Managing conflicts of interests:

Due to the small size of the Cabinet Committee for Asset Disposals, members should be particularly cognisant of the risk of a conflict of interest. If any member of the Cabinet Committee for Asset Disposals has had contact with a prospective purchaser of land in advance of a meeting, they should seek advice from the Monitoring Officer and should declare the interest in the meeting and decline to participate and leave the meeting if there is a risk that a reasonable and informed member of the public would determine that the contact will influence their decision-making.

The member may continue to participate in the full Cabinet meeting, having declared the interest, as long as the proposed decision does not affect the member's financial interest or well-being to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected and a reasonable member of the public knowing all the facts would not believe that it would affect the member's view of the wider public interest.
