

Primary Admissions Process September 2009

The number of applications received increased from 1711 in 2008 to 1855 in 2009. For this reason not all applicants could be offered places on 27th March 2009 when letters were sent to parents. Parents had until 10th April to either accept or decline offers and the Admissions Team expect further places to be released once this data is collated. The Admissions Team are in regular contact with parents who do not yet have places. The table below shows the latest position.
