## **Standing Advisory Council on Religious Education - 09.03.22**

*(Cllr Basra joined the meeting – 16.36pm)*

### **57. Pan-Berkshire SACRE Hub Minutes of the meeting held on 13 December 2021**

Christine Isles provided an update on the Pan-Berkshire SACRE Hub meeting held on 13 December 2021 and reported that a further meeting had taken place on 7 March 2022.

It was highlighted that additional filming programmes had been undertaken at a Catholic Church, Sunni Mosque and Orthodox Synagogue. The notes for Key Stage (KS) 1 and 2 had been completed, but those for KS3 were still ongoing.

*(Hardip joined the meeting – 16.40pm)*

In relation to the Agreed Syllabus review, 56 responses had been received following consultation with teachers in the local authorities that participated in the Pan-Berkshire Hub. There had therefore been discussions as to whether to convene an Agreed Syllabus Conference (ASC) in each local authority or to postpone the review to 2023 in the spring, summer or autumn, which was the latest time that an ASC could be legally convened.

The approximate sum of £5,000 still remained in the Hub budget, but £1200 had yet to be deducted for the cost of the four additional films, as well as a further cost for writing the notes. Local authorities would be invoiced for their contribution of £900 for 2022-2023. It had been suggested that the remaining money could either be held over to provide up-front funding for the review of the Agreed Syllabus, or to provide training for teachers in preparation of the review.

**Resolved** – That the update be noted.

### **58. Pan-Berkshire Hub Minutes of the Meeting held on 7 March 2022**

This item was covered in the minute 57 above.

### **59. SACRE Membership Update**

The clerk advised that the membership groups would be updated to include Karen Appleby as a Jewish representative member on SACRE, following her appointment by the Council.

### **60. SACRE Spring 2022 RE Newsletter**

The professional adviser invited members to submit details of any forthcoming event that they may wish to be included in the SACRE Spring 2022 RE Newsletter by the end of March 2022.

## **Standing Advisory Council on Religious Education - 09.03.22**

Members commended that the termly newsletters were very informative and believed that they provided useful and helpful information and resources to support teachers in schools.

It was explained that information included in the newsletters were steered by the NASACRE, NATRE (National Association of Teachers of Religious Education), feedback that could be shared from various RE groups, as well as the Slough RE Network group. Teachers could also contact the professional adviser on the email address included in the newsletters.

**Resolved** – That the SACRE Spring 2022 RE Newsletter be noted.

### **61. Draft Slough Annual SACRE Report 2020-2021**

Members received the draft Annual SACRE Report for 2020-2021 set out in the template recommended by NASACRE.

The professional adviser highlighted that NASACRE had advised that a year should be allowed to enable the new SACRE Annual report framework to be embedded in the new format but needed to be agreed by the SACRE.

The report was required to be sent to NASACRE in December, but the deadline had been extended due to Covid-19.

It was noted that there would be additional cost in the preparation of the report due to the level of details/information that was now required to be included. Further details were yet to be included in the report.

**Resolved** – That further work was on-going on the initial draft and would be reported to the next meeting.

### **62. SACRE Action Plan - February 2022**

The professional adviser presented the 2021-2022 draft Action Plan updated in February 2022.

It was highlighted that the NASACRE annual conference would be held virtually in 2022 and further details were yet to be provided. The next termly RE Network meeting would be held on 17 March 2022 and further details relating to Strictly RE would be included on the agenda.

On-going work continued to be supported including, revisiting the Crossing the Bridges project, which was anticipated would be restarted post Covid-19. Also proposed (subject to further discussion) was arranging an in-house RE Teachers' Conference drawing on the expertise available within the Pan-Berkshire Hub membership.

Members were reassured that there was sufficient funding available to support the various actions set out in the Action Plan.

**Resolved** – That the SACRE Action Plan – February 2022 be noted.

**63. SACRE Finance Update - February 2022**

The group manager for school effectiveness provided an update on SACRE finance. Oxford Diocese had been requested to submit an invoice for the remaining £450 from the 2021-22 contributions. There would also be an under spend of approximately £3,000 of the 2021-22 SACRE budget, which would be required to be spent by the end of March 2022.

Members discussed various ways that the surplus budget could be spent including:

- Purchasing artefact to support teachers when teaching RE and drafting support guidance materials. Schools in Slough that taught RE would be invited to place an order from the RE Online catalogue for the sum of approximately £80 to purchase support materials of relevance to their teaching. Invoices to be made to the Council for payment to be made from the SACRE budget. The professional adviser would explore the proposal with a view to progressing prior to the end of March 2022, and the group manager for school effectiveness confirmed that the RE Online catalogue would be sent by email to headteachers in Slough.
- Begin preparation for drafting written materials for the proposed RE Teachers' conference.

It was stressed that any sum over £2,000 would require approval by the Finance Committee.

Also discussed was the suggestion that given the Council's current financial situation, consideration should be given to give back any surplus. It was noted that the SACRE budget was derived from the Education and the DSG budget, all of which were closely being monitored as part of the Council's financial management control.

**Resolved:**

- i) That schools in Slough be invited to order up to approximately £80 worth of RE artefacts from the RE Online catalogue before the end of March 2022.
- ii) That any unspent surplus remaining by the end March 2022 be absorbed by the Council.
