Overall Aim of the Session: Review and update the refreshed strategy to enable official sign-off, identifying the delivery mechanisms needed to ensure progression aligned to the revised priorities.

Session Details:

- Review of the draft strategy which has been worked up from the December 22 Slough Wellbeing Board informal session; consideration of the following:
 - Does the strategy capture the desired direction/priorities of the board?
 - What delivery mechanisms does the board need in place to deliver the strategy?
 - What is the operating model / structure that will deliver the strategy?
 - How does the refreshed strategy and required operating model / structure influence the role of the Slough Wellbeing Board and its members?
- Feedback from the session to be used to update the strategy prior to the March 2023 meeting where official sign-off will take place; terms of reference to be revised in line with the strategy ahead of the March 2023 meeting. The refresh of the 2023/2027 Strategy will likely influence the work programme moving forward.
