### Council Response

I am writing in relation to your petition submitted to Slough Borough Council on the 13<sup>th</sup> December 2022.

Your petition related to requesting for double yellow lines on Hawthorne Crescent. Unfortunately, the Council is no longer implementing ad-hoc restriction throughout the borough and moving towards residents parking controlled zones. The reasoning behind this is due to lack of resourcing and the financial costs to implement such schemes. We will however be placing this request on our list and when the schedule is confirmed next year, we will be advising residents of our plan for their wards.

I am sorry I cannot advise any further at this time however we will be keeping resident informed nearer the time.

Please note that in accordance with the Councils Petitions scheme the petition and response will be published on the Council's Website.
