## Cared for memberships

The Everyone Active Contract manager or Activity and Wellbeing manager will send the referral links directly to the Council teams via email.

The Council 'Children in Care / Care Experienced' team refers the child or young people through the secure online links, providing an email address for the individual (16+) or the child's guardian/key worker who will be responsible for making bookings on behalf of the child (under 16).

**Please note; the same details must be entered throughout this process (e.g. Name and email address)**

On completion of the referral form an automated email is sent to the email address provided for the individual (16+) or the child's guardian (under 16), and asks the individual or guardian to complete an Everyone Active card form and a measurement survey.

**Please note; both parts of the email need to be completed before their membership will be processed.**

Once both actions have been completed, the Everyone Active Central DD team will process their membership within 48 working hours.
