Object to Chalvey / Grove Academy Residents' Parking Scheme

We object to the proposed Chalvey / Grove Academy Residents' Parking Scheme. We all have multiple cars within a single household given the large family sizes, and also have frequent visitors on a daily basis. There is a constant need for us as residents to be able to park our cars without any restrictions.

Thank you for submitting the attached petition.

I can confirm we have analysed the feedback received during the informal consultation period and the petition attached and have made a decision, collectively with your ward councillors, not to introduce a residents parking scheme on Spackmans Way.
