Clear Blocked Drain - High Street Chalvey, Service Road

We, the undersigned, are concerned that the drain in question (next to no. 83 High Street but shared by many residents) has become blocked and causes flooding of the road every time rain is persistent or lasts more than one hour. This causes inconvenience to all residents.

Despite repeated phone calls and e-mails, the council have not cleared the shared drain.

We are voters on 2nd May and all other subsequent dates and will coordinate our efforts to vote for whoever will serve us according to the council taxes we pay.

This petition was received on 24th April, 2019.

This petition was passed to the Enforcement Team Leader on 7th May, 2019.
