Town and Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
(DMPO) (as amended)

IN pursuance of their powers under the above-mentioned Acts and Orders, the Council of the Borough of Slough as the Local Planning Authority, **HEREBY GRANTS PLANNING PERMISSION**, in accordance with your application, **P/03079/018**, dated 10 May 2022 and the accompanying plans and particulars, for:

Proposal:	Construction of a three storey roof extension and conversion of the first and second floor to provide 46 residential units (Use Class C3); re-provision of 2 commercial units (Use Class E) at ground floor; associated cycle parking, refuse storage; roof garden; new residential access to the front (north) elevation; and upgrades to the high street facade
Location:	190-192, HIGH STREET, SLOUGH, SL1 1JS

Dated this 22 June 2023

SUBJECT TO THE FOLLOWING CONDITION(S):

1. The development hereby permitted shall be commenced within three years from the date of this permission.

REASON To prevent the accumulation of planning permissions, and to enable the Council to review the suitability of the development in the light of altered circumstances and to comply with the provisions of Section 91 of the Town and Country Planning Act 1990.

2. The development hereby approved shall be implemented only in accordance with the following plans and drawings hereby approved by the Local Planning Authority:
 - (a) Drawing Number JM063_PL_0001, Dated 03/09/2020, Recd On 12/05/2022

- (m) Drawing Number JM063_PL_1051, Dated 23/03/2022, Recd On 12/05/2022

REASON To ensure that the site is developed in accordance with the submitted application and to ensure that the proposed development does not prejudice the amenity of the area and to comply with the Policies in the Development Plan.

3. Prior to the commencement of any above ground works, details of all facing materials, including render colours, glazed facades, timber louvres and metal framework framing to be used on the relevant block on all external facades and roofs of the buildings, shall be submitted to and approved in writing by the Local Planning Authority. Samples shall be displayed on site for inspection prior to works commencing on the relevant part of the development. No part of the development shall be used or occupied prior to the implementation of the approved details. The development shall be carried out strictly in accordance with the approved details.

REASON: To ensure a satisfactory external appearance of the development and to respect the setting of nearby listed buildings in accordance with Policies EN1 and EN17 of the Local Adopted Plan for Slough 2004, Core Policies 8 and 9 of the Slough Local Development Framework Core Strategy 2006-2026, and the guidance contained in the Council's Developer's Guide Part 4 (2008) and the National Planning Policy Framework (2021).

4. No part of the development hereby permitted shall be occupied until details of the measures to be incorporated into the development to demonstrate how 'Secured by Design Gold Award' accreditation will be achieved has been submitted and approved in writing by the local planning authority. The development shall be carried out in accordance with the approved details and shall not be occupied or used until written confirmation of Secured by Design accreditation has been submitted to the Local Planning Authority. The approved security measures shall be retained thereafter.

REASON In order to minimise opportunities for crime and anti-social behaviour in accordance with Policy EN5 of The Adopted Local Plan for Slough 2004 and Core Policies 8 and 12 of the adopted Core Strategy 2006-2026, and the requirements of the NPPF 2021.

5. Prior to first occupation of the development hereby permitted, a scheme for landscaping shall have been submitted to and approved in writing by the Local Planning Authority. The scheme shall include the following:
 - a. details of all hard surfacing;
 - b. details of all boundary/barrier treatments;
 - c. details of all proposed planting, including numbers and species of plant, and details of size and planting method of any trees.
 - d. details of irrigation system for soft landscaping aftercare
 - e. details of equipment storage for the care and maintenance of the roof terrace.

All hard landscaping and means of enclosure shall be completed in accordance with the approved scheme prior to first occupation of the development. All planting, seeding or turfing comprised in the approved scheme of landscaping shall be carried out in the first planting and seeding seasons following the first occupation of the building or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

REASON In the interests of the visual amenity of the area and accordance with Policy EN3 of The Adopted Local Plan for Slough 2004

6. None of the uses hereby approved shall commence until a landscape management plan, which include the maintenance regime for drainage, has been submitted to and approved in writing by the Local Planning Authority. This management plan shall set out the long term objectives, management responsibilities and maintenance schedule for the landscape areas shown on the approved landscape plan, and should include a time scale for the implementation and be carried out in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

REASON To ensure the long term retention of landscaping within the development to meet the objectives of Policy EN3 of The Adopted Local Plan for Slough 2004.

7. No part of the development hereby permitted shall be occupied until a scheme has been submitted to and approved in writing by the Local Planning Authority for external site lighting including details of the lighting units, levels of illumination and hours of use. No lighting shall be provided at the site other than in accordance with the approved scheme.

REASON In the interests of safeguarding the amenities of neighbouring properties an to provide safer access to the cycle store in accordance with Core Policy 8 of The Slough Local Development Framework, Core Strategy 2006 – 2026, Development Plan Document, December 2008, Policy EN5 of The Adopted Local Plan for Slough 2004, and the requirements of the NPPF 2021.

8. If the proposed construction works include piling, no piling shall take place until a piling method statement (detailing the depth and type of piling to be undertaken and the methodology by which such piling will be carried out, including measures to prevent and minimise the potential for damage to subsurface water infrastructure, and the programme for the works) has been submitted to and approved in writing by the local planning authority in consultation with Thames Water. Any piling must be undertaken in accordance with the terms of the approved piling method statement.

REASON The proposed works will be in close proximity to underground water utility infrastructure and piling has the potential to impact on local underground water utility infrastructure.

9. No development shall begin until details of a scheme (Construction and Environmental Management Plan) to control the environmental effects of construction work has been submitted to and approved in writing by the Local Planning Authority. The scheme shall include:

- (i) control of noise
- (ii) control of dust, smell and other effluvia
- (iii) control of surface water run off
- (iv) site security arrangements including hoardings
- (v) proposed method of piling for foundations

The development shall be carried out in accordance with the approved scheme or otherwise, as agreed by the Local Planning Authority.

REASON: In the interests of the amenities of the area in accordance with Core Policy 8 of the Slough Local Development Framework Core Strategy 2006-2026, and the guidance set out in the National Planning Policy Framework (2021).

10. Prior to the occupation of any residential unit hereby approved, details of the proposed system of Mechanical Filtered Ventilation (including proposals for overheating mitigation) within each flat shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried in full accordance with the approved details prior first occupation and retained as such at all times in the future. Each Mechanical Filtered Ventilation unit shall then be used and maintained in accordance with the manufactures requirements at all times in the future.

REASON to ensure existing and future residents are not subjected to unacceptable levels of pollution once the development is inhabited, in accordance with Core Policy 8 of The Slough Local Development Framework, Core Strategy 2006 - 2026, Development Plan Document, December 2008, and the National Planning Policy Framework, 2021.

11. The surface water control measures shall be carried out in accordance with the Indicative Surface Water Drainage Assessment from RSK ref: 1680512-R1(0)-ISWDS dated April 2022 and the following drawings:

- Drainage Layout 680512-RSK-ZZ-XX-DR-C-01
- Green Roof Layout 680512-RSK-ZZ-XX-DR-C-04
- Drainage Construction Details 680512-RSK-ZZ-XX-DR-C-03

The drainage system shall be managed and maintained for the lifetime of the development in accordance with details that have first been submitted to and approved in writing by the Local Planning Authority.

REASON To ensure that surface water discharge from the site is satisfactory and shall not prejudice the existing sewerage systems in accordance with Policy 8 of the adopted Core Strategy 2006 - 2026, and the requirements of the NPPF 2021.

12. No part of the development shall be occupied until bin storage has been provided on the ground floor and suitable storage area to be provided in accordance with the standards set out in the Slough Developers Guide.

REASON: To ensure that adequate refuse storage is provided to serve the development

13. No windows (other than those hereby approved) shall be formed in the development hereby approved without the prior written approval of the Local Planning Authority.

REASON To protect the privacy of the neighbouring property and to ensure no overlooking to the car park site to help ensure that these would not prejudice wider redevelopment in accordance with Core Policy 8 of The Slough Local Development Framework, Core Strategy 2006 – 2026, Development Plan Document, December 2008, Policies EN1 and H9 of The Adopted Local Plan for Slough 2004, and the requirements of the NPPF 2021.

14. The windows in the shop front elevations for the retail uses at ground floor shall be constructed in clear glass and there shall be no obstruction, colouring, laminating, or similar behind the glass that would prevent or restrict views into the ground floor unit.

REASON In the interests of protecting the visual amenity, vitality and viability of Slough town centre in accordance with the provisions of Policies S1 and EN1 of The Adopted Local Plan for Slough 2004 and Policy 12 of the adopted Core Strategy 2006-2026, and the requirements of the NPPF 2021.

15. The development hereby approved shall be implemented to fully include the proposals and measures set out in the Sustainability and Energy Statement produced by Ensphere, reference 20-E110-004 dated April 2022 unless otherwise agreed in writing with the Local Planning Authority.

Reasons: To ensure that the development provides sustainable energy benefits to the development in the interests of Policy 8 of the Core Strategy 2006 - 2066.

16. No part of the development shall be occupied until the new means of access has been sited and laid out in accordance with the approved plans and constructed in accordance with Slough Borough Council's Adopted Vehicle Crossover Policy.

REASON: In order to minimise danger, obstruction and inconvenience to users of the highway and of the development.

17. The scheme for parking and manoeuvring indicated on the submitted plans shall be laid out prior to the initial occupation of the development hereby permitted and that area shall not thereafter be used for any other purpose.

REASON: To enable vehicles to draw off, park and turn clear of the highway to minimise danger, obstruction and inconvenience to users of the adjoining highway.

18. No occupier of the residential development hereby approved shall be entitled to a car parking permit from the Council to park on the public highway within the local controlled parking zone or any such subsequent zone.

REASON: In order to ensure that the development does not harm the existing amenities of the occupiers of neighbouring residential properties by adding to the already high level of on-street parking stress in the area in accordance with residential properties in accordance with Core Policy 7 of the Slough LDF 2006-2026.

19. No construction or development shall commence on site until a Construction Traffic Management Plan has been submitted and approved in writing by the Local Planning Authority. The CTMP shall include a site set up plan and details of:

- hours of construction, duration of construction,
- hours of deliveries,
- traffic management measures,
- construction traffic routing, wheel washing facilities,
- storage of materials,
- provision to be made to accommodate all site operatives,
- visitors and construction vehicles loading (to a minimum Euro 6/VI Standard),
- off-loading, parking and turning within the site and machinery to comply with the emission standards in Table 10 in the Low Emissions Strategy Guidance.

The Plan shall thereafter be implemented as approved before the development begins and be maintained throughout the duration of the construction works period.

REASON: In the interest of minimising danger and inconvenience to highway users and in the interests of air quality and to ensure minimal disruption is caused to existing businesses in the shopping centre area in accordance with policies 7 and 8 of the Core Strategy 2008, and the requirements of the National Planning Policy Framework 2021.

20. No part of the development hereby permitted shall be occupied until a car park management scheme has been submitted to and been approved in writing by the Local Planning Authority. The Scheme shall include provisions to :
- a) Ensure that spaces cannot be owned/let/allocated to anyone who is not a resident or does not have a car/need a parking space.
 - b) Ensure spaces are not permanently linked to dwellings.
 - c) State how electric vehicle charging point spaces will be made available to residents with plug in vehicles.
 - d) How use of charging point spaces by non plug-in vehicles will be restricted.
 - e) Allocation of any visitor spaces. No dwelling shall be occupied until the car park management scheme has been implemented as approved. Thereafter the allocation and use of car and electric vehicle parking spaces shall be in accordance with the approved scheme.

REASON to provide mitigation towards the impacts on the adjacent Air Quality Management Area and to ensure the parking spaces are in optimum use in accordance with Core Policy 8 of The Slough Local Development Framework, Core Strategy 2006 – 2026, Development Plan Document, December 2008 and the requirements of the National Planning Policy Framework 2021.

21. No part of the development shall be occupied until secure cycle parking store has been provided in accordance with the standards set out in the Slough Developers Guide. Once laid out and constructed that area shall not thereafter be used for any other purpose.

REASON: To ensure that adequate and convenient cycle storage is provided to accord with the standards set out in the Slough Developers Guide.

22. None of the residential units hereby approved shall be occupied until the following details have been submitted to and approved in writing by the Local Planning Authority:
- a) Specifications of the proposed windows and glazed door installations. The details shall demonstrate that the proposed windows/glazed doors ensure that internal noise

levels in line with BS8233:2014 are not exceeded

b) Details of the proposed mechanical ventilation including details of ventilation noise outputs along with a noise assessment in accordance with any mitigation in accordance with ProPG: Planning and Noise Guidance and BS8233:2014 shall be submitted to and approved in writing by the Local Planning Authority.

c) If the proposed system of ventilation does not include temperature control, an overheating assessment must be submitted that sets out specific mitigation measures to ensure residents will not be subject to overheating in the residential units hereby approved.

The development shall then be carried out in full accordance with the approved details prior to first occupation of the development hereby approved. Each Mechanical Ventilation unit shall then be used and maintained in accordance with the manufactures requirements for the lifetime of the development.

REASON to ensure future residents are not subjected to unacceptable temperature levels once the development is inhabited, in accordance with Core Policy 8 of The Slough Local Development Framework, Core Strategy 2006 - 2026, Development Plan Document, December 2008, and the National Planning Policy Framework, 2021.

23. No part of the development hereby permitted shall be occupied until a servicing and delivery management plan has been submitted to and approved in writing by the Local Planning Authority. The delivery management plan shall demonstrate how service and delivery vehicles will access the site without comprising parking provision and security and without causing an obstruction on the highway.

The development shall be carried out in full accordance with the approved details on first occupation be retained at all times in the future.

REASON: to ensure the delivery vehicles serving the proposed development do not cause an obstruction on the adjoin or surround highway in accordance with Core Policy 8 of The Slough Local Development Framework, Core Strategy 2006 – 2026, Development Plan Document, December 2008 and the requirements of the National Planning Policy Framework 2021

24. Notwithstanding the details in the approved plans, each parking space created on the development hereby approved shall be fitted with an Electric Vehicle Charging point, details of which shall be submitted to and approved in writing prior to first occupation. The electric vehicle charging points must have a 'Type 2' socket and be rated to at least 7.4kW 32amp 22kW 32amp single or 3 phase. Works shall be carried out in accordance with the approved details and be in place prior to first occupation of the residential units hereby approved and thereafter be retained.

REASON: To ensure vehicle parking is provided and encourage up-take of electric vehicle use, in accordance with Policy T2 of the Adopted Local Plan (2004), Policies 7 and 8 of the Core Strategy 2008, the guidance contained in the Council's Developer's Guide Part 3 (2008) and the National Planning Policy Framework 2021.

25. Notwithstanding the provisions within the Use Classes Order (2021) as amended changes of Use under Class MA, Part 3, Schedule 2, (General Permitted Development)

(England) Order 2021 from Class E (all subclasses) to Class C3 (residential) will not be permitted, without express planning permission from the Local Planning Authority.

Reason: To restrict and limit the loss of retail, shopping, food and drink and other commercial and office uses within the Town Centre in order to protect and safeguard the Town Centre Primary Shopping Area and Secondary Shopping Areas, to promote employment uses within the Town Centre, and to ensure the additional impact on socio-economic infrastructure (education, healthcare, leisure, community uses and facilities) is minimised (in accordance with the Environmental Statement) in accordance with policies EMP2 and OSC15 of The Adopted Local Plan for Slough 2004, Core Policies 1, 5 and 6 of the Slough Local Development Framework Core Strategy 2006-2026, and the guidance contained in the Council's Developer's Guide Part 4 (2008) and the National Planning Policy Framework (2021).

INFORMATIVE(S):

1. In dealing with this application, the Local Planning Authority has worked with the applicant in a positive and proactive manner through pre-application discussions. It is the view of the Local Planning Authority that the proposed development does improve the economic, social and environmental conditions of the area for the reasons given in this notice and it is in accordance with the National Planning Policy Framework.
2. The applicant will need to apply to the Council's Local Land Charges on 01753 875039 or email to 0350SN&N@slough.gov.uk for street naming and/or numbering of the unit/s.

No water meters will be permitted within the public footway. The applicant will need to provide way leave to Thames Water Plc for installation of water meters within the site

The development must be so designed and constructed to ensure that surface water from the development does not drain onto the highway or into the highway drainage system.

The permission hereby granted shall not be construed as authority to obstruct the public highway by the erection of scaffolding, hoarding, skip or any other device or apparatus for which a licence must be sought from the Highway Authority.

3. A Groundwater Risk Management Permit from Thames Water will be required for discharging groundwater into a public sewer. Any discharge made without a permit is deemed illegal and may result in prosecution under the provisions of the Water Industry Act 1991. We would expect the developer to demonstrate what measures he will undertake to minimise groundwater discharges into the public sewer. Permit enquiries should be directed to Thames Water's Risk Management Team by telephoning 020 3577 9483 or by emailing trade.effluent@thameswater.co.uk. Application forms should be completed on line via www.thameswater.co.uk. Please refer to the Wholesale; Business customers; Groundwater discharges section.

Thames Water will aim to provide customers with a minimum pressure of 10m head (approx 1 bar) and a flow rate of 9 litres/minute at the point where it leaves Thames Waters pipes. The developer should take account of this minimum pressure in the design of the proposed development.

Informatives

The applicant is hereby informed that commencing development without first having complied with any pre-commencement conditions as set out in this decision notice may mean that the decision notice will expire and render the development to be unlawful.

Rights of Applicants Aggrieved by Decision of Local Planning Authority

1. If you are aggrieved by the decision of the local planning authority to refuse permission for the proposed development, or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice. (Appeals must be made on a form which is obtainable from The Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at www.planningportal.gov.uk/pes). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
2. If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he/she may serve on the Council of the Borough in which the land is situated, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him/her. The circumstances in which such compensation is payable are set out in Section 157 of the Town and Country Planning Act 1990.
