The Council has designated all streets in the Borough as Consent streets. Street trading is only allowed in Consent streets with the consent of the Council. The Council may limit the number of Consents issued and may attach appropriate conditions to Consents.

2.2 Any individual wishing to offer goods or services for sale, from a fixed stall or location on the public highway must have Street Trading consent issued by the local authority.

3 REPRESENTATIONS RECEIVED

3.1 A 28-day consultation, starting on 12th January 2023, was carried out with local residents and local businesses situated within a 100-metre radius of the proposed trading location. A copy of the consultation letter is attached at **appendix C**. In addition, copies of the application were sent to the following for comment.

- No planning permission.

4 RELEVANT GUIDANCE

4.2 As a quasi-judicial body the Committee is required to consider the application on its merits and must act reasonably and rationally. The Committee can only take into account relevant factors and must ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of the relevant facts, or the likelihood or the unlikelihood of some future event, the occurrence of which would be relevant. The Committee must give fair consideration to the contentions of all persons entitled to make representation to them.

4.3 The Committee can only consider matters within the application that have been raised through representations.

4.4 Members should note that the Committee is meeting on this occasion solely to perform the role of licensing authority. As such Members should disregard the Council’s broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the Council’s related policies and guidance.

4.5 Members will be aware of the Council’s Code of Conduct which requires them to declare interests. The Code applies to members when considering licensing

applications. In addition as a quasi-judicial body, members are required to avoid both actual bias and the appearance of bias.

Human Rights & Equality Act Duties

- 4.6 In determining the application the Committee should be aware of and take into account any implications that may arise from the Human Rights Act 1998 and S. 149 Equality Act 2010. The Act makes it unlawful for a public authority to act in a manner which is incompatible with the European Convention of Human Rights.
- 4.7 When determining the application and considering imposition of conditions the Committee must be satisfied that any decision which interferes with the rights of the applicant or of others only does so insofar as it is necessary to protect the rights of others and that no alternative decisions would be appropriate.
- 4.8 The Committee is specifically referred to the following Convention rights:
 - (a) Article 6 (the right to a fair trial);
 - (b) Article 8 (the right to respect for private and family life); and
 - (c) Article 1 of the First Protocol (the protection of property).
