy.
- Ask your manager if you are unsure of what is required of you.

3. Breach of this Code

3.1 Breaches of this Code (inside or outside of work) will be investigated and may result in disciplinary action. Serious breaches of the Code may be considered gross misconduct and result in dismissal without notice.

4. Political Neutrality

4.1 When working for the Authority

You must:

- Remain politically neutral and objective in your work role.
- Not allow your personal or political opinions to interfere with your work.

5. Working with Elected Members

5.1 You serve the Authority as a whole and not just Members of the ruling political group.

You must:

- Work for all Members and give them appropriate and impartial advice;
- Deal with Members with respect and in a fair and even handed manner.
- Ensure that working relationships are kept on a professional basis.

6. Politically Restricted Posts

6.1 To ensure political impartiality, certain posts are by law politically restricted. This means that if you hold such a post:

You must not:

- Stand as a candidate for election to a local authority, Parliament or the European Parliament.
- Hold office in a political party.
- Canvass at any election for a political party or candidate.
- Speak or write publicly on politically controversial issues or demonstrate support for a political party or candidate.

6.2 Human Resources holds a list of the posts that are politically restricted. This includes posts where employees regularly advise Committees or Sub-Committees; and where employees regularly deal with the media on behalf of the Authority.

7. Working Relationships

7.1 You must demonstrate your commitment to diversity and equality in carrying out the full requirements of your role and behave at all times with respect, courtesy and in a reasonable manner.

- **Elected Members** – In addition to this Code there is a Local Code Governing Relations Between Elected Members and Council Employees that governs your working relationship with Elected Members
- **Local community and service users** – You must remember your responsibility to the community that you serve and ensure courteous, efficient, impartial service delivery to all groups and individuals within the community in accordance with the Authority's policies.
- **Work Colleagues** – your relationship with your work colleagues must be professional, supportive, cooperative and respectful. You should not have day to day managerial responsibility or decision making responsibility relating to pay, discipline, and promotion for someone to whom you are related or with whom you have a close personal relationship. You must comply with the Authority's human resources policies and procedures.
- **Contractors and suppliers and other partners in service provision** – all your relationships of a business or private nature with external or potential contractors/suppliers/partners must be made known in writing to your Director and you must comply with the Authority's procedure for declaring interests. Orders and contracts must be awarded on merit, by fair competition against tenders and no special favour should be shown in the tendering process to businesses run by friends or relatives. No part of the local community should be discriminated against.
- **Candidates for jobs** – whether for temporary, fixed term or permanent roles candidates must be appointed on merit, You should not be involved in the recruitment, selection, promotion or appointment of a spouse, partner, close family member i.e. mother, father, sibling, offspring or other person with whom there is a close personal relationship.

- **Dealing with the media** – only authorised officers may speak, write or give interviews to the media on behalf of the Authority. Otherwise all media requests should be referred to the Communications Office. This does not apply to an employee acting as a spokesperson for one of the Authority's recognised trades unions in the pursuit of legitimate industrial relations activities

8. Duty to Declare Interests (pecuniary and non-pecuniary)

8.1 You are responsible for declaring in writing to your Director any interest (financial or non-financial) relating to yourself, a family member or friend which conflicts or appears to conflict with the Authority's interests and the requirement for you to conduct yourself with integrity, impartiality and honesty. This includes interests, relationships and associations related to:

- The award of contracts
- The supervision of contracts
- The recruitment, promotion and management of personnel
- The provision of services to members of the community
- The awarding of grants to any voluntary organisation with which you are connected
- Access to confidential information
- The sponsorship of community organisations or events

8.2 You must declare membership of any organisation or pressure group which may seek to influence the policies of the Council.

8.3 You must declare membership of any organisation whose membership is not open to the public and that has a commitment of allegiance or whose rules or membership or conduct are secret. This includes the freemasons.

8.4 Your actions during your off duty hours can impact on your employment with the Authority. Subject to the Rehabilitation of Offenders Act 1974, you must declare any criminal charges, criminal prosecutions and sentences including cautions

8.5 You must declare if a family member, partner or close friend becomes a Councillor.

8.6 Employees fall into two categories in relation to declarations:

- **Category A staff** – those staff in a position to influence: the selection of contractors/consultants; the granting of planning and licence consents; negotiations affecting land and property; and the disclosure of confidential information concerning commercial dealings and third parties. These staff must complete an annual return to be given to their Director and included in the confidential register maintained by the Monitoring Officer.
- **Category B staff** – all other staff who may have a conflict of interest are required to make a written declaration to their Director who will maintain a confidential departmental register.

9. Outside Work (paid, unpaid or voluntary)

9.1 You are not prohibited from undertaking outside work whether paid or unpaid providing that, in the Authority's view, this does not conflict with or be to the detriment of your role with the Authority or conflict with the Authority's interest.

9.2 You must obtain written consent from your Director in advance, if seeking to undertake outside work.

9.3 Where outside work has been authorised, you must not use the Authority's facilities (including telephone, photocopies, computers/software, accommodation) for such work unless authorised to do so.

9.4 Examples of outside work include, but are not limited to:

- Being a director, agent or professional advisor to a company.
- Consultancy work.
- Lecturing.
- Being a school governor, special constable or magistrate.
- Volunteer with a charity/voluntary organisation.
- Driving a mini cab.

10. Gifts and hospitality

10.1 As a Council Officer it is important that you treat any offer of gifts or hospitality with great care as acceptance may call into question your integrity. Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the Authority in the community.

You must:

- Make sure that the acceptance of any modest gifts or hospitality is authorised by your Director in accordance with the Authority's procedures.
- Report in writing to your Director all offers of gifts or hospitality even if not accepted by you

You must not:

- Accept personal gifts (monetary or otherwise), loans, fees, rewards, favours, invitations to social, sporting or other events or any advantage from potential or existing contractors, outside suppliers, planning applicants or their agents, grant applicants, Councillors or service users. All such officer must be reported in writing to your Director in accordance with the Authority's procedures.

- Accept gifts or favours from vulnerable service users to whom you may provide care or support. Offers of such gifts or favours from their relatives and friends must also be refused. You must refer to the Social Services procedure regarding such gifts.
- 10.2 Where the refusal of an unsolicited gift may cause offence, the gift may be donated to the Mayor's official charity and the donor informed in writing.
- 10.3 The offering, giving, soliciting or acceptance of an inducement or reward for doing or not doing anything or showing favour or disfavour to any person in your official capacity is to act corruptly and is a serious criminal offence.

11. Handling Authority Money

- 11.1 The Authority is a publically funded organisation. When dealing with the Authority's funds you must be familiar with Procurement Rules, Financial Regulations, the Financial Scheme of Delegations and any other relevant procedures.

13. Protecting Confidential Information

- 13.1 The Authority supports open government. The law requires that certain types of information are available to Elected Members, auditors, government departments, service users and the public. Guidance is given in the Constitution on the disclosure of information including the Access to Information Rules and the Local Code Governing Relations between Elected Members and Council Employees.
- 13.2 Unless the individual/organisation gives informed consent to its release, certain information must be kept confidential.

This includes:

- Personal information relating to service users or third parties.
- Personal information relating to employees or candidates for employment.
- Financial or other information which could prejudice the Authority's interest, if revealed.
- Information provided by contractors relating to their bids or tenders for a contract. Such information is commercial in confidence both during and for a time after the tender process.

13.3 Maintaining confidentiality of sensitive information is essential. Any such breach could lead to the Authority being fined by the Information Commissioner.

You must:

- Comply with the Authority's policies and procedures on information security.
- Report any suspected breach of information security.

You must not:

- Use any information obtained in the course of your employment for your personal gain.
- Pass on any such information to third parties.
- Access or attempt to access information for which you have no access authorisation.

13.4 All requests under the Freedom of Information Act 2000 and the Data Protection Act 1998 must be forwarded to your Director.

14. Working Safely

14.1 The Authority meets its statutory obligations by taking all reasonable and practicable steps to provide a safe and healthy working environment and to ensure that all reasonable steps are taken to protect the health and safety of its service users.

14.2 All employees are expected to know and to follow the appropriate health and safety requirements in their work area.

14.3 Managers are responsible for arranging appropriate health and safety training for employees.

14.4 Any health and safety problems must be reported immediately to the manager responsible for the area concerned.

You must:

- Report any activity which you believe is illegal, improper, unethical, dangerous or a breach of this Code.
- Your report should be to your line manager or if more appropriate to a more senior manager or in accordance with the Authority's whistleblowing policy.

16.2 The whistleblowing policy gives protection to employees who raise concerns that are in the public interest.

16.3 Concerns about your own employment should be raised with your manager or if more appropriate to a more senior manager or in accordance with the Authority's grievance policy.

1. INTRODUCTION

1.1 This Local Code (the Code) aims to:

- clearly describe the respective roles of elected Members and Council Employees (Officers).
- help all those concerned to understand the relationship between Members and Officers.
- offer a guidance framework on the issues which most commonly arise.

1.2 This Code is to a large extent a written statement of current practice and convention and forms part of the Ethical Framework approved by the Audit & Corporate Governance Committee and adopted by the Council as part of the Constitution. It seeks to reflect the principles underlying the respective Codes of Conduct that apply to Members and Officers and to which it is inextricably linked. The shared object of these documents is to enhance and maintain the integrity (real and perceived) of local government and thus the Codes demand very high standards of personal conduct. Accordingly this Code should be read in association with the Council's Constitution and, in particular, the Members' and Employees' Codes of Conduct

1.3 Monitoring compliance with this code is the responsibility of the Audit & Corporate Governance Committee and the Monitoring Officer. Questions of interpretation of this Code will be determined by the Monitoring Officer.

1.4 Further copies are available from the Committee and Member Services Section. A list of contact names and telephone numbers is given towards the end of this Code.

2. THE ROLES OF MEMBERS AND OFFICERS

2.1 The respective roles of Members and Officers can be summarised as follows:-

Members and Officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Members and to the Authority, and to carry out the Authority's work under the direction and control of the Council, the Cabinet, and relevant committees, etc.

Mutual respect between Members and Officers is essential to good local government.

2.2 **Members' Role**

Members have four main areas of responsibility:

- determining the budget and policy framework of the Authority and giving it political leadership,
- monitoring and reviewing the performance of the Authority in implementing that policy and delivering services
- representing the Authority externally, and
- acting as advocates on behalf of their constituents.

It is not the role of Members to involve themselves in the day to day management of the Authority's services.

2.3 **Officers' Role**

The Role of Officers is to:-

- manage the organisation
- initiate policy proposals which accord with the overall framework set by Members
- manage the implementation of policy
- give professional advice in the course of policy development
- take action under delegated powers
- ensure the Council acts lawfully and with financial propriety

3. **EXPECTATIONS**

3.1 **Members can expect from Officers:**

- (a) A commitment to the Authority as a whole, and not to any political group.
- (b) A working partnership.
- (c) An understanding of and support for respective roles, workloads and pressures.
- (d) Timely response to enquiries and complaints.
- (e) Professional advice, not influenced by political views or preference, which does not compromise the political neutrality of Officers.
- (f) Regular, up to date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold.
- (g) Awareness of and sensitivity to the political environment.
- (h) Respect, dignity and courtesy.
- (i) Training and development in order to carry out their role effectively.
- (j) Integrity, mutual support and appropriate confidentiality.
- (k) Not to have personal issues raised with them by Officers outside the agreed procedures.
- (l) That Officers will not use their relationship with Members to advance their personal interests or to influence decisions improperly.
- (m) That officers will at all times comply with the relevant Codes of Conduct.

- (n) Support for the role of Members as the local representatives of the Authority, within any scheme of support for Members which may be approved by the Authority.

3.2 Officers can expect from Members.

- (a) A working partnership.
- (b) An understanding of and support for respective roles, workloads and pressures.
- (c) Political leadership and direction.
- (d) Respect, dignity and courtesy.
- (e) Integrity, mutual support and appropriate confidentiality.
- (f) Not to be subject to bullying or to be put under undue pressure.
Members should have regard to the seniority of officers in determining what are reasonable requests, having regard to the power relationship between Members and Officers, and the potential vulnerability of Officers, particularly at junior levels.
- (g) That Members will not use their position or relationship with Officers to advance their personal interests or those of others or to influence decisions improperly.
- (h) That Members will at all times comply with the relevant Codes of Conduct.

3.3 The distinct roles of Members and Officers necessarily impose limitations upon behaviour. These are referred to and explained below.

4. PERSONAL RELATIONSHIPS

4.1 Mutual respect between Members and Officers is essential to good local government. Close personal familiarity in public between individual Members and Officers can damage this relationship and should be avoided as it can prove embarrassing to other Members and Officers.

4.2 However, the Council recognises that there may be close social or personal relationships between Members and Officers that have commenced before, or after, a Member is elected to the Council or before, or after, a person becomes employed by the Council. In a large organisation this may be inevitable. In order to maintain the integrity of the individuals concerned and the Council, such relationships should never be hidden. To do so can lead to suspicion and mistrust.

4.3 Accordingly, the Member must declare, in writing, to the Monitoring Officer and his/her Leader/Party Whip any relationship with an Officer which might be seen as influencing his/her work as a Member and the Officer must notify their Director in writing. This includes any family relationships.

4.4 The Group Leaders and Directors will endeavour to ensure that neither the Member nor the Officer are placed in a position where such relationship between the two will be seen to conflict with the provisions of this Code.

5. CONTACT BETWEEN MEMBERS AND OFFICERS

- 5.1 Contact between Members and Officers should normally be at a Senior Officer level since junior officers might feel unduly pressurised to comply with requests from Members and this might disrupt work programmes already agreed with their managers. For the purposes of this Code 'Senior Officer' means Directors, Assistant Directors and Head of Service/3rd tier Officers.
- 5.2 Members have the right to contact directly the Chief Executive, Directors and senior staff when they feel it necessary to do so. Equally, when it comes to routine matters, such as giving apologies for absence from meetings, it is quite in order for Members to contact more junior staff directly. Any other matters should be referred to senior staff, the Chief Executive or Directors including any occasion when a Member feels that the action being taken is wrong or is not being pursued with sufficient vigour.
- 5.3 Members are elected to represent the interests of their constituents, but they should not seek special treatment for any individual. When dealing with Officers, they must declare any special relationships they have with the constituents concerned.
- 5.4 The role of Officers is to give advice and information to Members and to implement the policies determined by the Council. In giving such advice to Members, and in preparing and presenting reports, it is the responsibility of the Officer to express his/her own professional views and recommendations. Whilst an Officer may report the views of individual Members on an issue, if the Member wishes to express a contrary view s/he should not seek to pressure the Officer to make a recommendation contrary to the Officer's professional view.
- 5.5 Certain officers e.g. Head of Paid Service, Monitoring Officer, Chief Finance Officer (Section 151 Officer) and the Statutory Chief Officers have responsibilities in law over and above their obligations to the Authority and to individual Members, and Members must respect these obligations, must not obstruct Officers in the discharge of these responsibilities, and must not victimise Officers for discharging them.
- 5.6 Members should not bring or attempt to bring undue influence to bear on an Officer to take any action that is:
- against an adopted policy or procedure
 - a breach of the Local Code of Conduct for Employees
 - in conflict with the Council's Procedural Rules or Financial Regulations
 - capable of being interpreted as intimidation or bullying.
- 5.7 Officers have a duty to report any attempt to exert undue pressure or influence to their Director who in turn will refer the matter to the Chief Executive. The procedure for doing this is described in the Local Code of Conduct for Employees.

5.8 A note will be taken of all meetings dealing with matters of significance between Members and Officers, setting out where appropriate, (1) advice given by officers, (2) decisions taken by officers and Members individually and collectively, and (3) actions arising from the meeting. This note will be agreed by all parties **at the conclusion of the meeting**. The note will subsequently be circulated to those present within 10 working days unless a shorter or longer timeframe is expressly agreed by all parties.

6. LEAD MEMBERS/CHAIRS AND SENIOR OFFICERS

- 6.1 It is clearly important that there should be a close working relationship between a Lead Member or Chair of a Committee/Sub-Committee and the Director and other senior officers of any Department which falls within the Lead Member's portfolio or report to that Committee/Sub-Committee. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officers' ability to deal impartially with other Members. Officers must ensure their political neutrality is not compromised.
- 6.2 While a Lead Member, Chair of a Committee/Sub-Committee will/may routinely be consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that in some situations a Director will be under a duty to submit a report on a particular matter. Similarly, the named author will always be fully responsible for the contents of any report submitted by their Department.
- 6.3 This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report. Any issues arising between a Lead Member/Chair and a Director in this area should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council.
- 6.4 In addition to the Lead Member's/Chair's briefing before any Cabinet, Committee/ Sub-Committee meeting, minority group representatives will also be afforded the opportunity of a briefing through their appropriate spokespersons.
- 6.5 In relation to action between meetings, it is important to remember that, under the executive arrangements adopted by the Council, decisions (relating to the discharge of any of the Council's functions) are taken by the Cabinet, a Committee, a Sub-Committee or an Officer under delegated authority. There is no provision for such decisions to be taken by a Chair, a Lead Member or indeed by any other single Member.
- 6.6 At Cabinet/Committee/Sub-Committee meetings, a resolution may be passed, which authorises named Officers to take action between meetings in consultation with the Chair. It must be recognised that it is the Officer, rather than the Chair, who takes the action and it is the Officer who is accountable for it.

- 6.7 Finally, it must be remembered that Officers within a Department are accountable to their Director and that whilst Officers should always seek to assist a Chair (or indeed any Member), they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Director. Members should not put staff in a position where there would be conflict between themselves and their line manager, or other Senior Officer.

7. OPPOSITION MEMBERS

- 7.1 As individual Members, all Councillors have the same rights and obligations in their relationship with Officers and should be treated equally. This principle is particularly important in the context of scrutiny and overview. However, where a political group forms an administration, either alone or in partnership with another group or groups, it is recognised that the relationship between Officers, particularly those at a senior level in the organisation, and the administration will differ from that with opposition groups.

8. POLITICAL GROUPS

- 8.1 It must be recognised by all Officers and Members that in discharging their duties and responsibilities Officers serve the Council as a whole and not exclusively any political group, combination of groups or any individual Member of the Council. Special rules apply to Political Group Assistants and those postholders have been made aware of them through separate guidance.
- 8.2 There is now statutory recognition for party political groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision making body. Officers may properly be called upon to support and contribute to such deliberations by political groups but must at all times maintain political neutrality. All Officers must, in their dealings with political groups and individual Members, treat them in a fair and even-handed manner.
- 8.3 The support provided by Officers can take many forms, ranging from a briefing meeting with the Leader of the Council, a Lead Member/Chair/Spokesperson prior to a Council, Cabinet, Committee or Sub-Committee meeting to a presentation to a political group meeting. Whilst in practice such Officer support is likely to be in most demand from whichever political group is in control of the Council at the time, such assistance is available to all political groups.
- 8.4 Certain points, however, must be clearly understood by all those participating in this type of process, Members and Officer alike. In particular:
- (a) Requests for Officers to attend any political group meeting must be made through the appropriate Director. The Director will advise the Chief Executive of any requests made.

- (b) Unless otherwise agreed in advance with the Chief Executive, Officers will not attend political group meetings that include persons who are not Members of the Council. However, where the Chief Executive has authorised such attendance special care needs to be exercised by Officers involved in providing information and advice to such political group meetings. Persons who are not elected Members will not be bound by the Local Code of Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons Officers may not be able to provide the same level of information and advice as they would to a Members only meeting.
- (c) Officer support (whether in the form of a written report or otherwise) must not extend beyond providing information and advice in relation to matters of Council business. Officer support will be limited to a statement of material facts and identification of options and the merits and demerits of such options for the Authority. Reports or other support will not deal with any political implications of the matter or any option, and Officers will not make any recommendations to a political group. Officers (with the exception of Political Group Officers) are not expected to be present at meetings or part of meetings when matters of party business are to be discussed.
- (d) Political group meetings, whilst they form part of the preliminaries to Council decision making are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such.
- (e) It must not be assumed by any political group or Member that any Officer is supportive of any policy or strategy developed because of that Officer's assistance in the formulation of that policy or strategy.
- (f) Any request for advice, together with the advice given to a political group or Member will be treated with strict confidentiality by the Officers concerned and will not be accessible to any other political group. It is acknowledged, however, that factual information upon which any advice is based will, if requested, be available to all political groups.
- (g) Officers must respect the confidentiality of any political group discussions at which they are present in the sense that they should not relay the content of any such discussion to another political group or Member thereof. However, Members should be aware that this would not prevent Officers from disclosing such information to other Officers of the Council so far as is necessary to perform their duties.
- (h) Where Officers provide information and advice to a political group meeting in relation to a matter of Council business, it should be understood that the Officers have a statutory duty to provide all necessary information and advice to the Cabinet or relevant Committee/Sub-Committee when the matter in question is considered.

8.5 Any particular cases of difficulty or uncertainty in this area of Officer advice to political groups must be raised with the Chief Executive who will discuss them with the relevant Group Leader(s).

9. CONDUCT AT MEETINGS AND SOCIAL EVENTS

9.1 Officers and Members should address each other formally at meetings of the Council, Cabinet, Committees, Sub-Committees and other formal meetings which both attend.

9.2 On such formal occasions Officers should refer to Members by the office they hold:

- Leader, or
- Chair, or
- Vice-Chair, or
- Councillor

and, where they are aware of it, respect an individual Member's preference for a particular type of formal address.

9.3 Members should avoid excessive informality at meetings and other official civic events and refer to Officers either by their job title or by their surname and the title Mr, Mrs, Miss or Ms, as appropriate.

9.4 At formal meetings and official civic events Members and Officers should dress and behave in a manner in keeping with the occasion and their position. ***This requires them to listen to proceedings and show respect and courtesy to all those present (including members of the public)***

9.5 The same degree of formality is not necessary at any informal meetings or social events that Members and Officers may attend. Nonetheless, by virtue of their role with the Council if Members and Officers are attending an event they should avoid close personal familiarity or any action which would embarrass others or damage their relationship with other Officers or Members.

10. CONSTRUCTIVE CRITICISM/COMPLAINTS

10.1 It is important that in any dealings between Members and Officers they should observe reasonable standards of courtesy and that neither party should seek to take unfair advantage of their position.

10.2 Members and Officers should not criticise or undermine respect for the other at meetings of the Council or in any public forum. This would damage effective working relationships and the public image of the Council.

10.3 Members should not raise matters relating to the conduct or capability of an individual Council Officer or of Officers collectively at meetings held in public.

This is a long-standing tradition in public service as Officers have no means of responding to criticisms like this in public.

- 10.4 If Members feel that they have not been treated with proper respect, courtesy or have any concern about the conduct or capability of an Officer or group of Officers they should raise the matter with the Director of the Department in question.
- 10.5 If the Member is not satisfied that action has been taken within a reasonable period, by the Director they should raise the matter with the Chief Executive who will look into the matter afresh.
- 10.6 Where an Officer feels that they have not been properly treated with respect and courtesy or is concerned about any action or statement relating to her/himself or a colleague by a Member they should raise the matter with their line manager, or other Senior Officer as appropriate. The procedure for this is described in the Local Code of Conduct for Employees.

11. CORRESPONDENCE BETWEEN MEMBERS AND OFFICERS

- 11.1 Correspondence between an individual Member and an Officer on a matter relating to a single constituent should not normally be copied (by the Officer) to any other Member. Where, exceptionally, it is necessary to copy the correspondence to another Member, this should be made clear to the original Member. In other words, a system of “silent or blind copies” should not be employed.
- 11.2 ***However where the Member/Officer has legitimately copied in others it is in order for the Member/Officer replying to copy in those individuals with the response.***
- 11.3 In some cases issues are raised by, or with, individual Members relating to a matter of general interest in a Council Ward or individual Parish. Recognising that it is in the best interests of the Council to ensure that all Members are properly informed of general issues in their Ward or Parish, copies of correspondence will normally be sent to all Members for the particular area unless the Member specifically requests that correspondence is not copied to other Members or, there is a political, or other reason, why this is not appropriate. Where correspondence is copied to other Members this will be made clear to the original Member.
- 11.4 Officer letters on behalf of the Council should normally be sent out in the name of the appropriate Officer, rather than in the name of a Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) for a letter to be signed by a Member, but this should be the exception rather than the norm. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.

12. LOCAL ISSUES

- 12.1 Whenever the Council undertakes any form of consultative exercise on a local issue, the Ward Members should be informed or involved, as appropriate, not later than at the outset of the exercise. Similarly whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the Ward or Wards affected should, as a matter of course, be invited to attend the meeting.

13. CEREMONIAL EVENTS

- 13.1 The Mayor, or in his/her absence the Deputy Mayor, will be the appropriate person to lead Council ceremonial events which are of particular significance or are not specifically associated with a particular Lead Member/Committee/Sub-Committee. Similarly the Mayor, or in his/her absence the Deputy Mayor, will be the appropriate person to represent the Council at ceremonial events of other organisations which are not specifically associated with the Cabinet or a particular Committee/Sub-Committee.
- 13.2 Subject to the above paragraph, Lead Members, Chairs of Committees or Vice-Chairs in that order of preference are the appropriate representatives for ceremonial events within the scope of their portfolios/Committee's terms of reference. Where neither the Lead Member/Chair nor Vice-Chair of a Committee are available then any other Member may be nominated by the appropriate Lead Member/Chair.
- 13.3 Local Members should always be informed of, and, where possible, invited to ceremonial events taking place within their own Wards, as should Parish Councillors as appropriate.
- 13.4 Any Member taking part in a ceremonial event must not seek disproportionate personal publicity nor use the occasion for party political advantage bearing in mind that the Member is representing the Council as a whole.

14. RECRUITMENT, APPOINTMENT AND OTHER STAFFING MATTERS

- 14.1 A Member will not seek support for any prospective employee of the Council nor provide references in support of applications for employment by the Council.
- 14.2 *Any one* who may be involved in the selection or appointment process for a post with the Council shall immediately declare any relationship to a candidate as soon as it becomes known to him/her to the Assistant Director (Organisational Development and Human Resources) who shall record the declaration and determine whether or not the Member may take any further part in the selection/appointment process for that post.
- 14.3 If a Member is called upon to take part in selecting and appointing an Officer, with the exception of the appointment of assistants to political groups, the only question s/he should consider is which candidate would best serve the whole

Council. A Member should not let his/her political or personal preferences influence their judgement.

- 14.4. Inevitably there will be occasions when Council services are being reorganised or restructured. In such situations Members may be asked to comment on, discuss or approve proposals prepared by Officers. In these circumstances Member should consider such proposals in relation to the best interests of the Council and should not allow personal views on individual Officers affected by the proposals to influence their judgement. Similarly Members should not seek to influence other than as provided for in existing procedures, decisions related to redundancy, redeployment or promotion of individual Officers.
- 14.5 There is a presumption that Members must not get involved in staff disciplinary (misconduct or capability) or grievance issues as these are matters which the Head of Paid Service and/or the employee's Line Manager/Supervisor handle in accordance with the Council's adopted policies and procedures. However a Member will be entitled to get involved in such matters in the following limited circumstances:-
- a) Where the employee wishes to call the Member as a witness and the relevant Panel/Sub-Committee hearing the case considers that the Member has direct and material evidence relevant to the case (e.g. witness as to a fact).
 - b) Where a staff disciplinary or grievance issue has a direct bearing on a Ward matter or a matter raised with a Member by a constituent. In this case the Member will be informed of such information as is necessary to determine whether or not s/he has material evidence relevant to the case

Unless one of these three exceptions applies Members who seek to influence or otherwise involve themselves in such staffing matters may be in breach of this Code and the Local Code of Conduct for Members.

If Members are in any doubt as to their position they must seek advice from the Monitoring Officer.

- 14.6 ***If, in the course of performing their duties, Members receive allegations of misconduct by an Officer these should be referred with any supporting information to the appropriate Head of Service. If the complaint relates to a Senior Officer then it should be referred to the Officer's line manager. If the Member feels unable to raise the matter in this way then they can raise it with the appropriate Director. If the foregoing has been followed and the Member still has concerns or if s/he feels the matter is very serious then the Member may contact the Monitoring Officer or Chief Executive.***

- 14.7 Officers are entitled to reasonable privacy and respect for their private lives and Members should not seek or request personal information about

individual Officers. Such a request could be seen as threatening particularly by junior Officers. Similarly Members should not seek to contact Officers outside of working hours or at home unless by prior agreement with the relevant Officer or under an existing provision or arrangement related to the Officer's employment with the Council. If a Member has reasonable grounds for believing matters related to an Officer's personal life have a bearing on their employment with the Council then the Member should report these concerns to the relevant Director. Similarly Officers must show similar respect for the private lives of Members.

- 14.8 The Council has legal obligations in relation to equal opportunities both as an employer and as a public body. Members are required to comply with these legal obligations and to adhere to the Council's equal opportunities policy in their dealings with staff. Similarly if a Member believes they have been subjected to unlawful discrimination or treated by Officers in a manner that contravenes the Council's equal opportunities policy then this should be reported to the Monitoring Officer.

15. PUBLIC RELATIONS AND PRESS RELEASES

- 15.1 The Council's Corporate Communications Officers serve the Council as a whole and must operate within the limits of the Local Government Act 1986 which prohibits the Council from publishing material which appears to be designed to affect public support for a political party.
- 15.2 Council press releases are drafted by Officers and will often contain quotations (within the limits of the Local Government Act 1986) from the Leader and/or Deputy Leader of the Council, a Lead Member, the Chair and Vice-Chair of the Committee or Sub-Committee whose service is involved and from the Mayor or Deputy Mayor about ceremonial events. Such press releases are issued on behalf of the Council and it would not, therefore, be appropriate when repeating quotations from Members to indicate their party political affiliation.
- 15.3 ***Political Groups and individual Members may use any Council resources allocated by the authority to issue Group or personal press releases or publicity relating to the business of the Council. If issued, these must contain a clear statement that it is a Political Group or personal publication to avoid any possibility of confusion with Council press releases.***
- 15.4 Further guidance on the legal constraints placed on local authority publicity during an election period is set out in **Appendix 1** to this Code.

16. MEMBERS' ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS

(a) Introduction

The following paragraphs identify the rights of Members and the procedures that they must comply with when applying for access to Cabinet/Committee/Sub-Committee papers and other documents/information. These paragraphs take into account the following:-

- (i) Local Government Acts 1972-2000 (particularly Schedule 12A)(Amended)
- (ii) D.o.E. Circular 6/86
- (iii) Relevant case law
- (iv) Access to Information Procedure Rules (Part 4.2 of the Constitution)

It is important to note that in some cases such access only applies where Members are clearly carrying out their role as elected representatives. Where a Member has a financial or personal prejudicial interest in a matter the Member will only be entitled to the same access as would be the case for a private individual, i.e. to inspect the reports, minutes and background papers relating to the public part of the Cabinet/Committee/Sub-Committee Agenda. In these circumstances, the Member must make it clear that s/he is acting in his/her private capacity and not as a Member of the Council.

(b) Confidential/Exempt Information

It is self-evident that Members of the Council have the same rights as the public in seeking and obtaining Cabinet/Committee/Sub-Committee papers and other documents/information and so any requests from Members for such documents or information will be dealt with in the same manner as a request from the public. This will generally comprise reports and background papers which appear in Part I of Cabinet/Committee/Sub-Committee Agendas.

However, this is not the case in relation to confidential and exempt information.

Confidential information is:-

- (i) Information furnished to the Council by a Government Department on terms which forbid the disclosure of the information to the public, and
- (ii) Information which may not be disclosed by or under any enactment or by a Court Order.

Exempt information is information to which the public may be excluded but do not have to be. The categories of exempt information are set out in Schedule 12A to the Local Government Act 1972 (Amended) and are set out in Part 4.2 of the Constitution (Access to Information Procedure Rules). Generally, the

public should be excluded if exempt information is being considered unless there is good reason to the contrary. There may be some occasions when information may fall within one or more of the categories but nevertheless is suitable for the public to see without infringing personal rights or damaging the Council's position. For example, authorisation to issue an enforcement notice under the Town & Country Planning Act 1990 strictly falls within Category 6 but the report is considered in Part I as it is not considered that the Council's position is prejudiced by public disclosure. If there is doubt in relation to individual items then they should be kept confidential until the Cabinet/Committee/Sub-Committee has taken a view as to whether they should be treated as exempt or not.

(c) **Requests by Members – Procedures**

A Member is free to approach any Council Department to provide him/her with such information, explanation and advice about the Department's functions as s/he may reasonably need in order to assist him/her in discharging his/her role as a Member of the Council or acting for and on behalf of the Council as an appointed representative to another body. This can range from a request for general information or documentation about some aspect of the Department's activities, to a request for specific information on behalf of a constituent.

The following procedure should be adhered to when requesting documentation/information:-

- (i) Initially, the Director or Service Lead of the Department concerned should be approached.
- (ii) If access is denied or the Director/Service Lead is in doubt, the matter must be referred to the Proper Officer in consultation with the Service Lead, for decision. The Proper Officer is the Head of Democratic Services
- (iii) Where the Officers have refused access, then the matter can be referred to the Audit & Corporate Governance Committee for consideration.

Any requests for information made by Political Group Officers on behalf of Members of their Group should be treated in exactly the same way as if those Members had made the request themselves. The Political Group Officers, when making such requests should clearly indicate on which Member's behalf they are acting.

Requests for information not readily accessible will not be acceded to where the cost is unreasonably high or would unreasonably disrupt the work of the Council. Members will be asked to submit a written request for information which is either confidential (as defined), exempt (as set out in Schedule 12A to the 1972 Act) (Amended) or which will require significant resources to provide. A request for information form is available from Democratic Services.

(d) **Access to Cabinet/Committee/Sub-Committee Papers (including Background Papers) – Forthcoming Meetings**

The rights of Members can be summarised as follows:-

- (i) They generally enjoy the same access rights as members of the public in respect of Part I Cabinet/Committee/Sub-Committee papers, but are not entitled to such papers where they have a financial interest under the Local Government Act 1972, or personal and prejudicial interest as set out in the Local Code of Conduct.
- (ii) All Members have a statutory right of access to Cabinet/Committee/Sub-Committee agenda papers which relate to Part II exempt information under Categories 3 and 6 as shown at Appendix “1”. [With regard to information falling within paragraph 3 members do not have a statutory right to the information if it contains the terms of any proposed contract] Members do not have a right to disclose such documentation to the public or the press. (See *Paragraph (i) below - “Use of Council Information – Confidentiality”*)
- (iii) Members of the appropriate Cabinet/Committee/Sub-Committees will have a good reason for access to all Part II exempt information on the Cabinet/Committee/Sub-Committee agenda under the “Need to Know” principles set out in Paragraph (e) below.
- (iv) Members of the Overview & Scrutiny Committee will have a prima facie “Need to Know” where they require access to Part II Cabinet agenda items as part of their scrutiny function provided the subject matter is within the Committee/Sub-Committee’s terms of reference and accords with the approved protocols.
- (v) All other Members who require access to confidential/exempt Cabinet/Committee/Sub-Committee documentation will need to demonstrate a “Need to Know” by complying with the principles set out in Paragraph (e) below.

Members who have had access to Part II agenda items on a Cabinet/ Committee/ Sub-Committee Agenda above will be required to return such papers to the Head of Democratic Services (or his/her representative) immediately after the meeting has closed.

(e) **Access to Other Documents/Information – “The Need to Know”**

The common law “Need to Know” is the prima facie right of Members to inspect documents of the authority which exist because Members are under a duty to keep themselves informed of Council business which relates to their role as elected representatives. Thus, this right applies to Members who do not have statutory rights to exempt or confidential information and to other documents held by the Council.

The categories of exempt information to which Members do not have a statutory right of access relate principally to personal information about an

individual (whether current, former or prospective), who is an employee, or who has had dealings with the authority through its services/functions Where a Member wishes access to exempt information, s/he will need to demonstrate a specific "Need to Know" with evidence of a genuine concern that needs to be satisfied. This will establish the bona fides of the request. In the absence of such evidence access will be denied.

It is considered that a Member will have a prima facie "Need to Know" where s/he has a legitimate Ward problem and needs access to the documents that are relevant to that specific problem.

Access to information will be denied where the Member is considered to be "fishing" for information or seeks access for an ulterior/improper purpose (e.g. for a private purpose). Mere idle curiosity as to what is in the documentation will not be sufficient.

It should be noted that the Proper Officer may blank out sensitive and non-essential material if this does not affect the ability of a Member to exercise his/her role as an elected representative.

(f) **Housing Benefits**

Following the resolutions passed at the Special Meeting of the Council on 28th April, 1999, Members have agreed to cease any detailed involvement in individual Housing Benefit cases other than their own. Such cases will continue to be dealt with under officers delegated authority. Members should not attempt to influence the Officers involved but should use the Member casework system to pursue the individual interests of their constituents.

(g) **Social Services**

Information held about individuals by the Social Services Department is highly confidential and requests of this type will be refused unless the Member can clearly demonstrate s/he has a "Need to Know". Requests for access to Social Services documents should be in writing and directed to the Departmental Customer Liaison Officer setting out in full the grounds of the Member's "Need to Know". A decision on the request will be taken by the Director of Adults and Communities or one of her/his deputies. Thereafter, the procedure as set out in Paragraph (c) above will apply.

Members have no right to attend Social Services case conferences in their capacity as an elected representative and all such requests will be refused. If the Member wishes to attend a case conference or similar meeting as an advocate or representative of the Client s/he must put their request in writing to the Director of Adults and Communities in sufficient time to allow her/him to obtain written consent from the Client involved.

(h) **Local Conventions**

There will be a range of documents which, because of their nature are either not accessible by Members (such as the personal records of an individual) or are accessible only by the political group forming the administration and not by the Members of other political groups. An example of this latter category would be draft documents compiled in the context of emerging Council policies and draft Committee reports, the premature disclosure of which might be against the Council's and the public interest.

Whilst the term "Council document" is very broad and includes, for example, any document produced with Council resources, it is accepted by convention that a Member of one political group will not have a "Need to Know" and therefore, a right to inspect, a document which forms part of the internal workings of another political group.

Further and more detailed advice regarding Members' rights to inspect Council documents may be obtained from the Head of Democratic Services or London Borough of Harrow Head of Legal Practice. Contact names and telephone numbers are given towards the end of this Code.

(i) **Use of Council Information – Confidentiality**

Procedural Rules and specific local procedures (e.g. on contracts) require Members and Officers to maintain confidentiality in certain circumstances. Officers are bound by their contracts of employment and any breach of confidentiality will almost certainly lead to disciplinary action. Officers must distinguish between assisting an elected representative in the course of the Member's Council business and dealing with the same person as a client or customer, e.g. Housing Benefit claimant. In the latter case, Officers will treat the Member with the same degree of helpfulness, courtesy and confidentiality as would be afforded to any other member of the public in the same situation, and interpret the relevant rules and procedures as they would any other client or customer.

Equally, any Council information provided to a Member must only be used by the Member for the purpose for which it was provided, i.e. in connection with the proper performance of the Member's duties as an elected representative of the Council. Confidential information provided to Members may be discussed in Part II Committee meetings or in private meetings of appropriate Members and Officers. However, it should not be discussed with, or released to, any other persons. Any information that is provided should be clearly marked as confidential before it is released to Members.

Members abusing this trust may find themselves in contravention of the Local Code of Conduct for Members (Section 4).

If a complaint is upheld sanctions may be imposed. The unauthorised disclosure of exempt information is regarded by the authority as a serious disciplinary offence for both Members and Officers alike.

Any request from a Member for information will be treated in the strictest confidence by Officers and will not be made known to any other Member or political group. Officers are also under a duty not to relate any information disclosed privately by a Member(s) e.g. during Part II discussions at Committee, etc., informal briefings, private conversations or Group meetings) to another Member, Officer or person not already privy to that information.

However, the duty of Officers to observe a Member's confidence will not apply if the information disclosed relates to something which could severely damage the Council or which is illegal or constitutes maladministration. In this event the matter will be referred to the appropriate Director and/or Monitoring officer and Chief Executive for further investigation and action as appropriate.

(j) Care Proceedings

Part 12 of The Family Procedure Rules 2010 lay down strict rules in respect of information relating to care proceedings. Information can only be disclosed with the leave of the court or in circumstances permitted by those rules and subject to any directions made by the Court. This is not restricted to documents filed with the court but covers any information relating to these proceedings. Members can, therefore, only see any such information as is permitted by Part 12 of the Family Procedure Rules 2010 where he or she is representing a constituent."

17. WHEN THINGS GO WRONG

17.1 Procedure for Officers

From time to time the relationship between Members and Officers may break down or become strained. *Whilst it will always be preferable to resolve matters informally, through conciliation by an appropriate senior Officer (including the Monitoring Officer) the Member or his or her group leader, Officers will have recourse to the complaints procedure if the informal process fails.*

17.2 Procedure for Members

In the event that a Member is dissatisfied with the conduct, behaviour or performance of an Officer, the matter should be raised with the appropriate Service Lead. Where the Officer concerned is a Senior Officer, the matter should be raised with the appropriate Director or with the Chief Executive. Where the employee concerned is the Chief Executive, the matter should be raised with the Monitoring Officer. If the Member feels for whatever reason that he or she cannot raise the matter either with the Chief Executive, the S151 Officer or the Monitoring Officer because the matter concerns all those officers, then the Member should raise the matter with officers who would deputise for those officers in their absence. If the matter cannot be resolved informally, it may be necessary to invoke the Council's Disciplinary Procedure.

GUIDANCE ON PUBLICITY DURING AN ELECTION PERIOD

1. **Introduction**

This note gives guidance on publicity during an election period. It does not seek to explain in full the legal basis for publicity, or the legal restrictions, or The Code of Recommended Practice on Local Authority Publicity (“the Code”). It is assumed that officers responsible for publicity are aware of the general provisions. This advice deals only with the special circumstances in the period immediately before any election.

2. **Election Period**

The election period for any election is the time between when the Notice of Election is published and polling day itself. Caution should therefore be exercised throughout this period and the guidance below strictly adhered to.

3. **What is Publicity?**

Publicity is defined as “any communication, in whatever form, addressed to the public at large or to a section of the public.” This includes newspapers, press releases, newsletters, booklets, leaflets, posters, banners, badges, advertising, etc. Campaigns, conferences, seminars and exhibitions may also be regarded as publicity.

4. **The Public**

The public can be defined as the people at large or a section of them. Communications addressed to a defined group of people are not restricted. For example, a newsletter to Council employees or information provided for members of a voluntary organisation are not communications addressed to the public and are not subject to the restrictions.

5. **Political Publicity Restrictions**

Local authorities may not issue publicity which appears to be designed to affect public support for a political party.

Local authorities must have regard to the Code which provides (inter alia):-

“The period between the notice of election and the election itself should preclude proactive publicity in all its forms of candidates and other politicians involved directly in the election. Publicity should not deal with controversial issues or report views, proposals or recommendations in such a way that identifies them with individual members of groups of members. However, it is acceptable for the authority to respond in appropriate circumstances to events and legitimate service enquiries provided that their answers are factual and not party political. Members

holding key political or civic positions should be able to comment in an emergency or where there is a genuine need for a member level response to an important event outside the authority's control. Proactive events arranged in this period should not involve members likely to be standing for election."

6. **Checklist**

- **Does the publicity relate to a matter of political controversy?**

Such matters should be avoided during the election period if possible. If publicity is unavoidable – such as to explain a new Council policy or scheme – it should be factual, objective and balanced. Style is important. If comment is necessary, it should be accurate and not prejudiced. It should not attack any political party or person associated with such a party or be identifiable as the view of a particular party. Issues should not be over simplified.

- **Does it refer to a political party?**

Do not refer to political parties. Parliament, the Government, the Opposition or the Council may be referred to as the source of decision, policies or action.

- **Is there reference to a politician?**

It would be preferable for any press release comment on behalf of the authority to come from an officer rather than a Member. Particular care should be taken to avoid mention of any Councillor or Member of Parliament who is seeking re-election. If it is absolutely necessary, such as where there is an official event or opening, it would be sensible to try to ensure that the corresponding opposition Members are given equal publicity. Care should be taken even when referring to Councillors not standing in the election as they are likely to be associated with a particular political party.

- **What is the likely effect on the public?**

In the event of a legal challenge, the test will not be the intention of the authority in issuing the publicity but whether the material appears to be designed to affect support for a political party. Consider the overall effect or impact of the publicity before releasing it.

7. **Assistance to Other Organisations**

Material published by other bodies, such as voluntary organisations, with financial or other assistance granted by the Council may also breach the prohibitions.

8. **Further Advice**

If in doubt, please consult the Code (DoE Circular 20/88 as amended) and if further advice is required contact either the Head of Communications on Ext. 5558 or the London Borough of Harrow Head of Legal Practice on 020 8424 1889.

1. INTRODUCTION

The council is committed to the highest possible standards of openness, honesty and accountability. It is not prepared to tolerate malpractice and/or wrongdoing. In line with that commitment we expect employees, and others that we deal with, who have any serious concerns about any aspect of the council's work to come forward and voice those concerns. Wherever possible, employees are encouraged to use relevant council procedures to report issues in an open and transparent way, because that is the type of organisational culture we are trying to foster. It is recognised, however, that some cases will have to proceed on a confidential basis, but this should be the exception.

This document makes it clear that employees and others can voice concerns without fear of victimisation, subsequent discrimination or disadvantage. The Confidential Reporting Code is intended to encourage and enable employees to raise serious concerns within the council rather than overlooking a problem or 'blowing the whistle' outside.

I hope that the improvements made to this process inspire confidence and enable employees and others to feel able to raise concerns so that the Authority can address them appropriately and improve standards within the organisation.

James Swindlehurst Leader, Slough Borough Council

1.1 What is the Code about?

1.1.1 Employees can sometimes be the first to realise that there may be something seriously wrong with procedures and/or processes within Slough Borough Council (the council). However, they may not always express their concerns because they feel that speaking up would be disloyal to their colleagues or to the council. They may also fear the threat of harassment or victimisation and in these circumstances, they may feel it easier to just ignore their concern rather than report what may just be a suspicion of malpractice.

1.1.2 'Whistleblowing' is the term used when an employee passes on information concerning wrongdoing. This is generally referred to as 'making a disclosure' or 'blowing the whistle'. Whistleblowing law is located in the Employment Rights Act 1996 (as amended by the Public Interest Disclosure Act 1998).

1.2 Who does the policy apply to?

1.2.1 This code applies to all employees except for school-based employees. Schools need to give consideration to their own code adopted by the governing body, but are strongly recommended to adopt this policy.

- 1.2.2 The code also applies to former employees, agency staff working for the council, home workers, contractors and their staff, suppliers, volunteers, elected members and members of the public.
- 1.2.3 The code is recommended as good practice to all other groups associated with the council who have the discretion to adopt our policies. Apart from schools, this will include such groups as voluntary sector organisations.
- 1.2.4 The term “employee” within this document is used to describe any of the above.
- 1.2.5 These procedures are in addition to the council’s complaints procedures and other statutory reporting procedures applying to some services. If asked, employees should make service users aware of the existence of these procedures.

2. AIMS AND SCOPE OF THE CODE

2.1 Aim of the code

This code aims to:

- 2.1.1 encourage you to feel confident in raising serious concerns and to question and act upon concerns about practice;
- 2.1.2 provide avenues for you to raise those concerns and receive feedback on any action taken;
- 2.1.3 ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied;
- 2.1.4 reassure you that you will be protected from possible reprisals or victimisation if you have a reasonable belief that you have made any disclosure in the public interest;
- 2.1.5 ensure consistency and fairness in dealing with whistleblowing across the Council.

2.2 Scope of the code

- 2.2.1 An employee who makes a disclosure under this code must reasonably believe:
 - (a) That they are acting in the public interest;
 - (b) That the disclosure tends to show past, present or likely future wrongdoing falling into one or more of the following categories:
 - (i) criminal offences;
 - (ii) failure to comply with an obligation set out in law;
 - (iii) miscarriages of justice;

- (iv) endangering of someone's health and safety;
 - (v) damage to the environment;
 - (vi) deliberate concealment of any of the above.
- (c) Examples of the above could include:
- (i) conduct which is an offence or a breach of law;
 - (ii) health and safety risks, including risks to the public as well as other employees;
 - (iii) the unauthorised use of public funds;
 - (iv) negligence;
 - (v) unauthorised disclosure of confidential information;
 - (vi) possible fraud and corruption;
 - (vii) sexual or physical abuse of children and/or vulnerable young people/adults;
 - (viii) deliberate concealment of the above matters.

2.2.2 The above list is neither exclusive nor exhaustive.

2.2.3 Thus, any serious concerns that you have, which are in the public interest, about any aspects of service provision or the conduct of officers or members of the council or others acting on behalf of the council can be reported under the Confidential Whistleblowing Code.

2.3 Which procedure should I use?

2.3.1 There are existing employee policies and procedures designed to resolve many concerns you may have. The procedures to be followed in raising issues under these policies can be found on SBCinsite by clicking on People. They include

- (a) Incident Reporting and Investigation Guidelines
- (b) Grievance Policy & Procedure
- (c) Equal Opportunities Policy
- (d) Disciplinary Policy & Procedure
- (e) Capability Procedure
- (f) Drug & Alcohol Policy
- (g) Probationary Policy & Procedure

- 2.3.2 If one of these procedures is relevant that process should be used unless you have genuine concerns, at either the outset or the end of the procedure, about following the relevant process in which case this Policy & Procedure should be used. The procedure is not an appeal mechanism for other procedures, unless, exceptionally, you think when you have been through another procedure, that process was compromised. If you are unsure which procedure you should use, then please seek advice from your trade union representative or an HR Adviser or your line manager.
- 2.3.3 The Confidential Whistleblowing Code is for all other cases involving conduct which appears likely to harm the reputation of the Council.
- 2.3.4 Schedule 1 shows some examples of situations in which employees might blow the whistle and the procedure to use.

3. SAFEGUARDS

3.1 The Council's Assurances to you

- 3.2 The council is committed to good practice and high standards and wants to be supportive of employees.
- 3.3 The council recognises that the decision to report a concern can be a difficult one to make. If you believe what you are saying is true and the statement being made is in the public interest, you should have nothing to fear because you will be doing your duty to your employer and those for whom you are providing a service.
- 3.4 It is understandable that whistleblowers are sometimes worried about possible repercussions. The council aims to encourage openness and will support employees who raise genuine concerns under this code, even if they turn out to be mistaken. However, please see Paragraph 6 regarding untrue allegations.
- 3.5 The council will not tolerate any harassment or victimisation (including informal pressures) and will take appropriate action to protect you when you raise a concern in the public interest. This action will depend on the type of concern and specific service arrangements.
- 3.6 Employees must therefore not suffer any detrimental treatment as a result of raising a disclosure. Detrimental treatment includes dismissal, disciplinary action, threats or other unfavourable treatment connected with raising a disclosure.
- 3.7 Employees must not threaten or retaliate against whistleblowers in any way. If you are involved in such conduct you may be subject to disciplinary action.
- 3.8 On occasions, you may be asked whether you would be prepared to obtain further information. This would be entirely at your discretion and a full risk assessment would be completed, prior to such a course of action being agreed.
- 3.9 Any investigation into allegations of potential malpractice will not influence or be influenced by any disciplinary or redundancy procedures that already affect you.

4. CONFIDENTIALITY

- 4.1 All concerns will be treated in confidence and every effort will be made not to reveal your identity if you so wish. However, it is possible that we will be unable to resolve the concern raised without revealing identity (eg because your evidence is needed in Court) but if this occurs we will discuss this with you as to how we can proceed). Any breach of confidentiality will be regarded as a serious matter and will be dealt with accordingly.
- 4.2 All information will be handled sensitively and used only for its proper purpose.
- 4.3 Under the Data Protection Act 1998 individuals have the right to see their own personal data held subject to the rights of confidentiality of any third parties involved in that information.

5. ANONYMOUS ALLEGATIONS

- 5.1 This policy encourages you to put your name to your allegation whenever possible.
- 5.2 If you don't tell us who you are, it will be much more difficult for us to look into the matter, protect your position and give you feedback.
- 5.3 Concerns expressed anonymously are much less powerful but will be considered at the discretion of the Council. In exercising this discretion the factors to be taken into account will include:-
- 5.3.1 The seriousness of the issues raised
 - 5.3.2 The credibility of the concern
 - 5.3.3 The likelihood of confirming the allegation from attributable sources.

6. UNTRUE ALLEGATIONS

If you make an allegation in the public interest but it is not confirmed by the investigation, no action will be taken against you. However, the Council will view very seriously any false or malicious allegations or allegations made for personal gain and disciplinary action may be taken against you under the Council's Disciplinary Policy.

Similarly if an agency worker, external secondee, volunteer etc makes malicious or vexatious allegations or allegations made for personal gain, then the Council will consider dispensing with their services.

7. HOW TO RAISE A CONCERN - INTERNALLY

- 7.1 Any concerns that you have may be raised orally or in writing and those who wish to make a written statement should set out the background and history of the concern (giving relevant dates) and the reasons why you are particularly concerned about the situation. (See Form attached at Appendix 2). The earlier you express your concern the easier it will be to take action. **REMEMBER – IF IN DOUBT RAISE IT.** You must make it clear that you are using this procedure.

- 7.2 The Council will not expect you to prove that your concern is true but you will need to demonstrate to the person contacted that there are reasonable grounds for you to raise the issue.
- 7.3 It is perfectly acceptable for you to discuss your concern with a colleague and you may find it more comforting to raise the matter if there are two (or more) of you who have had the same experience or concerns.
- 7.4 If you have a concern about any malpractice/wrongdoing, we hope you will feel able to raise it first with your Line Manager or their superior. If you feel unable to raise the matter with your Line Manager or their superior, then please raise the matter with your Chief Officer.
- 7.5 If the above channels have been followed and you still have concerns or if you feel that the matter is so serious that you cannot discuss it with your Line Manager, their superior or your Director or you consider that it is not appropriate (e.g. you are a contractor, supplier, Councillor or member of the public), then you can contact the Council's Monitoring Officer (01753) 875036.
- 7.6 Where your complaint relates to the Monitoring Officer and/or the Section 151 Officer you should contact the Chief Executive on (01753) 875207. If you are unhappy about raising your concern internally then you are at liberty to whistleblow externally under Paragraph 10 below.
- 7.7 Where your complaint relates to the Chief Executive you should contact the Monitoring Officer on 01753 875036.
- 7.8 Where Council members have concerns, they may wish to first discuss matter with their Group Leaders.
- 8. HOW THE COUNCIL WILL HANDLE THE MATTER (See flowchart at Schedule 3)**
- 8.1 Within 5 working days, the person with whom the concern was raised will acknowledge its receipt in writing, irrespective of how the concern was raised.
- 8.2 Where the concern has been raised with a manager, (s)he together with an HR Adviser (or other relevant representative eg from Audit or Child Protection Unit) will decide whether the matter needs to be referred to a more senior officer e.g. Director, Section 151 Officer, Monitoring Officer or Chief Executive.
- 8.3 Investigation does not imply either acceptance or rejection of an individual's concerns
- 8.4 The initial enquiry will be undertaken, wherever possible within 10 working days, by the most appropriate Officer(s). This will not involve a detailed investigation, however, sufficient information will need to be gathered in order that a decision can be made as to whether further investigation will take place.
- 8.5 Where appropriate, the matters raised may:
- 8.5.1 be investigated by management, internal audit, or through the disciplinary process

- 8.5.2 be referred to the police
 - 8.5.3 be referred to the external auditor or other external investigation
 - 8.5.4 form the subject of an independent inquiry
 - 8.5.5 be investigated under another procedure e.g. child/adult protection
 - 8.5.6 be investigated under other forms of prosecution and inspection e.g. to protect public health and safety
- 8.6 In order to protect individuals and those accused of misdeeds or possible malpractice or wrongdoing, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. The overriding principle which the Council will have in mind is the public interest. Concerns or allegations which fall within the scope of specific procedures (for example, child protection or discrimination issues) will normally be referred for consideration under those procedures.
- 8.7 Within fifteen working days of a concern being raised, the person with whom the concern has been raised will write to the individual who raised the matter:
- 8.7.1 indicating how they propose to deal with the matter
 - 8.7.2 giving an estimate of how long it will take to provide a final response
 - 8.7.3 informing them whether any initial enquiries have been made
 - 8.7.4 supplying them with information on staff support mechanisms, and
 - 8.7.5 informing them whether further investigations will take place and who will conduct that investigation, or
 - 8.7.6 explaining the reasons why no investigation is to be carried out.
- 8.8 It may be necessary, as part of the investigation, to obtain additional information from the individual who raised the concern.
- 8.9 The investigation may need to be carried out under the terms of strict confidentiality i.e. by not informing the subject of the concern until (or if) it becomes necessary to do so. This may be appropriate in cases of suspected fraud.
- 8.10 The Council accepts that individuals who raise a concern need to know that the matter has been properly addressed. Thus, subject to legal constraints, the employee will be given feedback on any action taken. However, it will not include information relating to specific individuals, which will remain confidential.

9. HOW THE MATTER CAN BE TAKEN FURTHER

- 9.1 This policy and procedure is intended to provide employees with an avenue within the Council to raise concerns. The Council hopes employees will be satisfied with any action taken. If not, and they feel it is right to take the matter outside the Council, the matter can be raised with the relevant organisation(s) as listed in Schedule 2.

- 9.2 There may be circumstances where an employee considers that (s)he needs to raise the matter externally. This may be because, for example, there is a need to involve the appropriate external regulatory body, or the employee considers that the matter has not been properly addressed, or that an employee reasonably believes that the matter will be covered up.
- 9.3 If an employee is unsure whether or how to raise a concern or wants confidential advice, contact can be made with the independent charity Public Concern at Work on 020 7404 6609 or at helpline@pcaw.co.uk. Their lawyers can provide free confidential advice on how to raise a concern about serious malpractice or wrongdoing at work.
- 9.4 Further information can also be obtained from the website of the employment service, ACAS (the Advisory, Conciliation and Arbitration Service) at www.acas.org.uk.
- 9.5 In circumstances where an employee decides to raise the matter externally, (s)he will only be protected under this procedure, and under employment law, where the disclosure is made in accordance with the PIDA. This means that the disclosure must fall under one of the categories listed in paragraph 4 above and must be made in one of the following ways:
- 9.5.1 in the course of obtaining legal advice
- 9.5.2 to a prescribed regulatory body (listed in Schedule 4) provided the employee reasonably believes the prescribed body is responsible for the matter of concern and that the allegations are substantially true;
- 9.5.3 to other third parties where the employee makes the disclosure:
- (a) with reasonable belief that the information and allegations are substantially true, and
 - (b) does not make the disclosure for personal gain, and
 - (c) has already raised the matter with the Council or prescribed regulator, unless the employee reasonably believes that (s)he will suffer a detriment, or there is not prescribed regulator and (s)he reasonable believes that evidence will be concealed or destroyed if (s)he makes the initial disclosure to the Council, and
 - (d) in all of the circumstances it is reasonable to make the disclosure.
- 9.5.4 The disclosure is of an exceptionally serious nature and the whistleblower makes the disclosure:
- (a) with reasonable belief that the information and allegations are substantially true, and
 - (b) does not make the disclosure for personal gain, and
 - (c) in all of the circumstances it is reasonable to make the disclosure.

9.5.5 Council employees who wish to take the matter outside the Council should check with their Trade Union/Professional Association Representative, Human Resources or statutory body that they are not in breach of the Council's Code of Conduct.

~~9.5.6 Council employees should not, in any circumstances, approach the media/press.~~

Important:

All employees must not, under any circumstances attempt to obtain any further information covertly either directly or indirectly without first having complied with the Council's procedures in relation to staff surveillance which can be found in the Regulation of Investigatory Powers (RIPA) Policy – a copy of this is available on the intranet. Failure to do so may infringe Human Rights and render the Council liable to legal action.

10. SUPPORT FOR EMPLOYEES RAISING A CONCERN AND OTHERS AFFECTED BY THE RAISING OF A CONCERN

- 10.1 The Council is committed to good practice and high standards and wants to be supportive of individuals who raise concerns.
- 10.2 The Council will also support individuals affected by the raising of a concern as appropriate.
- 10.3 Council employees experiencing stress as a result of their involvement in this process can seek counselling and support through the Council's Employee Assistance Programme.
- 10.4 Council employees can also approach their Trade Union or a statutory body such as the General Medical Council (GMC) or Nursing and Midwifery Council (NMC) for advice/support throughout the procedure.
- 10.5 Council employees may also approach their Employee Support Group for support throughout the procedure.
- 10.6 The employee may find it helpful to involve his or her manager, particularly if they can identify specific support that would be helpful and which the manager feels are reasonable.
- 10.7 The Council will take steps to minimise any difficulties which individuals may experience as a result of raising a concern, eg if they are required to give evidence in criminal or disciplinary proceedings the Council will arrange for them to receive advice about the procedure and, if necessary, be fully prepared for a Court appearance.
- 10.8 Where the raising of a concern affects a group of staff, the relevant manager will, having made an assessment, take appropriate action to support the workgroup.

SCHEDULE 1 – SITUATIONS IN WHICH EMPLOYEES MIGHT BLOW THE WHISTLE

1. EXAMPLE ONE

You are working in an area which regularly engages outside contractors. You have noticed how the one which has been named Council's preferred supplier doesn't deliver on time or to budget. Your Chief Officer who is very friendly with one of the staff in the contracting firm, doesn't appear to share your concerns, but is quick to make excuses for them. Senior management seem to have accepted these explanations and don't seem to be concerned. You suspect your Director may be receiving inducements. What should you do?

Report the suspicion to the Monitoring Officer.

2. EXAMPLE TWO

You are in the gym within a Council leisure facility and you notice that everyone using a piece of equipment is now complaining of back trouble. You see that one part of it is loose, but, despite reporting it to the manager of the leisure facility, nothing had happened. What should you do?

Report the matter immediately to the Head of Health & Safety under the Health & Safety policy. Allow a reasonable time for the problem to be resolved and ask about progress. If you have genuine concerns that nothing is being done, contact the Monitoring Officer.

3. EXAMPLE THREE

You work for a contractor in the staff restaurant, and over the past few weeks you notice a member of staff who doesn't seem to be paying for their food. You put this down to your error or their genuine mistake. However recently you notice the same person doing this on a daily basis. You are not sure what to do and you are worried because you did not report it the first time. What should you do?

Report the incident immediately to your Line Manager or their superior. If the concern involves your Line Manager or their Superior or your Director, or for any reason you would prefer them not to be told, you may raise the matter directly with the Monitoring Officer.

4. EXAMPLE FOUR

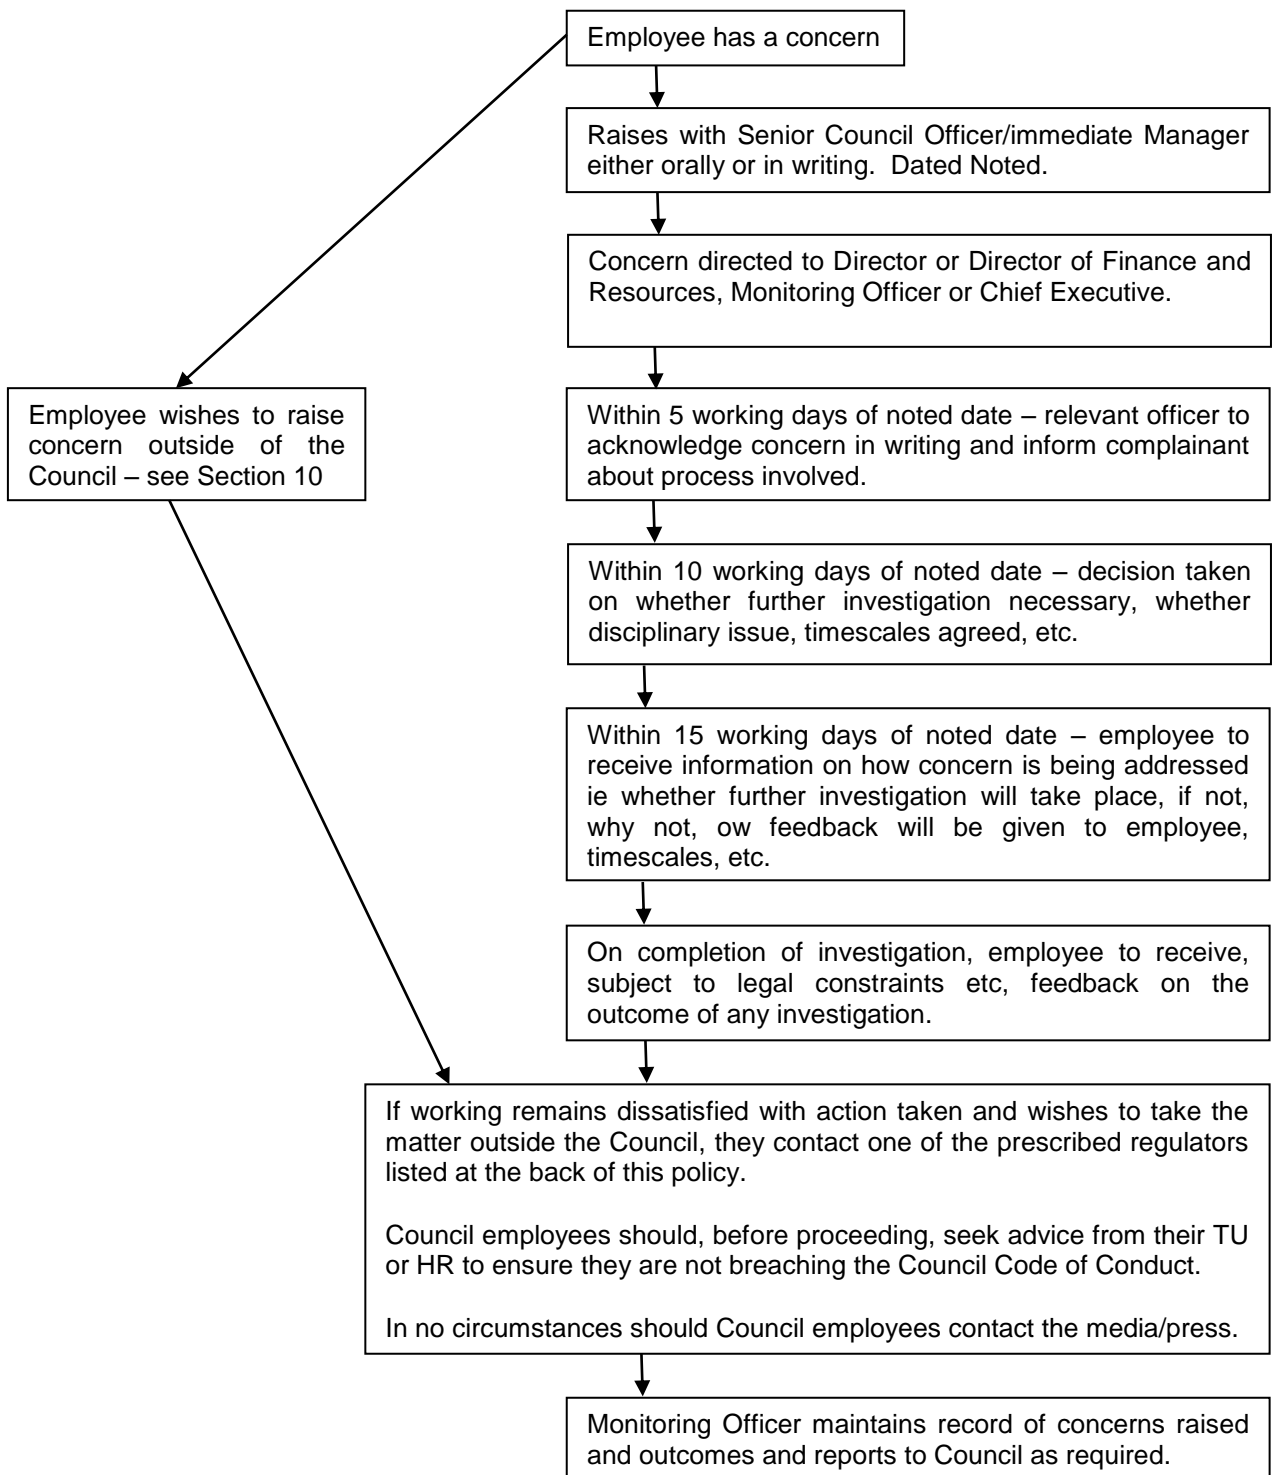

You start work at the Council in an administrative role. It isn't long before you become aware that false claims for expenses are being made by certain people in your department. What should you do?

Report the incident immediately to your Line Manager. If the concern involves your immediate Line Manager or their Superior or Director, or for any reason you would prefer them not to be told, you may raise the matter directly with the Monitoring Officer.

This protocol provides some general information on the statutory role the Monitoring Officer undertakes and how the functions will be discharged within Slough Borough Council.
- 1.2 A summary list of the Monitoring Officer's functions appear in Appendix A to this protocol. The Monitoring Officer's ability to discharge these responsibilities will depend, to a large extent, on Members and Officers:-
- (a) complying with statute and common law (including any relevant Codes of Conduct which form part of the Ethical Framework Section of the Council's Constitution).

He is assisted from time to time by staff within Legal Services and Democratic Services but the responsibility of discharging the functions is a personal one. In general terms his ability to discharge his duties depends on good working relations with Members and Officer colleagues, particularly Directors, and also access to information and debate during the decision making process.
- 1.5 The term 'Director' in this protocol means the members of the Corporate Management Team ('CMT') which includes the Head of Paid Service (the Chief Executive) and the Chief Financial Officer (Section 151 Officer).

- (o) **Maladministration** - Directors must consult the Monitoring Officer prior to making any compensation payments for alleged or actual maladministration found against the Council.
- 2.2 To ensure the effective and efficient discharge of the above working arrangements/understandings Members and Directors will report any breach of statutory duty or material breach of Council policy/procedures and other vires or constitutional concerns to the Monitoring Officer as soon as practicable.
- 2.3 The Directors agree to inform and explain the terms of this protocol to their senior managers so that they understand the issues highlighted in paragraph 2.1 above and report concerns accordingly.
- 2.4 The Chief Financial Officer will ensure that adequate insurance and indemnity arrangements are in place to protect and safeguard the interests of the Council and the proper discharge of the Monitoring Officer’s role.

<u>6 Policy on Donations and Sponsorships</u>

The Council has had a number of anti-fraud policies and procedures in place for many years. To ensure that policies and procedures remain effective and up to date, it is good practice to review them on a regular basis, and revise them where necessary to ensure they continue to be fit for purpose.

1. Anti-fraud Policy Statement

- 1.1 Slough Borough Council operates a 'zero tolerance' approach towards fraud and corruption and we will use the full range of sanctions available against any individual or organisation found to be committing fraud. Every pound taken by theft or fraud reduces our ability to provide services to the people who need them the most.
- 1.2 We want to protect against, detect and respond to fraud and corruption in order to protect the interests of our clients, partners, employees and other stakeholders while retaining a high ethical standing within the community.
- 1.3 This policy applies to all parts of the Council and to all our employees, volunteers, contractors and consultants in relation to their work with/for us. We rely on the support of employees, businesses and the community to deliver the services we provide to people in need. Loss of confidence in the Council as a result of fraud or corruption could have an adverse impact on our funding and investment in the area, leading to a more severe impact on the services we deliver than the initial theft.
- 1.4 We expect all our Councillors, employees, consultants, contractors, partner organisations and service users, to act with integrity and without intent to commit fraud or corruption and to comply with the legal requirements and policies of the Council including the obligation to report all reasonable suspicions of fraud. In return, we will:
 - take appropriate measures to prevent, investigate and deter fraud;
 - introduce and maintain procedures to detect fraud;
 - encourage employees to report any suspicions of fraud;
 - provide resources to train our staff about fraud risk and investigate fraud;
 - take appropriate disciplinary, civil or criminal proceedings; and
 - report suspected fraud to the police and all relevant organisations.
- 1.5 It is in everyone's interests to prevent fraud and corruption from happening. Report any suspected incident immediately to your manager (unless you suspect your manager may be involved) and the Risk & Assurance Manager. This strategy and response plan sets out what we mean by fraud; how we tackle fraud; what you should do if you suspect fraud; and how we will respond.
- 1.6 *We recognise that donations to the Council and sponsorship of Council events in money or in kind may be used as a means to launder funds contrary to money laundering regulations and as a cover for fraudulent or corrupt practices and may bring the Council into disrepute. As a consequence we have adopted a policy on donations and sponsorships as a part of this Counter Fraud and Corruption*

Strategy which is set out in Section 6 of this document which we will apply to donations to and sponsorship of Council events in money or in kind.”

Anti-fraud Strategy

2. Definition of Fraud – what we want to know about

- 2.1 The **Fraud Act 2006** introduced the first legal definitions of fraud, which are used for the criminal prosecution of fraud offences. The Fraud Act of 2006 defines fraud as the intention to make gain or cause loss by false representation, failing to disclose information, or abuse of position. Fraud is not restricted to monetary or material benefit. In addition fraud can be distortion of statement or records to mislead or misrepresent and for the purposes of this strategy covers theft and failure to disclose an interest in order to gain financial or pecuniary gain.
- 2.2 **Corruption** is defined as: ‘The offering, giving, soliciting or acceptance of an inducement or reward, which may influence the action of any person.’
- 2.3 The following are some examples of fraud or corruption, which you may come across:
- providing false identity or right to remain/work documents, references, or any other information when applying for a job;
 - making false claims for expenses, overtime, flexitime, or any other allowance;
 - not declaring a conflict of interest e.g. owning properties which are leased to us, or receiving benefits from us; you or your family owning companies which we do business with; or working for organisations which receive grant funding from us;
 - allocating housing, or any other benefits, to people who are not entitled to them;
 - misusing Blue Badges, residential, business or any other parking permits;
 - fraudulently claiming any benefits we the DWP or HMRC provide, including housing benefits, working/child tax credits, disability benefits, and council tax benefits;

- fraudulently making, or exaggerating, an insurance claim against the Council;
- using our vehicles, IT equipment (outside the scope of the Council’s Email and Internet Policy), offices/buildings, stocks, materials, or any other resources for personal use, or to run a private business;
- stealing money, materials or other resources from us, our partners, or our clients;
- raising orders, or submitting invoices for payment when the work hasn’t been done;
- working for another organisation, running a business, or being self-employed during contracted hours, including working whilst off sick;
- accepting gifts or hospitality from contractors, or organisations who are bidding for work, or who we have contracts with, or who receive grants from us.

2.4 The above list cannot cover every example of fraud or corruption. If you have any questions, please contact the Risk & Assurance Manager for further advice.

3. Responsibilities

- 3.1 We expect all individuals, groups and organisations that receive services from, or provide services on behalf of the Council to be honest in their dealings with us and our clients and customers.
- 3.2 We expect our Councillors and employees, including any temporary, agency and consultancy resources, to lead by example in preventing, deterring and advising of suspected fraud and corruption and these responsibilities are summarised below.

4. Our approach to preventing, detecting and investigating fraud and corruption

- 4.1 We have aligned our fraud prevention and detection approach to the governments recommended 'acknowledge, prevent, pursue' strategy in their [Fighting Fraud Locally](#) publication and the Chartered Institute of Public Finance and Accountancy's 'Managing the Risk of Fraud and Corruption' Code of Practice.

5. Preventing fraud and corruptions

- 5.1 We want to try and prevent fraud and corruption from happening in the first place. In order to do this our strategy includes:
- undertaking a regular assessment of the fraud risks faced by the Council and ensuring our managers and counter-fraud teams carry out checks on high risk areas;
 - completing pre-employment screening of our employees, volunteers, contractors and consultants including confirming their right to remain and work in the UK as appropriate;

- requiring employees to declare potential conflicts of interest and any gifts offered and accepted;
- scanning and verifying identity documents of all applicants for housing and other benefits;
- making sure quotes and tenders from contractors are opened by different employees to those who asked for the quotes; and
- controlling our IT systems e.g. to ensure that individual employees aren't responsible for setting up and authorising payments.

6. Detecting and investigating fraud and corruption

6.1 As well as having systems in place to prevent fraud, we have procedures that detect and investigate fraud effectively, which include:

- fraud reporting mechanisms such as the confidential Freephone telephone number, website address and email facility;
- whistleblowing, Anti-Money Laundering and Anti-bribery policies in place, together with our complaints process, and regular reviews of personnel and financial information e.g. on Right to Buy applications;
- an annual counter-fraud plan which includes projects to look at high risk and high spend areas;
- undertaking regular data matching and analysis of information held on our systems to identify e.g. fraud in housing tenancies, payroll and pensions, Blue Badges, benefits, planning applications and payments to suppliers;
- sharing information on identified frauds and risks with other local authorities and agencies, including the police and the Home Office visa and immigration services;
- joint working with the Department for Work and Pensions (DWP), in accordance with National and Local Service level agreements, regarding benefit fraud and associated fraud arising from the same set of circumstances.
- receiving regular data analysis and fraud information alerts from the National Anti-Fraud Network;
- having a dedicated and suitably trained counter-fraud and financial investigation team in place, with links to the police and other enforcement agencies, to investigate allegations of fraud and undertake prosecutions.

- 6.2 This policy and strategy should be read in conjunction with our **Fraud Response Plan** which sets out how we will tackle the risk of fraud and investigate allegations of fraud and the Council's **Whistleblowing Policy** (Part 5.6 of the SBC Constitution), which is intended to encourage and enable employees to raise serious concerns.
- 6.3 We will use all sanctions available to us to deal with anyone committing fraud or corruption including, as appropriate, internal employment disciplinary proceedings, referring cases to the police, offering a simple caution, prosecuting offenders and seeking recovery of monies and/or other assets obtained by fraud or corruption. Our **Sanctions Policy** is attached, which describes the process in more detail.
- 6.4 We also need to have arrangements in place where any instances of suspected money laundering or bribery are reported. Our **Anti-money Laundering Policy** explains what money laundering is, and what we do to manage the risks associated with crime and money laundering. Our **Anti-bribery Policy** explains the legal position for the Council and employees; and how to report any concerns.
- 6.5 This strategy is aligned with the Council's Code of conduct and HR policies, which require employees to declare any potential conflicts and any gifts or hospitality offered. The strategy is also consistent with the Council's IT Security Policies.

7. Monitoring

- 7.1 This policy and the appendices will be monitored and reviewed on an annual basis. We will consult with all the relevant services areas to ensure that all relevant legal, financial and personnel issues are included in the review processes.
- 7.2 The Council's s151 Officer has overall responsibility for the Corporate Fraud Team and this policy will be presented for approval when any review takes place.

Anti-Money Laundering Policy.

1. What is money laundering?

- 1.1 Money laundering is the term used for several offences involving the proceeds of crime, or terrorism. This includes possessing, or in any way dealing with, or concealing, or converting the proceeds of any crime, as well as funds likely to be used for terrorism and the proceeds of terrorism. Money laundering is used to describe the activities of criminals who convert the proceeds of crime into legitimate activities, with the intention of hiding the true sources of their income.
- 1.2 In relation to the Council, money laundering would be the attempt to conduct legitimate business with the Council e.g. buying/leasing property, or paying for goods and services using assets or money derived from the proceeds of crime or terrorism.

This policy applies to all employees and members of the Council and aims to

maintain the high standards of conduct, which currently exist within the Council by preventing criminal activity through money laundering. The Policy sets out the procedures that must be followed (for example the reporting of suspicions of money laundering activity) to enable the Council, its members and employees to fulfil the Council's intention to voluntarily comply with the legal requirements of the Regulations.

2. Laws covering money laundering

2.1 Legislation has shifted the burden for identifying acts of money laundering from police and government agencies to organisations and their employees. The principal legislation and regulation relating to money laundering are: the Proceeds of Crime Act 2002 (POCA), the Terrorism Act 2000 (TA), and the Money Laundering Regulations 2007.

2.2 There are two main offences that may be committed:

- Money laundering offences
- Failure to report money-laundering offences.

2.3 The main types of money laundering offences are:

- acquiring, using or possessing criminal property;
- handling the proceeds of crimes, such as theft, fraud and tax evasion;
- investing the proceeds of crim in other financial productions;
- being knowingly involved, in any way, with criminal or terrorist property;
- entering into arrangements to facilitate laundering criminal or terrorist property;
- transferring criminal property;
- failing to report a suspicion that money laundering offences are taking place;
- tipping off someone who is, or is suspected of being, involved in money laundering, in such a way as to reduce the likelihood of being investigated, or prejudicing an investigation.

2.4 Depending on the severity of the suspected offence, the Magistrates' Court can issue fines of up to £5,000, or sentences of up to 6 months in prison (or both), and, in the Crown Court, fines are unlimited, and sentences of up to 14 years may be handed down.

3. The obligations of the council

The risk of the Council contravening the legislation is, however relatively low and some aspects of the legal and regulatory requirements do not apply to Public authorities.

The Terrorism Act 2000 (TA) and the Proceeds of Crime Act 2002 (POCA) place obligations on all of us. The statutory provisions relating to money laundering, in so far as they affect the Council, are summarised in **Appendix 1** to this policy, together with references to further information

3.1 The main requirements of the legislation are as follows:

- to appoint a Money Laundering Reporting Officer (MLRO);
- maintain client identification procedures in certain circumstances;
- adapt a risk based approach to prevent money laundering;
- implement a procedure to enable suspicions to be reported (Appendix 2)
- maintain robust record keeping procedures.

- Report any suspicious of money laundering to the National Crime Agency (NCA) this is a personal obligation for the MLRO

3.2 The Council's MLRO is the Monitoring Office. In the absence of the designated MLRO, the Corporate Fraud Manager should be contacted.

3.3 The Council has developed formal client identification procedures, which must be followed when Council land or property is being sold. These require individuals (and companies) to provide proof of identity, current address and provenance for the derivation of funds used in any proposed transaction. If satisfactory evidence is not obtained, the transaction must not be progressed and guidance should be sought from the MLRO. All records maintained in respect of suspected money laundering activity must comply with the Data Protection Act

4. Examples of potential money laundering situations

4.1 It is not possible to provide a definitive list of possible situations involving money laundering; or how to decide whether to report suspicions to the MLRO. However, the

following are risk factors, which may, either individually or cumulatively, suggest possible money laundering activity:

- payment of a substantial sum of money in cash (over £1000) either in a single transaction or a number of smaller transactions that total more than £10,000;
- payment of cash sums where cash is not the usual means of payment;
- a new customer, or use of a new/shell company, with no financial history;
- a customer who refuses to provide requested information without a reasonable explanation;
- concerns about the honesty, integrity, location, or identity of a customer;
- unnecessarily complex transactions e.g. routing or receipt of funds from third parties, or through third party accounts;
- involvement of an unconnected third party without any reasonable explanation;
- overpayments by a customer, or payments of deposits subsequently requested back;
- absence of an obvious legitimate source of funds;
- purchase of assets beyond known sources of legitimate funds;
- movement of funds overseas, particularly involving a higher risk country, or tax haven;
- the cancellation, or reversal, of a previous transaction;
- requests for the release of customer account details, other than in the normal course of business;
- transactions at substantially above or below current market values;
- poor business or financial records;
- a similar previous transaction (completed or requested) from the same customer;
- an inability to trace the customer, or organisation
- individuals or companies that are insolvent but have funds.

5. Reporting procedure

- 5.1 If you have any questions or doubts about an individual, company, or transaction that you have been dealing with, then it is important to get advice from the MLRO, or Corporate Fraud Manager as soon as possible – **do not delay reporting your concerns, as this may make you subject to criminal prosecution.**
- 5.2 Your report to the MLRO should include as much details as possible including: **see Appendix 2 for report**
- full details of the people involved e.g. name, address, company name, directorships, contact details, etc.;
 - full details of their (and your) involvement;
 - the type(s) of money laundering activity suspected;
 - the date(s) of the suspected money laundering activity, including whether the transactions have happened, are ongoing, or are imminent;
 - where they took place;
 - how they were undertaken (cash payment, bank transfer etc.);
 - the (likely) amount of money or assets involved;
 - why, exactly, you are suspicious.
- 5.3 Your report should also provide the MLRO with copies of any related supporting documentation. If you are acting in a legal capacity and consider that legal professional privilege may apply, you should set this out in the report to the MLRO and state why. The MLRO will determine whether the information should be exempt from any reports to the National Crime Agency (NCA).
- 5.4 Once you have reported your concerns to the MLRO, you must not undertake any further enquiries into the matter. The MLRO will refer the matter on to the NCA, if required, in order for them to undertake further investigation. No further action must be taken in relation to the transaction(s) until either the MLRO, or NCA, has given their consent in writing.
- 5.5 You should not voice any suspicions to the person(s) who you suspect of money laundering; or make any reference on IT systems, or client/hard copy files that you have reported your concerns to the MLRO. If an individual requests access to information, any notes will need to be disclosed, which may “tip them off” and may make you liable for prosecution.

5.6 A record will be maintained, including details of the customer due diligence, which will be kept for five years after the end of the business relationship; together with a record of the transactions also kept for five years. Guidance on performing the required due diligence checks can be obtained from the Head of Audit.

6. Review of disclosures by the MLRO

6.1 When the MLRO received a report of suspected money laundering they will receive the information and any relevant information including:

- reviewing any other transactions patterns and volumes;
- the length of any business relationship involved;
- the number of any one-off transactions and any linked one-off transactions;
- any identification evidence held.

6.2 The MLRO will complete their review, which may include speaking to the person who made the referral, in order to determine whether there is sufficient evidence of actual/suspected money laundering and whether there are reasonable grounds to know (or suspect) that this is the case. The MLRO will then determine whether the NCA needs to be involved and their consent obtained for a transaction to proceed. In these circumstances, the transaction must not proceed until the NCA consent has been formally received (or if no consent has been received from the NCA after 7 working days).

6.3 If the MLRO concludes that there are no reasonable grounds to suspect money laundering, they will record their decision on the report and give their consent to proceed with the transaction.

6.4 In cases where legal professional privilege may apply, the MLRO will liaise with the Council's s151 Officer to decide whether there is a reasonable reason for not reporting the matter to the NCA

7. Additional requirements for finance and legal employees

7.1 In addition to the reporting procedure in Section 5 above, employees providing certain finance and legal services must also comply with 'due diligence' requirements:

Simplified due diligence: Required when there is low risk of money laundering e.g. new business with a company; when checks on company and director registration details would represent sufficient due diligence

Enhanced due diligence: Required when there is a higher risk of money laundering e.g. an asset purchase beyond the purchasers known legitimate means or remote transactions where the customer is not present to be identified

If satisfactory evidence cannot be provided, then the transaction cannot proceed.

7.2 Customer identification processes must be undertaken when the council:

- forms a business partnership with a customer;
- Undertakes a one-off transaction relating to property or debt of more than £10,000;
- knows, or suspects, that a transaction or a linked series of transactions involved money laundering

7.3 Customer identification must be completed before any business is undertaken with the individual in relation to accountancy, procurement, audit and legal services with a financial or real estate transaction. In order to complete customer identification the following processes should be undertaken:

- identify the person who wants to form the business relationship or complete the transaction;
- verify their identity using independent sources of information;
- identify who benefits from the transaction;
- monitor transactions to make sure that they are consistent with what is understood about the individual or country;
- understand the source of their funds;
- ensure there is a logical reason why they would want to do business with the Council.

8. Training

8.1 The MLRO and Head of Legal Services will ensure that training on the law relating to money laundering and the Council's procedures is provided to all relevant employees on a regular and ongoing basis.

8.2 The legislative requirements concerning anti-money laundering procedures are lengthy and complex. The policy and these procedural guidance notes have been

written to enable the Council to meet the legal requirements in a way that is proportionate to the Council's risk of contravening the legislation.

9. Monitoring

- 9.1 The Council's Monitoring Officer is responsible for the maintenance and operation of this policy. The Council's Monitoring Officer will liaise with the s151 Officer and The Head of Human Resources when the policy is subject to review in order to ensure all relevant employment requirements are taken into account.

Anti-Bribery Policy

1. Policy Statement

Bribery is a criminal offence and is covered by the Bribery Act 2010 and Section 117 of the Local Government Act 1972. Slough Borough Council has a zero-tolerance towards bribery, and we are committed to its prevention, deterrence, detection and investigation.

Slough Borough Council does not, and will not pay bribes, or offer improper inducements to anyone for any purpose; nor do we or will we accept bribes or any improper inducements. In regards to facilitating contracts on behalf of the authority, Section 117 (2) of the Local Government Act 1972 states '*An officer of a local authority shall not, under colour of his office or employ, accept any fee or reward whatsoever other than his proper remuneration*'.

1.1 The Council, and all those organisations and individuals acting on its behalf (including employees, members, temporary and agency staff, consultants and contractors), must not:

- **offer** or **give** any financial or other advantage which is intended to improperly influence a third party in connection with the Council's activities; or
- **accept** any financial or other advantage from a third party which is intended to improperly influence the Council or any of its representatives in connection with the Council's activities.

The Council prohibits both direct and indirect bribery that is, using a third party to offer or accept financial or other advantages on the Council's behalf.

2. What is bribery?

2.1 Bribery is the offering, promising, giving (or acceptance) of a financial or other advantage which is intended to induce a third party (or the Council) to take an improper decision or action. These advantages can be anything of value and can take many different forms including cash, holidays, event tickets, meals, sponsorships, charitable and political donations, and community investments, offers of employment or internships, and use of assets. Decisions could relate to recruitment, the award of contracts, planning consents and other awards that involve the exercise of discretion.

Unacceptable transactions or actions are any that could lead to an offence under the Bribery Act 2010 and/or a breach of Council policies and procedures. It is unacceptable to:

- give, promise to give, or offer a payment, gift or hospitality with the

expectation or hope that a business advantage will be received, or to reward a business advantage already given;

- give, promise to give, or offer a payment, gift or hospitality to a government official, agent or representative to "facilitate" or expedite a routine procedure. Facilitation payments are unofficial payments made to public officials in order to secure or expedite actions. Facilitation payments are not tolerated and are illegal;
- accept payment from a third party that you know or suspect is offered with the expectation that it will obtain a business advantage for them;
- accept a gift or hospitality from a third party if you know or suspect that it is offered or provided with an expectation that a business advantage will be provided by us in return;
- retaliate against or threaten a person who has refused to commit a bribery offence or who has raised concerns under this policy;
- engage in activity in breach of this policy.

2.2 Bribery is a criminal offence under the Bribery Act 2010 (the Act). There are four substantive bribery offences under the Act:

- bribing another, also known as "active bribery" (section 1);
- accepting a bribe, also known as "passive bribery" (section 2);
- bribing a foreign public official (section 6); and
- failure of a commercial organisation to prevent section 1 or section 6 bribery, also known as the "corporate offence" (section 7).

Individuals found guilty of an offence may be imprisoned for a maximum term of ten years and face an unlimited fine. Commercial organisations that are found to have committed a section 7 offence are subject to unlimited fines. **Apart from any criminal sanctions that may apply any employee found guilty of bribing another or of accepting a bribe will be considered to be guilty of gross misconduct and liable to be dismissed with immediate effect.**

2.3 For the purposes of the Bribery Act 2010, the council may be classed as a "commercial organisation". Failure by a "commercial organisation" to prevent bribery is a corporate offence. A statutory defence is available to the commercial organisation, if it has in place "adequate procedures" designed to prevent bribery by "associated persons" (i.e persons that perform services for or on behalf of the organisation).

3. Scope of the policy

- 3.1 This policy provides a coherent and consistent framework to enable all our employees and those acting on our behalf to understand and implement arrangements to enable compliance with the Act. In conjunction with related policies and key documents, it also enables employees to identify and effectively report a potential breach.
- 3.2 This policy applies to all of our activities, employees and those acting on our behalf, including all permanent, temporary and agency staff, contractors, agents, members (including independent members), volunteers and consultants. For our partners, joint ventures and suppliers, we encourage the adoption of standards consistent with the principles set out in this policy.

4. Our Commitment to Anti-Bribery

- 4.1 In support of our commitment to anti-bribery compliance, we will:
- adopt a clear anti-bribery policy which is supported at the highest levels of our organisation;
 - maintain appropriate procedures to help prevent bribery;
 - undertake bribery risk assessments and perform due diligence, where appropriate;
 - make all employees and those acting on our behalf aware of their responsibilities to comply with this policy and the Act at all times through communication and training;
 - maintain appropriate gifts and hospitality procedures;
 - encourage employees to report any bone fide suspicions of bribery;
 - investigate instances of alleged bribery and co-operate with the police and other authorities in their investigations;
 - take a robust line against anyone found to have breached this policy or to have committed or facilitated bribery; and
 - periodically review this policy and its associated procedures.
- 4.2 As part of our commitment to comply with the Act, the Council considers it unacceptable for any Council employee or representative to:
- give, promise to give, or offer to any third party anything of value to obtain an improper advantage, or to reward an advantage already given;
 - give, promise to give, or offer to a government or public official, agent or representative anything of value to 'facilitate' or expedite a routine procedure;
 - accept anything of value from a third party that you know, or suspect, is offered with the expectation that it will result in an improper advantage for them;

- retaliate against or threaten a person who has refused adhere to this policy (including making or accepting a bribe) or who has raised concerns under this policy; and
- engage in activity in breach of this policy or the Act.

5. Contracts and failure to prevent bribery

5.1 Under the Public Contracts Regulations, an organisation is automatically barred from competing for public contracts where it is convicted of a bribery offence. Commercial organisations that are convicted of failing to prevent bribery are not automatically barred from participating in tenders for public contracts. The Council has the discretion to exclude organisations convicted of this offence and you should get advice from our Procurement team on this issue.

6. Raising a concern

6.1 We want everyone who has any concerns, bribery or corruption is being committed, to have the confidence to be able to report these confidentially and effectively. Our Whistleblowing policy (**Part 8.1**) sets out how to do this, including making an anonymous referral

7. Monitoring

7.1 The Council's Monitoring Officer, is responsible for the maintenance and operation of this policy. The Monitoring Officer will liaise with the Head of Human Resources when the policy is subject to review in order to ensure all relevant employment requirements are taken into account.

Anti-Fraud and Corruption Response Plan

INTRODUCTION

1.1 This Anti-Fraud and Corruption Response Plan compliments the Council's response to suspected or apparent irregularities affecting resources belonging to or administered by the Council or offences perpetrated by contractors and suppliers against the Council.

1.2 It is important that all staff know what to do in the event of encountering fraud so they can act appropriately and without delay. The Anti-Fraud and Corruption Response Plan provides guidance to ensure effective and timely action is taken. It also shows that the organisation acts in an effective and lawful manner and that it does not tolerate fraud.

1.3 This document provides guidance to all employees of the Council in the event of them becoming aware of :-

- Offences being committed against the Council by a Council member or another Council employee;
- Offences being committed against the Council by a member of the public;
- Offences being committed against the Council by a contractor or supplier to the Council;
- A Council Member or an Officer carrying out a corrupt Act.

It is in 4 parts;

Part A - General: this explains the reasons for having the document and what the document should be used for;

Part B – Employee responsibilities; this explains how employees should react if they suspect fraud or corruption;

Part C – Contractor and third party responsibilities; this explains how contractors and third party suppliers should react if they suspect fraud or corruption;

Part D - Management responsibilities; this explains what managers need to do if they receive an allegation of fraud or corruption. It also outlines the position of managers in the overall control framework of the Council.

This document is available to all employees of the Council by being accessible through the Council's Intranet and Internet pages.

PART A – GENERAL

2 Objectives

2.1 The objectives of a fraud and corruption response plan are to ensure that timely and effective action can be taken to:

- Prevent loss of funds or other assets where fraud has occurred and to maximise recovery of any loss;
- Minimise the occurrence of fraud by taking rapid action at the first signs of a problem;
- Deter people from committing fraud against the Council;
- Identify offenders and maximise the success of any disciplinary and/or legal action taken;
- Be open with members and the public about fraud;
- Demonstrate that the Council acts to protect the public purse when fraud is identified, which in turn will help minimise any adverse publicity for the Council;
- identify any lessons which can be acted upon in managing fraud in the future;
- Reduce adverse impact on the business of the Council.

3.1 Fraud

Fraud is commonly defined as:

'dishonestly making an untrue or misleading statement to another person knowing that the statement might be untrue or misleading or dishonestly failing to declare information to another person which one has a legal duty to disclose or dishonestly abusing a position one occupies where one is expected to safeguard the financial interests of another person all with intention of making a gain for oneself or causing loss to another'

Below are some potential indicators of fraudulent activity. Be aware that not all circumstances where these signs are exhibited will necessarily constitute fraud and nor is this an exhaustive list:

- Employees, consultants or agency workers who never take leave;
- Employees, consultants, agency workers or contractors who work outside normal working hours for no obvious reason;
- Employees, councillors, consultants, agency workers or contractors with serious personal financial problems;
- Employees, councillors, consultants, agency workers or contractors whose lifestyle is disproportionate to their income;
- Unusual concerns or nervousness about visits by senior managers and/or internal auditors;
- Employees, councillors, consultants, agency workers or contractors who often break rules or fail to comply with procedures;
- Complaints about members of staff, councillors, consultants, agency workers or contractors from customers or other employees;
- Lack of effective internal control;
- Undocumented activities;
- Unexplained falls in income levels or increases in expenses;
- Deliveries of goods to premises other than official Council buildings;
- General disregard by management and employees, consultants or agency workers towards security;

In addition, the Fraud Act 2006 introduced three offences of fraud, namely:

- Fraud by false representation (s.2);
- Fraud by failing to disclose information (s.3);
- Fraud by abuse of position (s.4);

These offences sit alongside other existing legislation that can be used to prosecute 'fraud' offences.

3.2 Corruption

Corruption is commonly defined as:

'Corruption is the offering, giving, soliciting or acceptance of an inducement or reward which may influence the action of any person.'

In addition, the Bribery Act 2010 created four new bribery offences, namely:

- Bribery of another person (section 1);
- Accepting a bribe (section 2);
- Bribing a foreign official (section 6);
- Failing to prevent bribery (section 7);

3.3 Irregularity.

Irregularity is quite a vague term, and indeed, there are many other terms that may be used in its place or in addition to it, for example, malpractice, wrongdoing, misconduct, misdemeanour, etc. all of which are used to describe behaviour or actions that fall short of expectations.

Behaviour or actions that fall short of expectations is also quite a broad description but generally covers an act, which is unlawful; or is against the Council's Standing Orders or policies; or is not in accordance with established standards of practice; or amounts to improper conduct by an employee, councillor, consultant, agency worker or contractor. It may provide evidence of fraud or corruption, or be a breach of a statutory or corporate code in itself.

Potential examples would be:

- Breaches of statutory or professional codes of practice;
- Breaches of, or failure to implement or comply with any policy determined by the Council or any of its Committees;
- Actions which are likely to cause physical danger to persons, or give rise to a significant damage to property;

4 Review

4.1 This plan will be reviewed at least annually and whenever experience dictates a need for a revision.

Part B – EMPLOYEES AND ELECTED MEMBERS.

5. Employee and Elected Member Responsibilities

5.1 It is the responsibility of all staff and members of the Council to report suspected fraud or corruption whenever they come across it within their work or in connection with their duties. This could be by an employee, their manager, a contractor or agency worker, councillor or an external organisation. It is not acceptable to turn a blind eye to suspected wrongdoing and disciplinary action may be instituted if a member of staff or member has been complicit in ignoring a fraud or instance of bribery. As a result, the Council wants to make reporting fraud and corruption as easy as possible and to reassure staff and members that their identity will be protected as far as possible.

5.2 In addition to reporting fraud, staff and members have a duty to report instances where they believe that the Council's assets are at risk, failure to do so exposes the Council to risk through the misuse of such assets. For example this may be because there is physical security risk and an asset could be stolen or it may be a breach in IT system and it is information that is vulnerable.

5.3 Staff and members must always report instances of breaches in IT security to their Manager (or the Chief Executive for Members). The IT security available on the Intranet sets out specific requirements on how staff and members should maintain a secure IT environment.

5.4 For information on reporting suspected fraud, corruption or irregularity please see Part D.

PART C – CONTRACTOR AND OTHER THIRD PARTY SUPPLIER RESPONSIBILITIES

6. Contractor and other Third Party Supplier Responsibilities.

6.1 It is a contractual obligation for all contractors and third party suppliers of the Council to report fraud or corruption whenever they come across it within their work, or in connection with their duties. It is not acceptable to turn a blind eye and action may be taken if a contractor or third party supplier has been complicit in ignoring a fraud or instance of bribery. As a result, the Council wants to make reporting fraud and corruption as easy as possible and to reassure contractors and third party suppliers that their identity will be protected as far as possible.

6.2 In addition to reporting fraud, contractors and third party suppliers have a duty to report instances where they believe that the Council's assets are at risk, failure to do so exposes the Council to risk through the misuse of such assets. For example this may be because there is physical security risk and an asset could be stolen or it may be a breach in IT system and it is information that is vulnerable.

6.3 Where a Contractor or third party supplier has access to Council systems they must ensure usernames and passwords provided are kept secure. Any breach in IT security must be reported The Council's IT Policies and User Guides set out specific requirements about how system users should maintain a secure IT environment. Where a Contractor or third party has no access to the Intranet the Policies should be provided.

6.4 For information on reporting suspected fraud, corruption or irregularity please see Part D.

PART D REPORTING SUSPECTED FRAUD, CORRUPTION OR IRREGULARITIES

7 To whom should you report suspected fraud, corruption or irregularities.

7.1 The route you should take will depend on whether you are reporting a suspected fraud or corrupt act by a member of the public, by another Council employee or by an elected Member. When you report a fraud or a corrupt act ,you should not discuss it with any other work colleagues, either before or after reporting it to the appropriate person.

7.2 Fraud or corrupt act by a member of the public

If you suspect the fraud or corrupt act is being committed in your service area then under normal circumstances you should report the matter to your line manager. If it is not in your service area or you feel you cannot report the matter to your line manager then report the matter to the Corporate Fraud Manager emailing it to:

_investigations@slough.gov.uk

7.3 Fraud or corrupt act by a Benefit Claimant

If a member of the public claiming Housing Benefit , Council Tax Benefit and/or Universal Credit is committing benefit fraud you should report the suspected fraud or corrupt act directly to the *Department for Work and Pensions(DWP)* on 0800 854 440.

7.4 Fraud or corrupt act by a person in receipt of Council Tax Support.

If a person is claiming Council Tax Support fraudulently you should report the suspected fraud to The Corporate Fraud Team emailing it to: _investigations@slough.gov.uk

7.5 Fraud or corrupt act by a Social Housing Tenant

If you suspect the fraud or corrupt act is being committed by a social housing tenant such as the unlawful sub-letting of a Council or Housing Association property you should report the fraud or corrupt act to the Corporate Fraud Team of the Council or by emailing: _investigations@slough.gov.uk

7.6 Fraud or corrupt act by another Council Employee

If you suspect a work colleague is committing fraud or a corrupt act, then you should report it to your line manager. You may not wish to report directly to your line manager. You may report your concerns to the Corporate Fraud Manager or refer to the Whistleblowing policy.

7.7 Fraud or corrupt act by an Elected Member

Suspected fraud or a corrupt act by an elected member should be reported to the Council's Monitoring Officer (8.6 Whistleblowing Policy). If you are unable to do this then you may report a fraud or corrupt act by an elected member to any of the following officers in the Council:

The Chief Executive

Finance and Audit 151 Officer

8.0 What happens when you report a fraud or corrupt act?

8.1 When a fraud or corrupt act is reported to an appropriate officer they will decide if the allegation requires a full investigation this is usually based on the information provided at the time of referral. If it is decided that a further investigation is required the allegation will be passed to the Corporate Fraud Team Internal Auditor or another law enforcement agency outside of the Council if the nature of the allegation warrants this. Any allegation of fraud or corruption by an elected member must be reported to The Monitoring Officer and will be dealt with under the Council's Code of

Conduct for elected members or serious cases will be reported directly to the Police. In the course of an investigation your identity will remain confidential.

8.2 Investigations often have to be carried out without alerting the person being investigated. Depending on the type of the allegation the case may have to be investigated for disciplinary proceedings, civil court proceedings or criminal court proceedings. Strict rules apply to investigations carried out for any type of court/tribunal proceedings and compliance with these is essential. Sometimes the process can appear slow.

9.0 Whistle-blowing policy

9.1 The Council has developed a Whistle-blowing policy in accordance with the provisions of the Public Interest Disclosure Act 1998. All Council employees and members can access the Whistle-blowing policy on the Council's Intranet. Staff and members may find it difficult to raise their concerns and would sometimes welcome the opportunity to discuss them with someone in confidence in the first instance. The independent charity –Public Concern at Work (2.1 Whistleblowing Policy) are available to give independent advice at any stage (www.pcaw.co.uk).

9.2 Subject to the constraints of the Council's duty of confidentiality to employees and elected Members, staff will be given as much information as possible about the outcome of any investigation.

9.3 The Responsible Officer for the maintenance and operation of the Whistle-blowing policy is The Monitoring Officer Slough Borough Council St Martins Place 51 Bath Road Slough SL1 3UF. (linda.walker@slough.gov.uk).

PART E- MANAGEMENT RESPONSIBILITIES

10 Defined by the Council's Financial Regulations.

10.1 The Council's Financial Procedures Rules form part of the Council's Constitution and set out a range of responsibilities that apply to management. Some of these relate to the prevention of fraud and corruption, while others relate to internal control and safeguarding of assets, which include the loss or misuse of assets as a result of fraudulent or corrupt activity.

10.2 All Council Members and employees are personally responsible for ensuring integrity in the conduct of the Council's business and in particular by ensuring that they are aware and abide by:

- The Council's Anti-Fraud and Corruption policies.
- The Whistleblowing Policy

- The Anti-Money Laundering Policy
- The Council's Codes of Conduct for Employees and Members.
- The Anti-Bribery Policy

10.3 Directors are responsible for ensuring that managers have adequate systems of internal control to prevent or detect fraudulent activity.

11 Evaluation and Investigation of allegations.

11.1 As soon as an allegation is received Managers should assess the information and make initial enquiries to ascertain the facts. Managers should determine the factors that give rise to the suspicion and examine factors to assess if a genuine mistake has been made or whether any irregularity has occurred. These enquiries should be carried out as quickly as possible.

Consideration should also be given to a review with HR in line with the Council's Disciplinary Policy (3.1).

11.2 Following a preliminary enquiry a more detailed investigation may be needed, if results indicate this, Managers should contact the Corporate Fraud Manager immediately for advice and guidance.

Managers must inform the Corporate Fraud Team of the following:

- All the evidence that they have gathered including notes of conversations conducted with employees.
- Actions they have taken with regard to the employee (suspension or re-deployment) or any other measures to prevent further loss.
- Managers should be aware that they have a primary role in securing evidence and minimising any further losses.

11.3 Specialist services may be commissioned to assist with an investigation for example IT specialists to preserve and secure information held on computer systems; Legal Services; surveyors to assess building works etc. In all cases the Corporate Fraud Team will liaise with the Manager.

11.4 The Corporate Fraud Team will carry out any further investigation with the Line Manager or other appointed person.

Remember: Make a note of anything which made you think a fraud was happening; keep things confidential initially; do not confront the suspect(s); only take away any evidence if there is any risk that it will be destroyed or thrown away. Leave the investigation to the Corporate Fraud Team.

11.5 All cases referred to the Corporate Fraud Team are evaluated and risk assessed prior to investigation.

11.6 It is not uncommon for allegations of irregularities, fraud or corruption to be received from an anonymous source. These allegations may be malicious but initial enquiries should be carried out on the assumption that there is a substance to the allegation.

11.7 When anonymous allegations are received managers are advised to seek the advice and guidance of the Corporate Fraud Manager at an early stage.

12 Regulation of Investigatory Powers Act 2000

12.1 The investigation of suspected fraud and corruption can involve surveillance of the suspect or suspects. This will often be a breach of a suspects rights under the Human Rights Act (HRA) 1998.

12.2 To protect the Council from such breaches, certain types of surveillance can be authorised under the Regulation of Investigatory Powers Act 2000(RIPA).

12.3 There are also powers to obtain communications data.

12.4 There is clear and detailed authorisation process under RIPA that must be followed to undertake any form of surveillance. If you need advice please speak to The Corporate Fraud Team.

13.Proceeds of Crime Act 2002

13.1 The Proceeds of Crime Act 2002 (POCA) was put in place to demonstrate that crime does not pay. We will use POCA (and its predecessor legislation, such as the Criminal Justice Act 1988 (as amended)) wherever we can, to obtain confiscation orders, including compensation, as well as recovery of the full overpayment of benefits. We will use our own Accredited Financial Investigator (AFI) or those employed by an external partner, such as the Police or DWP.

13.2 All monies recovered using POCA or predecessor legislation (excluding compensation), will be distributed by the Home Office to SBC under the "Asset Recovery Incentivisation Scheme" (ARIS).

The ARIS scheme apportions funds in the following way:

- 50% to HM Treasury;
- 18.75% to the investigating body;
- 18.75% to the prosecuting authority; and

- 12.5% to Her Majesty's Court Service.

13.3. All monies recovered through ARIS will be used, in accordance with Home Office guidance, namely:

- funding the cost of asset recovery;
- crime reduction initiatives;
- community projects;
- miscellaneous activities supporting the above.

13.4 Chief Finance/151 Officer will determine the allocation of funds.

14.0 Determining the type of investigation

14.1 Allegation against an Employee

If an allegation is substantiated after the preliminary enquiry and further investigation is needed, consideration should be given to two objectives that will determine the progress of the case. The investigation should be conducted in line with the Council's Disciplinary Policy and the Code of Conduct for Employees, or if there is evidence that an employee has committed fraud against the Council or has committed a corrupt act, the employee should be the subject of a criminal investigation, undertaken by the Corporate Fraud Team.

Where it is clear that the issues being investigated fall into both categories the management investigation and the Corporate Fraud Team investigation should be carried out at the same time. However, it is unlikely that they will be concluded at the same time as fraud investigations can take some time, particularly if the outcome results in a prosecution through the courts. As it is possible that an employee may have been suspended on full pay, it is important for the investigation teams to work in harmony to ensure that the management investigation is undertaken promptly, arrives at a timely outcome, and reduces the cost of the suspension to the Council.

Where the police are involved, and this decision must be taken in accordance with the Anti-Fraud Prosecution and Sanctions Guidelines it will be the responsibility of the Corporate Anti-Fraud Team Manager to provide the liaison and ensure that they are appraised of the investigation at the earliest opportunity so that the above objectives are not jeopardised.

14.2 Allegation against a member of the public

If an allegation is substantiated after the preliminary enquiry and further investigation is needed, the type of investigation will very much depend on the nature of the allegation, and whether the allegation relates to criminal or civil offence(s).

The decision to prosecute will be taken by Chief Finance /151 Officer and will be subject to the provisions of the Council's Guidance for Prosecution and other Sanctions as well as the Crown Prosecution Services' 'The Code for Crown Prosecutors'.

In most cases the Council may bring the prosecution for a criminal offence, if the relevant legislation provides for this, without reference to the police. The Council's Guidance for Prosecution and other Sanctions is available on the Council's Intranet and Internet pages.

14.3 Allegation against an Elected Member

In these cases, the Chief Executive and the Monitoring Officer must be informed in order for them to determine the nature and type of investigation, and who will carry it out.

An allegation against a member may also need to be considered as an allegation that they have breached the Members' Code of Conduct or constitute one of the offences relating to the Code of Conduct and the declaration of pecuniary interests in the Localism Act 2011.

It should be noted that electoral offences (including corruption) must be reported to the Police and are not investigated by the Council or the Chief Executive in their role as Returning Officer.

In addition to the criminal route, wherever applicable, investigations will also follow a civil route. This will be with a view to recovering and/or withdrawing any service and/or monies from the person who has committed an offence.

It is the responsibility of the Manager, with the advice of the Corporate Fraud Team Manager, to ensure that this recovery takes place.

15.0 Preservation of Evidence

15.1 When the initial enquiry has revealed that further investigation needs to take place, it may be necessary to preserve the available evidence. Evidence may take various forms. The most common forms of evidence and a brief note of how they should be preserved is given below:

- **Original documents.**

This is the best form of evidence and original documents should be obtained and retained if possible. The documents should be handled as little as possible and should be put in a protective folder. Under no circumstances should they be marked in any way. One person should be responsible for keeping these documents and should keep a record of how and where they were obtained.

- **Computer held data.**

When evidence is held on a computer, the computer should be secured and the Corporate Fraud Team Manager should be consulted about the most appropriate way of retrieving the data in accordance with the rules of Court evidence. Under no circumstances should the computer be switched on or files viewed by anyone.

- **Cash.**

It may be necessary to count cash. If possible this should be counted by the person responsible for it in the presence of his/her manager. The person should then sign a statement confirming the amount of cash held and the manager should sign it as a correct record. If the person responsible for the cash is not available, two people should count the cash and sign a statement confirming amount held. The cash should be kept secure at all times, preferably in a locked safe.

- **Stock or shares.**

As far as possible, these should be recorded in the presence of the person responsible for them who should sign a statement confirming the amount held. If the person responsible for assets is not available, two people should record the amount held and sign a statement confirming it. For large stock holdings, however, this will be impractical.

- **Video evidence.**

There may be video evidence available, which may indicate a problem, for instance CCTV footage or static security cameras. If you suspect that a video may have information of value, secure the recording so that it can be treated in accordance with the rules of evidence. Under no circumstances should it be viewed by anyone. Advice can be sought from the Corporate Fraud Team about how to proceed.

16.0 Suspension of an Employee

Suspension or temporary removal of an employee from the workplace may be necessary in serious cases pending completion of an investigation and any disciplinary hearing. This will be undertaken in line with The Councils Disciplinary Policy and Procedures (4.1- 4.5)

The Council has an Employee Assistance Programme which can be called at any time for legal advice and counselling as well as the option to approach Human Resources.

17 Management responsibilities regarding the investigating officers

17.1 The need to investigate thoroughly and as quickly as possible may put undue stress on the investigating officer. Managers should be supportive throughout an investigation; make sure that the investigating officer is given the necessary co-operation, allowed sufficient time to undertake the investigation.

18 Press and Publicity

18.1 The Communications Team will deal with the press and publicity in all matters regarding fraud and corruption. If any officer speaks to the press without the express authority of the Communications Manager it may be regarded as a breach of the Employee Code of Conduct. The Council will actively encourage the publicising of all successful investigations and prosecutions so as to deter those considering committing an offence against the Council. The Corporate Fraud Team Manager will work with the Communications Section to produce press releases and anti-fraud material using as many opportunities and resources as possible.

19.0 The control framework to minimise and prevent fraud and corruption

19.1 It is the responsibility of management at all levels to ensure that effective internal control systems are in place and operating to minimise the potential for fraud and corruption.

The Council has approved Financial Procedure Rules and Contract Procedure Rules, which between them set out the control frameworks that must exist to minimise and prevent fraud and corruption. These regulations apply to all employees and must be complied with in relation to all financial, procurement and contractual transactions.

When fraud or corruption has been identified, management, in consultation with the Corporate Fraud Team Manager and the Head of Internal Audit should review the control procedures to ensure that the opportunity to repeat the fraud or corrupt act is minimised.

20.0 Asset Recovery

20.1 Whenever fraud has been proven, the Council will make every effort to recover any loss. The method used will vary depending on the type of loss and the regulations and powers available. All means of recovery, including attachments to earnings, civil court proceedings, proceeds of crime legislation and criminal court compensation will be used as appropriate to the offence.

21.0 Training

20.1 Being aware of fraud issues that can affect the Council and how to identify and prevent them are key elements to building an anti-fraud culture within the Council.

20.2 The level and extent of any additional fraud awareness training required by service units will depend on the work those individual employees, consultants, agency workers and contractors carry out. Ensuring that the Council's Investigators are appropriately trained is the responsibility of the Corporate Fraud Team Manager. All investigating officers will be trained to a recognised professional standard.

Sanctions Policy

1. Policy Statement

- 1.1 We will use the full range of sanctions available to us, including, simple caution, criminal prosecution, civil recovery, internal disciplinary procedures and referral to regulatory bodies in order to deter fraud, bribery and corruption.
- 1.2 Slough Borough Council Legal Services (or our designated legal service provider, in accordance with the scheme of delegation) and or the Crown Prosecution Service will be used to undertake prosecutions; and we will refer all relevant cases to the appropriate professional bodies and other law enforcement agencies. We will assist external organisations if they decide to bring their own prosecution cases.
- 1.3 Our fraud and corruption strategy states that we will seek the full range of sanctions against anyone found to have committed fraud against the Council: and they will apply to any fraud committed either, against the Council or, against money or services for which the Council has responsibility.

2. Deciding what sanction to apply

- 2.1 We have a range of sanctions that we can use, including internal disciplinary procedures, simple cautions and criminal and civil prosecutions; and we have this policy to make sure that we apply all available sanctions:
 - consistently;
 - efficiently;
 - robustly; and
 - in a transparent manner.
- 2.2 In some cases, we may apply more than one sanction e.g. if a member of staff has stolen money from us, we may take internal disciplinary proceedings, refer the matter to the police, and undertake civil recovery procedures.
- 2.3 We may decide to pursue a criminal prosecution in some cases; these will be reserved for the most serious. SBC has the power to undertake prosecutions using our Legal Services (or our designated legal services provider). Alternatively, where the Council has jointly investigated any offence with an external investigative body, such as the Police or The Department for Work and Pensions (DWP), the most appropriate prosecuting agency will be selected. This is likely to be Crown Prosecution Service (CPS); moreover, the CPS has the authority to assume any prosecution instituted in England and Wales.

2.4 All cases, which are considered for prosecution, will apply the CPS "Full code Test". The test has two elements, firstly the 'Evidential Test'; and secondly the 'Public Interest Test'. The Full Code Test is set out in the Code for Crown Prosecutors 2013 and further information is available at: https://www.cps.gov.uk/publications/code_for_crown_prosecutors/codetest.html

- **Evidential Test-** The investigator will consider the following questions in assessing whether there is sufficient evidence to prosecute the case: Can the evidence be used in court? Is the evidence reliable? Is the evidence credible?
- **Public Interest Test-** If the Evidential Test has been met, the investigator will then consider whether or not a prosecution would be in the public interest. Each case will be assessed on its own merits and a review will include: How serious the offence is; the level of culpability of the suspect; the circumstances of and the harm caused to the victim; if the suspect was under the age of 18 at the time of the offence; the impact on the community; whether prosecution is a proportionate response; and whether sources of information require protecting.

2.5 Prosecution may not always be appropriate, alternative out-of-court disposals include:

- simple cautions; or
- penalties relating to benefits or council tax provided by enabling legislation. Where an out-of-court disposal is considered, SBC undertake to apply:
 - the appropriate evidential standard and admission of guilt, where required;
 - that the public interest would be properly served by such a disposal; and
 - apply the disposal no greater than 6 months after the completion of the investigation, unless exceptional circumstances apply.

2.6 The range of sanctions applied by the Corporate Fraud and Investigations Team will be determined by the following scheme of delegation:

- Slough Borough Council Legal Services (or our designated legal service provider in accordance with the scheme of delegation) commence all criminal prosecutions.

- The Chief Finance Officer/Section 151 authorises a prosecution file to be considered by Slough Borough Council Legal Services for prosecution.
- The Risk and Assurance Manager authorises a prosecution file to be considered by the Chief Finance Officer/Section 151 officer for prosecution.
- The Risk and Assurance Manager authorises alternative 'out of court' disposals.

3. Types of fraud and the possible sanctions

3.1 Employees, Councillors, Teachers, School Staff

If we find that any of our employees or councillors have attempted or committed fraud or have been involved in corruption, we will undertake disciplinary proceedings in accordance with our disciplinary policy and procedure. If we identify that the Council has suffered any financial loss, we will seek to recover losses through civil proceedings and/or criminal prosecutions and the associated application of asset recovery proceedings under any relevant legislation including The Proceeds of Crime Act 2002. Where employees are members of professional bodies, or have to comply with national codes of conduct (teachers, social care staff etc.) we will refer any cases of fraud and corruption to these bodies.

3.2 Benefit Fraud

The DWP is responsible for investigating housing benefits fraud, but the Council is still responsible for registering, assessing and paying for some DWP benefits and social fund payments. SBC is wholly responsible for council tax registration, discounts and exemptions. Available sanctions include:

- criminal prosecution for any council tax related fraud or attempt; administrative penalties- S11 Council Tax Reductions Scheme Regulations 2013;
- civil penalties for council tax registration, discounts and exemptions - Regulation 14(2) and Schedules 2-3 of the Local Government Finance Act 1992;
- civil penalties for housing benefit overpayments, categorized as claimant error- The Social Security (Civil Penalties) Regs 2012 SI2012/1990;
- A de minimis overpayment of £50 is required before any of the above sanctions are considered.

3.3 Housing and Right to Buy Fraud

In all cases where anyone has fraudulently applied for Right to Buy, housing support, or a tenancy from the Council, we will always seek recovery of the property and any financial losses. Where we identify a criminal attempt or offence has been committed, we will use any relevant legislation, including the Social Housing Fraud Act 2013, to prosecute and recover any criminal proceeds. As an alternative to prosecution, SBC may offer any suspected defendant a simple caution.

3.4 Other fraud

There are a number of other areas, including but not restricted to: insurance claims, direct care payments, grants to organisations, exemptions and reliefs from non-domestic rate payments, and applications for financial and other assistance where theft and fraud may occur. We will always seek to recover any money lost and consider a caution, criminal or civil prosecution. Where an external organisation is involved, we will make a referral to any relevant governing body such as the Law Society, Charities Commission, or the Registrar of Companies.

4. Proceeds of Crime Act 2002

- 4.1 The Proceeds of Crime Act 2002 (POCA) was put in place to demonstrate that crime does not pay. We will use POCA (and its predecessor legislation, such as the Criminal Justice Act 1988 (as amended)) wherever we can, to obtain confiscation orders, including compensation, as well as recovery of the full overpayment of benefits. We will use our own Accredited Financial Investigators (AFI) or those employed by an external partner, such as the police or DWP.
- 4.2 All monies recovered using POCA or predecessor legislation (excluding compensation), will be distributed by the Home Office to SBC under the "Asset Recovery Incentivisation Scheme" (ARIS). The ARIS scheme apportions funds in the following way:
- 50% to HM Treasury;
 - 18.75% to the investigating body;
 - 18.75% to the prosecuting authority; and
 - 12.5% to Her Majesty's Court Service.

4.3 All monies recovered through ARIS will be used, in accordance with Home Office guidance, namely:

- funding the cost of asset recovery;
- crime reduction initiatives;
- community projects;
- miscellaneous activities supporting the above.

4.4 The Chief Finance/151 Officer will determine the allocation of funds.

5. Monitoring

5.1 The Council's Section 151 Officer is responsible for the maintenance and operation of the SBC Corporate Fraud Team and this policy. The 8151 Officer will liaise with The Monitoring Officer and the Risk and Assurance Manager when the policy is subject to review in order to ensure all relevant employment requirements are taken into account.

4. THE ROLE OF AUDIT COMMISSION AND OFFICERS
5. APPROACH TO REQUESTS FOR OUR VIEWS BY OFFICERS AND MEMBERS

JOINT PROTOCOL FOR CIRCUMSTANCES UNDER WHICH THE APPOINTED AUDITOR'S VIEWS ARE SOUGHT ON THE LEGALITY OF TRANSACTIONS

1. Introduction

1.1 This protocol sets out the arrangements for those instances where the Authority, or individual officers and members of the Authority, seek the views of the Appointed Auditor on the legality of transactions, whether proposed or already implemented; and where the public refer questions or enquiries to the Appointed Auditor. The key considerations underpinning this approach are the need to:

- Clarify both the basis on which the Appointed Auditor can comment on the legality of transactions and responsibilities of officers for ensuring transactions which may be embarked upon are legal;
- Ensure greater co-ordination and consistency in the manner by which the Authority, its members and its officers request the Appointed Auditor to comment on transactions;
- To set out our general approach for dealing with enquiries, questions and objections received in the course of the audit from eligible persons; and
- Have improved joint monitoring of the status of individual requests and enquiries, including the additional costs arising for the Authority.

2. Status of this Protocol

2.1 This protocol sets out the basis on which the Appointed Auditor comments on the legality of transactions and promotes effective monitoring and control of such requests.

2.2 This protocol deals with requests received pertaining directly to the legality of transactions and proposed transactions. It also covers those instances in which the Appointed Auditor is requested by members to comment on the appropriateness of actions taken, or proposed to be taken, by the council.

2.3 This protocol also refers to the Appointed Auditors responsibilities in respect of enquiries, questions and objections received in the course of the audit from eligible persons, and the monitoring arrangements proposed will be applied to such work.

2.4 General discussion pertaining to our audit of the Authority's financial systems and final accounts are considered to fall within the remit of our normal, ongoing, audit work. Whilst there may be an impact on the total level of resources required for the audit in any given year, this would be expected to be dealt with as part of the agreement of the annual plan and subsequent variations to it.

3. Background

3.1 The Authority's framework of financial and management control is currently based on delegation to departments balanced with the retention of adequate corporate control. Service Directors are responsible for ensuring adequate arrangements are

in place for proper financial administration, which encompasses ensuring transactions embarked on are lawful.

- 3.2 This protocol sets out the procedures agreed to be put in place to enhance the effectiveness of the arrangements both the Audit Commission and Slough have in place for dealing with both requests for comments on the legality of transactions, and questions and enquiries.

4. The role of the Audit Commission and Officers

- 4.1 The respective roles of officers, and the Appointed Auditor, are clearly set out in the Code of Audit Practice (“the Code”) and the Statement of Responsibilities of Auditors and Audited Bodies. In summary, it is the responsibility of audited bodies and their officers to act within the law; auditors are required to bear in mind the question of legality and take reasonable steps to inform themselves of significant financial transactions or events that are unusual or of questionable legality.

- 4.2 It is in the context of this framework of responsibilities that requests for our comments would be viewed. We want to be as helpful as possible and work closely with officers to avoid the significant costs associated with the reversal of decisions or transactions, which are subsequently found to be unlawful. In general our approach to matters of legality both referred to us by officers and identified in the course of our audit reflects the understanding that we are not in a position to definitively interpret legislation, which is a matter for the courts, and that ultimate responsibility for ensuring the lawfulness of transactions embarked on resides with officers. We seek to provide ourselves with assurance that a transaction, or proposed course of action, is lawful by:

- Keeping abreast of the key issues involved, in particular, those aspects of a proposed transaction on which officers, or their advisors have concerns;
- Taking into account existing guidance, if any, pertaining to the matter under consideration;
- Ensuring officers, including the Monitoring Officer and his advisors, have given the matter in question due and proper consideration and that they have taken appropriate steps to assure themselves that a particular transaction, or course of action, is lawful and within the Authority’s powers.

- 4.3 The Authority should not seek to rely solely on the view we express with regard to a particular issue, because:

- It remains the responsibility of the Authority and its officers to decide whether to embark on any transaction;
- We are not legal practitioners and consequently are not in a position ourselves to definitively interpret legislation;
- We may not act in any way that might fetter our future ability to exercise the specific powers conferred upon us by statute.

- 4.4 Moreover, the fact that we may respond to a request does not mean that the proposed transaction or course of action will be exempt from challenge in the future.

5. Approach to Requests for our views by Officers and Members

- 5.1 Within this framework it is possible for us, in conjunction with officers to play an important part in helping the Authority to avoid the potentially significant costs associated with considering arrangements which are subsequently found to be unlawful. In order for this objective to be achieved cost effectively the Council should follow the steps set out below:

Step 1

Requests from individual Members or Officers of the Council should be raised in the first instance with the Monitoring Officer (or a nominated deputy) and s/he will arrange for the issues of concern to be fully considered by the appropriate Officers in accordance with Step 2 below.

Step 2

The Officers within the Council will ensure that all of the issues of concern which are raised are fully considered and prepare a report setting out their conclusions and the rationale behind them. If concerns remain these should be highlighted before any reference is made to the Audit Commission.

Step 3

If after Steps 1 and 2 have been carried out a request to the Audit Commission is still considered necessary then such requests will be forwarded by the Monitoring Officer or his nominated deputy with all supporting papers. In particular the supporting papers must include any sources of advice or legal opinion relied upon by the Officer in their report. All requests referred to the Audit Commission will be copied to the Chief Executive.

- 5.2 It is at the discretion of officers, through the Monitoring Officer, to decide on the matters referred by the Authority to us for our views. In order to best assist the Authority we would, however expect those issues which are either significant in terms of their potential financial effect, or of particular local sensitivity, to be brought to our attention at an early stage to allow us sufficient time to consider the issues involved fully and to make officers aware of our views (subject to the limitations imposed on our views as set out above) before a final decision is taken.
- 5.3 In instances where the issues concerned are material, or legally complex, the Appointed Auditor will promptly advise the Authority when we have determined we need such legal advice. In normal circumstances we would be willing to share any advice we obtain.
- 5.4 Notwithstanding the above we will however require annual confirmation from the Monitoring Officer that no matters have been referred to him which should have been brought to the Audit Commission's attention. This annual confirmation will supplement our normal request for confirmation from the Authority's Monitoring

Officer (or his deputy) that he is not aware of any transaction, or course of action, which should be brought to our attention.

6. Dealing with Enquiries and Questions from electors

- 6.1 An elector has the right to inspect, question and object to a local Authority's accounts, as outlined in greater detail in *The Rough guide to Audit Law* which is available from the Audit Commission.
- 6.2 The rights of the public are limited to asking questions about an authority's accounts. There is no statutory right to ask questions about a local authority's policies, finances or procedures, which are not about the accounts. In practice, where we receive questions which do not refer to the accounts,
- we can indicate to the enquirer that it is open to them to seek the information directly from the Authority. In general, we would not act as a conduit for questions to, and replies from, the Council; or
 - we may enquire into the matter brought to its attention where it may concern potentially unlawful activities or transactions by the Authority. We are not bound to provide a response but would try to keep the enquirer informed in general terms about any relevant work we undertake.
- 6.3 In all circumstances we would notify the Monitoring Officer of the matters referred to us by the public and the proposed course of action that we intend to adopt. Where officers are of the view that an issue referred to the Appointed Auditor by a member of the public merits further investigation, the issue would be dealt with as if referred to us by officers.

7. Monitoring Requests

- 7.1 The Appointed Auditor will keep the Monitoring Officer informed of all requests received setting out their progress and current status, including the actions taken by the Appointed Auditor or required of the Authority, together with details of our resource inputs, analysed by grade.
- 7.2 This also applies to all enquiries, questions and objections received from eligible persons. These will be copied as a matter of course to the Chief Executive, the Monitoring Officer and the Director of Finance and Resources.

8. Fee Arrangements

- 8.1 Fees for such work will be charged at the Audit Commission's grade related fee rate, reflecting the seniority and experience of the staff involved.
- 8.2 We would expect, where the costs are significant, to bill monthly in arrears for such work, following the agreement of the fees with the Monitoring Officer.

Part 5.9 Policy Statement on Corporate Governance

INTRODUCTION

The Council is committed to achieving excellence in the provision of services for the people of Slough.

The Council's vision, priorities and aims contribute to achieving the seven-shared **priorities for local government**, which have been agreed by the Government and Local Government Association. These shared priorities focus the efforts of Government and Councils for improving public services. The shared priorities fulfil a commitment made in the '*White Paper – Strong Local Leadership – Quality Public Services*' – to define a single list of main priorities for local government and cover the key issues that will impact most on the lives of people.

The seven-shared priorities are: 1. Raising standards across schools. 2. Improving the quality of life of children, young people, families at risk and older people. 3. Promoting healthier communities by targeting key local services, such as health and housing. 4. Creating safer and stronger communities. 5. Transforming the local environment. 6. Meeting transport needs more effectively. 7. Promoting the economic vitality of localities.

The shared priorities have been used to shape the Slough Focus (Slough's Local Strategic Partnership) vision and priority actions. Slough Focus has brought together the town's decision makers, communities and organisations to work with each other to meet the needs of local people and to improve the quality of life in Slough. Together they have developed Slough's first **Community Strategy**. The Community Strategy sets out a long-term vision for Slough, for the people, the place and for the prosperity of the town, and the things that need to be done to make this a reality.

The Community Strategy sets out a long-term vision under the headings of 'People', 'Places' and 'Prosperity' which are supported by nine Priority Action Groups, three for each priority heading. Under each main heading the aims are:

PEOPLE - Slough will have healthy and fulfilled people and communities.

PLACE - Slough will be a safe, attractive and sustainable place to live, work and learn.

PROSPERITY - Slough will have prosperous individuals and communities.

Meeting the needs of Slough's people and communities is at the centre of this vision. This vision will develop and change as the needs and aspirations of the people of Slough change.

It is within this context that the Council's priorities aims are set. The Council's vision, priorities and aims show how the Council supports the seven-shared priorities for

local government and the Community Strategy themes of ‘People’, ‘Places’ and ‘Prosperity’. We believe together they will continue to improve the quality of life for people who live in Slough.

The Council’s vision, priorities and aims are set out below:

Various documents celebrate what has been achieved to date, describe the key challenges facing the Borough over the next few years and set out the Council’s priorities for the town. These documents include the Community Strategy, Council’s Corporate Plan and Performance Plan.

¹ Local Strategic Partnership

However, excellent public service is not solely a matter of what is provided or indeed how it is provided. The type of organisation that provides the service and its motives for doing so are equally, if not more, important. The Councillors elected by the residents of Slough to form the Borough Council and the Officers employed by the Council recognise this and affirm their total commitment to demonstrating and upholding the highest standards of behaviour in public life.

This policy statement:-

- summarises the principles which underpin this public commitment,
- provides the framework for public accountability and confidence in the work of the Borough Council,
- describes the processes which should safeguard the existence of the high standards now and in the future.

The Council's ethical framework exists at three levels. Nationally there is statute and common law together with codes and best practice. This is undergoing great change at present. These national elements are supplemented and interpreted locally through specific Codes and conventions. In turn, these are underpinned by a range of internal practices and procedures. The Council is committed to keeping this framework under review and developing it in line with public expectations, where possible anticipating and exceeding any legal or advisory requirements.

SEVEN PRINCIPLES OF PUBLIC LIFE

In 1997, the Nolan Report on Standards in Public Life defined good conduct for members of public bodies as:-

“a responsibility to act fairly, in good faith, and in a disinterested way in order to meet the specified objectives of the body to which they had been appointed.”

Furthermore the Report held that any resources which were made available through association with a public body should not be misused by members of that body for their own personal advantage or that of

“any-one known to them or to the disadvantage or the discredit of the public body or anyone else”.

Slough Borough Council agrees completely with these statements and has adopted the following principles, taken from the Nolan Report, as the centre-piece, of this, its Policy Statement on Corporate Governance. These criteria and the principles shown below have subsequently been re-affirmed by the Local Government (Organisation and Standards) Bill as promoted by the Government and now, having received Royal Assent, the Local Government Act 2000.

Selflessness

All Members and employees of the Council will take decisions solely in terms of the public interest. Decisions will not be taken in order to gain financial or other material benefits for themselves, their family or their friends.

Integrity

No Member or employee of the Council will place themselves under any financial or other obligation to outside individuals or organisations that might influence them in the performance of their duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, the Council's elected Members and employees will make choices on merit.

Accountability

The Members and employees of the Council are accountable for their decisions and actions to the public and will submit themselves to whatever scrutiny is appropriate to their office.

Openness

All Members and employees of the Council will be as open as possible about all the decisions and actions that they take. They will give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty

All Members and employees of the Council will declare any private interests relating to their public duties and take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

All Members and employees of the Council will promote and support these principles by leadership and example.

The Council believes that these principles apply in equal measure to elected Members and employees of the Authority. Furthermore it commends these principles to its partners, contractors and consultants for use in their business and dealings with the Council. All elected Members and employees of the Council are expected to adhere to these principles and apply them in their every day lives as they work, in what ever capacity, for the Council and the benefit of the Borough.

CORPORATE GOVERNANCE

The elected Members and employees of the Council are here to serve and empower the people of Slough. This requires a positive commitment to public service and putting our service users, customers and the local communities first. Our services can have a profound effect on their quality of life and we all have a duty to give our best at all times. The public have the right to expect us to listen to them, be open, helpful and professional in our approach. Their confidence in public services depends on us being considerate, responsible, sensitive and mindful of the need to respect confidentiality. At no time should the conduct of elected Members, Council employees or our partners damage public belief in the honesty and integrity of the Authority.

Our goal is the highest standards of behaviour and service from all employees (full-time, part-time, temporary or casual), Members of the Council and those to whom

public resources are entrusted in the Borough. The Authority recognises that high standards of professional and personal conduct will only be sustained in the long run if we:-

- act impartially and are seen to do so.
- take accountability, individually and as an organisation, for the proper governance of our Borough.
- work in open and transparent ways.
- accept criticism and comment as a positive force for improvement in ourselves and others.
- reject totally a culture of blame and shifting responsibility.

THE FRAMEWORK

The Council will seek to achieve its goal and put the Nolan principles into action through an ethical framework consisting of :-

- A culture which seeks to eliminate the potential for partiality or unlawful action in the exercise of its powers functions and influence,
- An emphasis on prevention and vigilance,
- Resources for detection and investigation,
- Training for elected Members, employees and those we come into contact with,
- Recourse to sanctions and recompense should all else fail.

THE POLICIES AND PROCESSES

Culture

The policy of the Council in respect of its culture is to be clear about the standards of behaviour and service required and; through open government and leadership be, and be seen to be, an organisation that works constantly to eliminate malpractice while promoting honesty and fairness.

The Council puts this into practice through:

- Conducting as much business as possible in a transparent fashion at meetings which are open to the public.
- Encouraging questions, delegations and petitions from the public at meetings.
- Retaining Council reports for six years to allow public scrutiny.
- Consulting widely on Council policies and strategies and surveying public opinion on a regular basis.

- Supporting elected Members in their constituency and representational roles.
- Acknowledging the public's right to scrutinise Council documents including Accounts and Annual Reports.
- Openly reporting Council activities through the press and public relations section.
- An internal communications framework that keeps all employees informed.

Prevention

The policy of the Council in respect of prevention is to prepare and maintain a complete suite of local Codes, corporate and departmental procedures to be followed by Members and employees supported by vigilant managers and a well resourced internal Audit team.

The Council puts this into practice through:

- A Audit & Corporate Governance Committee with an independent Chair and Members.
- Rigorous procedures for Members and employees to declare their interests.
- Making these Registers of Interests available for scrutiny by the public.
- Democratic control and the conduct of business by Members who are elected by, and accountable to, the public.
- Co-operative working with External Auditors, the Local Government Ombudsman and other regulatory bodies.
- Providing advice and support to elected Members and employees consistently throughout the year.
- Ensuring ready access to information about the Council and the business it conducts by publishing Committee reports in advance of meetings.

Detection and Investigation

The Council's policy in respect of detection and investigation is to commit resources to the speedy and even-handed investigation of any alleged malpractice. The Council will work with statutory or public authorities and other organisations to integrate and maximise efforts to deal with malpractice and learn from others. In addition the Council will co-operate fully with any inquiry or investigation and ensure that any practical or future preventative action is taken.

The Council puts this into practice through:

- Encouraging concerned individuals both inside and outside the Council to come forward under its whistle blowing procedures and protecting those who do so.
- Maintaining a comprehensive complaints system.
- Implementing a rigorous internal audit programme.

- Pushing for Councils to have more powers to remove elected Members who have committed and been found guilty of acts against the Council they represent.
- Commissioning independent investigations and the public reporting of findings.
- Placing responsibility on elected Members and managers to ensure that effective and transparent controls are in place.

Training

The Policy of the Council in respect of training is to provide appropriate information, training and support to enable elected Members and employees to properly understand and fulfil their responsibilities in respect of standards of conduct.

The Council puts this into practice through:

- Providing Members with induction packs within one day of being elected.
- Providing Members with induction training within five days of being elected.
- Ensuring an ongoing programme of education including specific training on conduct, declarations of interest and other important topics related to conduct.
- Providing specific training for Officers and Members involved in the Planning service.
- Ensuring that Members Services Officers are available to provide information, assistance, advice and support.
- Maintaining a comprehensive programme of education and training for employees from the time they are appointed.

Sanctions and recompense

The policy of the Council in respect of sanctions and recompense is to seek speedy and impartial justice while acting to minimise the immediate effects and mitigate long-term harmful effects of any wrong doing thus bringing about a swift return to normal life.

While the conduct of employees can be addressed through contracts of employment; as the law stands at present there are few, if any, sanctions the organisation can apply to an elected Member whose conduct is unsatisfactory. Nevertheless the Council puts its policy into practice through:

- Disciplinary procedures for Members including investigations by independent panels in serious cases.
- Comprehensive disciplinary procedures for employees.
- Referring matters to the Police when internal procedures are exhausted or inappropriate.
- Pushing for the strongest possible action to be taken against those found to be acting unlawfully against the Council and the interests of the Borough.
- Treating complaints against itself openly, respecting the views of others and positively seeking a mutually acceptable outcome.

- Seeking ways in which restitution can be made when clear damage of loss has been found resulting from maladministration by the Council.

GUIDANCE FOR MEMBERS AND STAFF IN RELATION TO MEMBERS' INVOLVEMENT IN HOUSING AND COUNCIL TAX BENEFITS WORK

1. Introduction

This Guidance is issued to Members and staff in accordance with the Council resolution of 28th April 1999 that requires detailed involvement by Members in individual housing and council tax benefits cases to cease. At the same time, the guidance seeks to recognise Members' legitimate role in representing constituents, whether they are claimants or landlords, in their dealings with the Council.

This guidance supplements the declaration/registration of interest requirements contained in the Local Code of Conduct for Members and the requirement that Members should register services they, or close members of their family, have applied for or received from the Council which was agreed by Council in October 1999.

There is a parallel requirement for all officers involved in the administration of benefits to declare their interest in the Register of Employee Interests (Paragraph 5 of the Local Code of Conduct for Employees refers).

2. Members' case work

In the first instance constituents who approach a Member for help should be invited to contact the 'My Council' Customer Service Centre or the Revenue and Benefits Helpline service, or to use the corporate complaints procedure.

If the Member has concerns about the case or the constituent is insistent the Member takes up the issue, the Member should immediately refer the matter in writing, to the Director concerned. All such enquiries must be accompanied by a consent form signed by the constituent and countersigned by the Member, which gives authority for information about the case to be released to that Member.

Only in exceptional circumstances, or emergencies where the constituent is facing hardship, should Members make personal contact and then it should be to the Director or head of service (currently the Service Manager – Benefits, Council Tax and NNDR).

3. Members and their household who are benefits claimants

All Members, their family and other members of their household who claim housing and/or council tax benefits must declare that fact to the head of service (currently the Service Manager – Benefits, Council Tax and NNDR). Confidentiality will be respected, and the head of service will arrange for a senior benefits officer to check the claim is properly administered and processed.

If a member has an inquiry about his or her benefits or entitlements, this should always be raised in writing to the Director concerned.

4. Members with other interests in the benefits systems e.g. as landlords

Members who are landlords of properties where their tenants are claiming benefits or who have some other pecuniary interest in the benefits system, must declare the details to the Council's Monitoring Officer for inclusion in the statutory Register of Interests.

All enquiries from such Members in relation to their interest should be addressed in writing to the Director concerned.

5. Appeals

The Appeals Service is independent of the Council and Members may represent or advocate on behalf of a claimant, provided a consent form signed by the constituent and countersigned by the member has been submitted.

6. Circulation and review of guidance

This guidance will be issued to all existing and new Members and to all officers involved in the administration of benefits.

The guidance will be reviewed every two years by the head of service for the housing and council tax benefits service.
